and Literary Form in the Victorian Novel Jill Franks, 2022-07-28 Enormous social changes during the Victorian era inspired some of the finest novels in the English language In the final decades of the century rigid application of gender rules and class hierarchies began to relax Consciousness of the injustice of class and gender based discrimination was growing Meanwhile bias against nonwhite peoples was worsening The British used scientific racism to justify their relentless expansion in Africa and Asia Viewing Victorian literature through the lens of these social changes gives the modern reader a fresh way to interpret the novels and to appreciate their relevance to contemporary issues Nineteenth century novelists deployed realism satire and the bildungsroman to resist or support leading ideologies of their time including the separate spheres doctrine and British supremacism Each chapter is an elaboration of the author s university lectures about Victorian classics The tone is scholarly yet conversational directed to the undergraduate student as well as the general reader or Victoriaphile The text presents concepts in interdisciplinary cultural studies discusses the uses of genre for rhetorical and social purposes and exposes paradoxes of the era The coherent style abundant examples discussion questions and literary glossary make this book a valuable supplement for readers of the Victorian novel Paperbound Books in Print , 1991

The Dream and the Text Carol Schreier Rupprecht, 1993-07-01 This book partakes of a long tradition of dream interpretation but at the same time is unique in its cross cultural and interdisciplinary methods and in its mix of theoretical and analytical approaches It includes a great chronological and geographical range from ancient Sumeria to eighteenth century China medieval Hispanic dream poetry to Italian Renaissance dream theory Shakespeare to Nerval and from Dostoevsky through Emily Bront to Henry James Rupprecht also incorporates various critical orientations including

archetypal comparative feminist historicist linguistic postmodern psychoanalytic religious reader response and self psychology **The NERDS 5-Book Collection** Michael Buckley,2024-10-29 Read all five books in the hilarious NERDS series and experience the excitement of international espionage combined with the awkwardness of elementary school The N E R D S National Espionage Rescue and Defense Society have been gifted with nanobyte enhanced superpowers The only catch they re still in elementary school Join Duncan Gluestick Dewey Ruby Pufferfish Peet Heathcliff Choppers Hodges Julio Flinch Escala Matilda Wheezer Choi and Jackson Braceface Jones as they work from their school basement headquarters to save the world confront former teammates gone bad infiltrate the cheerleading squad stop a plague of evil alter egos and save the President s daughter Read the NERDs series now and try to stop yourself from laughing warning it s impossible

A Topography Plagued by Marginality in Victorian Novels Catalina Balinisteanu-Furdu,2022-04-12 The purpose of this book is to analyse how marginality is experienced by the Other women orphans children labourers in Victorian literature and how these individuals succeed in transgressing borders or attempt at doing this The Other uses many strategies to climb the social ladder and to preserve a certain social position marrying into a superior social class subverting the master s position and usurping him acquiring education and knowledge to become superior tempting the master into passionate love affairs approaching interpersonal communication or staying true to one s own self defending ones moral values accepting lessons of domesticity becoming an angel in the house travelling to unknown territories exchanging reality for fictional worlds and so on On their way of achieving their goals the Others are shown in different spaces which contribute to the construction of their identity Our survey unfolds the complexity of the marginalization experience of the Victorian Others their individual or collective mentality and their agency Drawing on Otherness from six Victorian novels our book takes an interpretative approach The analysis of spaces revealed how the positionality of women or orphans or labourers in social hierarchies of gender race and legal status influences and even affects their legitimacy or access to a superior position Their agency has not always overcome their marginalization embedded within the structure of society but at least temporarily and gradually it has improved the women s living conditions by being rewarded with a beautiful family or by earning a living thus eluding the dependency on a man By contextualizing the six novels into the Victorian Age our survey will hopefully contribute to the understanding of women and of their attempts at emancipation by demonstrating how their positionality impacts their agency and their personality *Ruthless Devotion* Rebecca Kenney,2025-07-22 SPECIAL DELUXE EDITION WITH STAINED EDGES CHARACTER ART AND MORE He was the other half of my soul the mirror to my every dark desire My destruction my redemption my salvation my Heathcliff Cathy Earnshaw s got the devil inside her or at least that s what the small cultish community she s spent her whole life trapped inside would say She can sense death coming and every loss sends her spiraling into a violent uncontrollable episode of grief wailing like a banshee across the swampy forests of the Lowcountry With a secret as dark as hers there s no hope of relief or escape or finding someone with a chance of understanding Until she

meets him Heathcliff's got his own trauma and a secret just as dangerous as Cathy's Stolen as a child raised by necromancers he's the most forbidden sin she could ever imagine and the most desperately tempting Violent in his passions tender in his affection he feels like the other half of her soul but even as they claw desperately to be together the world seems just as determined to keep them apart Because it turns out their little Southern community was built long ago on a graveyard of lies and every cult needs its sacrificial lamb An addictive and truly original spicy New Adult retelling of Wuthering Heights with a magical twist RICH BONUS FEATURES INCLUDE Sprayed edges Gorgeous b/w interior art Additional scenes And more

Chapin's World J. G. Chapin, 2021-08-26 Chapin's World is purely a figment of the author's warped imagination so please don't report him to the authorities because there is nothing that can be done He was born thinking like this And it was inevitable that his mind would be unleashed upon an unsuspecting public Chapin's World subtitled A Mid Amid is a book of life as seen through the green mid life eyes of a member of a highly exploited as of yet unentitled minority redheads It is a collection of humorous short stories of the author's early life family camping trip shenanigans vacation pranks and mishaps and how he grew to be mid in America's Heartland His light hearted style allows the reader a chance to experience unpleasant circumstances with humor and to tag along as he turns the most simple of situations into full blown calamities Chapin's narrative of his childhood reads like a tale by a modern day Samuel Clemens The stories progress randomly through his life to include mid with kid Chapin's World will drag you along with Chapin his family and a few less than role model friends into but not out of mid life the author is determined to find your funny bone even if he has to use a chainsaw A Mid Amid contains twenty seven mildly amusing yet wildly outrageous tales by the Master of Personal Disaster In case you are unaware of Chapin's writing style he has used the formula of mixing equal half portions of wit and narrative Chapin has now become quite distinguished for his half wit humor But such is Chapin's World If you or a loved one is struggling through the mid life crisis or if you just have the strange urge to help a confessed liar succeed then Chapin's World A Mid Amid is surely required reading

NERDS: The Cheerleaders of Doom Michael Buckley, 2013-09-03 Matilda Wheezer Choi the asthmatic who can fly and kick butt courtesy of her nanobyte enhanced inhalers loves pro wrestling and hates anything girly Maybe that's because she grew up with six brothers or maybe it's because her home life has become a battle zone in the conflict between her parents Unfortunately for Wheezer when a former member of NERDS turned villain gets extensive plastic surgery in order to become a cheerleader Matilda must swallow her pride to successfully infiltrate the squad The newest supervillain Gerdie Baker assisted by the criminal mastermind Simon has created a device that opens portals to other worlds which she and the other cheerleaders have been pillaging But the alternate realities are starting to get awfully close together so it's up to Wheezer and the NERDS to stop the cheerleaders before the worlds collide
