Letters To Jesus Daily Devotional Readings:

Letters to Jesus Ray Cook, 2005-02-01 A story of contemporary note this is a tale from man's evolution over four million years The question was how did man sleep for 99% of that period and suddenly wake up Our story's slice of time takes us to the 21st Century and Josh Merlin who has a chance meeting with one of the men who is responsible for changing events around the world How any person or persons could do this is what Josh becomes involved with As a pilot employed by the Travelers Josh follows Jim Stevenson and his sophisticated group almost to the ends of the earth to help in a task so vast he is overwhelmed The task is to establish an equality among the world's citizens to enjoy all the world's scientific advancements so greedily deprived by power brokers the world over An ardent romantic Josh meets the woman he has longed for in his dreams that have haunted him since childhood Together they try to sort out the depth of what they feel is a task for the Creator but realize finally and fortuitously that they may be in His hands leading to a subliminal conclusion **Daily**

Devotion Grace Dillon, 2023-08-16 I am not a theologian a scholar pastor minister or any of the other titles used by those who would deem themselves able to write about God In fact I am as far removed from those vocations as one could get My working life has been in finance and information technology But as one who was pursued by God and who has been pursuing Him ever since I have experienced an overwhelming desire to know Him and His story I have gone to the only reliable source I know the Bible and have been reading it through each year for over forty years I have yet to discover its depths This book is one year's worth of discoveries A lot of the time there are more questions than answers but our God is that big He is the creator of the universe after all Reminders for Daily Devotion John Fischer, 2018-11-15 In the busyness of daily life we

need reminding of God's love That He's not through with us He has many blessings in store More than we can imagine These daily Reminders will help us focus on our Lord Jesus for a life worth living More for others and Jesus than ourselves More of life as He intends John Fischer with his own unique style has put together once again a devotional book for every day all year long *The Fourth Frontier* Thomas Addington, 2000-10-17 The typical American spends 80 000 to 100 000 of his or her best hours at work For many those hours are spent without a sense of purpose meaning or passion But it doesn't have to be that way For followers of Jesus work is not just something we have to do It's an opportunity to enter into deep participation in the life and work of the living God a vital unique and powerful dimension of an abundant life in Christ But many followers of Christ are uninformed or misinformed when it comes to what the Bible teaches about work Through extensive research consulting mentoring and interviewing co authors Thomas Addington and Stephen Graves have found that few followers of Jesus realize how much the Bible has to say about all the decisions dilemmas deals and duties inherent in everyday work From handling change to handling trauma from creating a strategic plan to managing a staff dispute from establishing travel policies to dealing with a dishonest supervisor biblical truth is relevant applicable and discernable in workplace issues The Fourth Frontier is for you if you're longing to Understand God's personal calling for your life Experience a sense of

satisfaction and a God connection to your job Use your God given skills for His kingdom while you re at work Feel passion peace and purpose about your time between 8 and 5 Avoid the fears and anxieties that strangle joy for most employees Create a supportive synergy between your family and your work life Feel balance in all areas of your life Followers of Jesus need not live fragmented imbalanced frenetic lives of conflicting demands and polarized priorities Embark on a journey into The Fourth Frontier and embark on a journey of learning what it means to live a Christ centered life of devotion integrity stewardship and rest and learning to be salt and light in the workplace and the world **My Daily Devotion** Stephen J.
