Heartbeat London:

Heartbeat Art Claudia Arozqueta, 2025-05-27 An innovative history of heartbeats pulse and technoscience in the works of a wide international array of artists and composers Heartbeat Art is the first study of how artists have engaged with heartbeats from the 1960s to the present creating sophisticated and technological works that project in unique ways the circulatory processes of the body beyond its physical limits Drawing on a long history of scientific and artistic experimentation Claudia Arozqueta offers detailed case studies of heartbeat works by a wide range of international artists working at the interconnections of our bodies art and science and technology including Yoko Ono Pauline Oliveros Heinz Mack Brian O Doherty Teresa Burga and many others Technoscientific advances in monitoring heartbeats and pulses in the nineteenth century such as Ren Laennec's stethoscope Julien Marey's sphygmograph and chronophotograph and Willem Einthoven's electrocardiograph transformed the movements of the heart into audible and visual representations Artists saw in the language of these scientific technologies a way of mingling the inner with the outer the physical with the technological and data with flesh Using archival research interviews and correspondence Arozqueta describes significant works in detail discusses their contexts and development and examines the larger classes and contours of this neglected area of artistic activity Other artists in the volume include Liane Radigue Jean Dupuy Linda Montano Catherine Richards Diana Domingues Mona Hatoum Rafael Lozano Hemmer and Christian Boltanski

The Crisis of London Andy Thornley, 2003-09-02 London is in a mess This is evident from the increasingly unpleasant experience of daily life in the capital from homelessness and unemployment to frustrating transport facilities and the general bad quality of the environment However it is not only citizens of London who are suffering but the business community as well London is having to face increasing competition from other European cities There is growing appreciation and debate about these problems from companies political parties local government and community organisations The Crisis of London provides a solid analysis of what has gone wrong and explores policy directions that could make the city a more humane and livable place Beginning with a discussion of the basic elements of a home a job and a means of travelling around it becomes clear that even in these essential aspects London is failing A feature of the crisis is an increasingly divided city with conditions for the poorer citizens worsening all the time The authors consider the quality of the environment They examine the greening of the city and the need for sustainability the privatisation and dehumanisation of public spaces the fear experienced by women denying them full access to the capital the position of ethnic minorities and the perspectives of local communities Using the case studies of Docklands and Kings Cross the authors raise the crucial question of the government of the capital This review of the city concludes with an analysis of a potential vision for London involving both the creation of the necessary institutional structures and also the will to address the needs of all the capital's citizens The authors argue that a strategic approach is needed which accepts that the market alone cannot solve the problem Stronger public intervention and

government action is necessary if London is to match the developments in other European cities Heart Beats Catherine Robson,2015-03-22 Many people in Great Britain and the United States can recall elderly relatives who remembered long stretches of verse learned at school decades earlier yet most of us were never required to recite in class Heart Beats is the first book to examine how poetry recitation came to assume a central place in past curricular programs and to investigate when and why the once mandatory exercise declined Telling the story of a lost pedagogical practice and its wide ranging effects on two sides of the Atlantic Catherine Robson explores how recitation altered the ordinary people who committed poems to heart and changed the worlds in which they lived Heart Beats begins by investigating recitation s progress within British and American public educational systems over the course of the nineteenth and twentieth centuries and weighs the factors that influenced which poems were most frequently assigned Robson then scrutinizes the recitational fortunes of three short works that were once classroom classics Felicia Hemans s Casabianca Thomas Gray s Elegy Written in a Country Churchyard and Charles Wolfe s Burial of Sir John Moore after Corunna To conclude the book considers W E Henley s Invictus and Rudyard Kipling s If asking why the idea of the memorized poem arouses such different responses in the United States and Great Britain today Focusing on vital connections between poems individuals and their communities Heart Beats is an important study of the history and power of memorized poetry Shakespeare's Heartbeat Kelly Hunter,2025-08-22 This updated and revised edition of Shakespeare s Heartbeat offers a step by step guide detailing how to demonstrate play and perform sensory games based on two of Shakespeare s most popular plays designed for autistic people of all ages The original games of heartbeats eye contact and spatial awareness were created at the Glebe School Beckenham with a group of twelve autistic teenagers who met and played with Kelly Hunter once a week over three years 2002 2005 This second edition brings the book up to date with the additional knowledge Kelly Hunter has gained since then as the founding artistic director of Flute Theatre the world s only Shakespearean troupe to focus on the needs of autistic audiences The book includes the following A new chapter dedicated to performing A Midsummer Night s Dream and The Tempest with autistic audiences including Hunter s adapted interactive performance texts of both plays A new resource for playing with younger autistic children and their families A new resource for playing with those who require a lower demand approach A new chapter with targets and techniques to understand the autism puzzle more clearly New games based on A Midsummer Night s Dream and The Tempest which have been created over the last ten years in addition to the original games detailed in the first edition This book provides an indispensable learning tool for theatre practitioners drama students applied theatre students teachers autistic people and their families *Harlequin Special Edition December 2015 Box Set 2 of 2* Christine Rimmer,Leanne Banks,Joanna Sims,2015-12-01 Harlequin Special Edition brings you three new titles for one great price available now These are heartwarming romantic stories about life love and family This Special Edition box set includes CARTER BRAVO S CHRISTMAS BRIDE The Bravos of Justice Creek by Christine Rimmer Carter Bravo wants to settle down but he s not looking

