Rogue wolf shapeshifter Leifi Vik didn't ask to be sent to Gunnar, a land caught between worlds and times, but he was making the best of it and he'd found a place of sorts for himself. Yes, his job was hunting rather than protecting, but the elf princess he served had yet to find any of the witches she seemed determined to destroy. So what was the harm? Witch Heather Moore knew as soon as she walked through the portal into Gunnar that she was somewhere very different than the human world she'd just left. She was scared but strong. That is, until she realized she'd landed in the middle of a witch hunt led by the rogue wolf Leifi, who she'd come to respect for his protective spirit and honor. Had Leifi changed, or had she not known him at all before? Soon Leifi realizes the witch hunts are all too real and deadly, but he also discovers that the rogues he'd brought with him into Gunnar are not free as he'd thought. They are captive and as much at risk as the witches. His loyalties are torn: the witch he has come to love or the wolves he is honor-bound to save. And Heather? She has choices too and secrets, secrets that could change everything for the witches, the rogues, Gunnar, and the Nine Worlds. [A Dark and Secret Place](#) Jen Williams, 2021-06-08. For fans of Kathleen Barber and Julia Heaberlin comes a chilling psychological suspense from award-winning author Jen Williams about a woman who discovers her late mother had a decades-long secret correspondence with a serial killer, begging the question: how well do we know our own family and even ourselves? When prodigal daughter Heather Evans returns to her family home after her mother's baffling suicide, she makes an alarming discovery: stacks and stacks of carefully preserved letters from notorious serial killer Michael Reave. The Red Wolf, as he was dubbed by the press, has been in prison for over twenty years, serving a life sentence for the gruesome and ritualistic murders of several women across the country, although he has always protested his innocence. The police have had no reason to listen, yet Heather isn't the only one to have cause to re-examine the murders. The body of a young woman has just been found, dismembered and placed inside a tree, the corpse planted with flowers. Just as the Red Wolf once did. What did Heather's mother know? Why did she kill herself? And with the monstrous Red Wolf safely locked inside a maximum security prison who is stalking young women now? Teaming up with DI Ben Parker, Heather hopes to get some answers for herself and for the newest victims of this depraved murderer. Yet to do that, she must speak to Michael Reave herself and expose herself to truths she may not be ready to face. Something dark is walking in the woods, and it knows her all too well. **SECRET AGENT GROOM** Andrea Edwards, 2011-07-15. THE AGENT'S SECRET.
