Heartfelt Thoughts:

"Take a Thought . . . Wholesome and Good." Larry Troxel, 2016-05-12 Plutarch said Painting is silent poetry and poetry is painting that speaks I am pleased when I can so speak with others being favorable to what I've said including the following I purchased Larry Troxel's poetry book and enjoyed it so much that I made it a gift to a special little lady It is well written and she loves it being read to her Jean B Oklahoma Larry's poetry is mind opening he is a poet who captures the imagination of his readers and accelerates insight Ray G California An extremely talented poet Larry's writings bring back yonder years in a way that only he can do and his wisdom shows us a deep sensitivity that brings peace to one's soul Meg G Tennessee I always look forward to Larry Troxel's poems His writing style and use of words make it easy to visualize the entire story his poems are telling Each poem is unique and one may be left with a smile a tear happy memories from the past or a good life lesson Marian O Oregon And a literary review I must say that you have a talent for poetry writing which is no small feat An important aspect of poetry is attention to concrete detail You certainly have a knack for this You write with such beautiful condensed language It affects emotion and thought on multiple levels through your use of symbol and imagery You make it easy for your reader to identify with your words It is always easy to tell when an author spends time with their writing I have to say that it is obvious that you have done a significant amount planning and preparation in crafting your work You truly have crafted another excellent piece Bravo Linda C Colorado

Herder and Enlightenment Politics Eva

Piirimäe, 2023-04-06 Johann Gottfried Herder initiated the modern disciplines of philosophical anthropology and cultural history including the study of popular culture. He is also remembered as a sharp critic of colonialism and imperialism. But what types of social, economic and political arrangements did Herder envision for modern European societies? Herder and Enlightenment Politics provides a radically new interpretation of Herder's political thought, situating his ideas in Enlightenment debates on modern patriotism, commerce and peace. By reconstructing Herder's engagement with Rousseau, Montesquieu, Abbt, Ferguson, M. J. C. Smith, Kant and many other contemporary authors, Eva Piirimäe shows that Herder was deeply interested in the potential for cultural, moral and political reform in Russia, Germany and Europe. Herder probed the foundations of modern liberty, community and peace, developing a distinctive understanding of human self-determination, natural sociability and modern patriotism, as well as advocating a vision of Europe as a commercially and culturally interconnected community of peoples.