Where the Heart Beats Kay Larson, 2013-07-30 A heroic biography of John Cage and his awakening through Zen Buddhism a kind of love story about a brilliant American pioneer of the creative arts who transformed himself and his culture The New York Times Composer John Cage sought the silence of a mind at peace with itself and found it in Zen Buddhism a spiritual path that changed both his music and his view of the universe Remarkably researched exquisitely written *Where the Heart Beats* weaves together a great many threads of cultural history Maria Popova Brain Pickings to illuminate Cage s struggle to accept himself and his relationship with choreographer Merce Cunningham Freed to be his own man Cage originated exciting experiments that set him at the epicenter of a new avant garde forming in the 1950s Robert Rauschenberg Jasper Johns Andy Warhol Yoko Ono Allan Kaprow Morton Feldman and Leo Castelli were among those influenced by his teaching and preaching *Where the Heart Beats* shows the blossoming of Zen in the very heart of American culture

Theory and Practice of Dialogical Community Development Peter Westoby, Gerard Dowling, 2013-07-18 This book proposes that community development has been increasingly influenced and co opted by a modernist soulless rational philosophy reducing it to a shallow technique for solving community problems In contrast this dialogical approach re maps the ground of community development practice within a frame of ideas such as dialogue hospitality and depth For the first time community development practitioners are provided with an accessible understanding of dialogue and its relevance to their practice exploring the contributions of internationally significant thinkers such as P Freire M Buber D Bohm and H G Gadamer J Derrida G Esteva and R Sennett What makes the book distinctive is that first it identifies a dialogical tradition of community development and considers how such a tradition shapes practice within contemporary contexts and concerns economic social political cultural and ecological Second the book contrasts such an approach with technical and instrumental approaches to development that fail to take

complex systems seriously Third the approach links theory to practice through a combination of storytelling and theory reflection ensuring that readers are drawn into a practice theory that they feel increasingly confident has been tried and tested in the world over the past 25 years **The Modern Practice of Pediatrics** William Palmer Lucas,1927 **Bride Chosen** Sabel Simmons, London was once bitten twice shy London Sanders had no intention of falling into the same trap again Love wasn't an option now Besides Mark Farrow was trouble with a capital T not to mention annoying and self righteous but damn he was hot with his bulging muscles something that made her ovaries burst out in song and dance every time he was near Why deny herself some er pleasure right Soooo she offered him a compromise London Sanders was his chosen bride and he went at her with all guns blazing Mark Farrow had it all Born from old money and with a heart of gold he was every woman's dream Only he preferred to er play the field and wasn't looking for love That is until the cheeky redhead came across his path and changed his destiny He had no intention of allowing a misplaced broken heart because he didn't believe she'd truly loved the man who'd treated her like dirt stand in his way of getting what he wanted Would Mark be satisfied with a friends with benefits arrangement and if so for how long Was London just setting herself up for heartache again Only time would tell Editor's note I'm jealous of London I want a Mark As usual Basset intertwines an exceptional love story with EXCEPTIONALLY hot scenes with a twist of crime and suspense Tender romantic with just a dash of jealousy and angst as well as a healthy dose of erotic candy for the eyes and Chosen Bride will easily become one of those books you want to read again and again just for the good feels **Billboard** ,1995-04-15 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends The Whisky Taster James Graham,2014-03-10 The Whisky Taster is a contemporary subtle and witty exploration of feeling and perception in the modern world of advertising Moving from monochrome to technicolour James Graham's latest play is about seeing things too clearly in a city that never stands still Barney and Nicola are advertising wonder kids They win accounts with wit charm and a secret weapon Barney's ability to feel smell and taste colours and to translate these sensations into words Lately Barney has been finding things far too colourful and wishes his full throttle London life was more black and white but Nicola is hell bent on winning accounts at all costs When the two hire an old Scottish Whisky Taster to help them with a new campaign the enigmatic and mysterious figure slows the Londoners to a stop with his strange wisdom just as the deadline looms This play explores perception sensitivity and feeling through the neurological condition synesthesia Whilst the characters thrive on the surface with witty banter and accomplished advertising pitches their real lives threaten to intrude with a deeper darker vein of seriousness and potential despair When every sensation can be turned into a marketable profitable brand they start to lose sight of the real value of experience First Comes Love Shana Johnson Burton,2008 When two best friends make the drunken mistake of becoming man and

wife they struggle before God to make their marriage work **Years of Sunlight** Michael McLean, 2017-01-26 I told you it d
happen In this town It d come to fruition It s like rivers of blood with Scousers Skelmersdale Lancashire Haunted by
memories of his closest friend Emlyn Paul returns to the ashes of his childhood home in a Liverpool overspill estate and
implores his mother to leave it all behind Envisaged by the government as social utopias in the 1960s towns like
Skelmersdale promised visionary housing and opportunities for thousands of Liverpudlians uprooted from their overcrowded
city Traversing a 30 year friendship Years of Sunlight is a haunting cry for those left feeling shipwrecked from their old
communities and abandoned by the post industrial political system

Enjoying the Melody of Term: An Mental Symphony within **Heartbeat London**

In some sort of used by displays and the ceaseless chatter of immediate transmission, the melodic elegance and emotional symphony produced by the written term usually fade in to the back ground, eclipsed by the relentless sound and disruptions that permeate our lives. However, nestled within the pages of **Heartbeat London** a charming fictional treasure overflowing with raw thoughts, lies an immersive symphony waiting to be embraced. Crafted by a wonderful composer of language, that captivating masterpiece conducts viewers on a mental journey, skillfully unraveling the hidden songs and profound affect resonating within each cautiously constructed phrase.
