Sharpshooters were the elite of the Union army Clad in green uniforms and equipped with the era s latest rifles and scopes they took up positions out in front of the infantry where they targeted Confederate officers or skirmished with enemy soldiers However they were used sharpshooters formed an important presence on battlefields throughout the Civil War and yet most accounts have tended to focus on their distinctive uniforms and cutting edge equipment rather than on their combat performance Thunderbolt to the Rebels tells the story of these Civil War deadeyes on battlefields from Antietam to Gettysburg and beyond During the first year of the Civil War Hiram Berdan proposed the creation of a unit of marksmen armed with Sharps rifles and thus were born the 1st and 2nd U S Sharpshooters Drawn heavily from the Upper Midwest and New England as well as Pennsylvania the soldiers had to pass a marksmanship test to join 10 shots in a 10 inch diameter circle from 200 yards They were issued green uniforms for better camouflage which also helped Confederate riflemen target them The job of a sharpshooter was dangerous and demanding much of it out in front of the army much of it alone but they made a difference on the battlefield Thunderbolt to the Rebels uses primary sources especially eyewitness accounts to reveal how these elite marksmen lived fought and died during the Civil War **Letters of Members of the Continental**

Poirier,2005 Vermont Civil War Enterprises announces the release of its latest book They Could Not Have Done Better Thomas O Seaver and the 3rd Vermont Infantry in the War for the Union Authored by Robert G Poirier the text traces the history of the 3rd Vermont Infantry and its most famous commander from its organization through the conflict s most difficult battles The author researched a myriad of previously unpublished primary sources official state records National Archives files and records and contemporary newspaper accounts to interface the unit s role in the history of the war with that of the Old Vermont Brigade and the Union s Army of the Potomac Thomas O Seaver one of the regiment s six Medal of Honor recipients was a Norwich University alumnus Class of 1859 The book not only describes the regiment and its parent brigade s actions but also documents the critical role of the Union s other West Point in the formation training and combat successes of this often overlooked elite briagde The accounts of the Green Mountain Boys achivements in the battles of Second Fredericksburg Chancellorsville the Wilderness Spotsylvania and Cold Harbor will be of interest to historians and Civil War fans alike The final chapter of the book which compares and contrasts the achievements casualty rates and combat

performance of the 3rd Vermont and the Old Vermont Brigade to that of more famous units such as the Iron and Irish Brigades breaks new ground. It not only demonstrates the superior accomplishments of the Vermonters in a number of areas but also provides a number of contemporary and modern citations regarding the Vermonters' battlefield prowess. The analysis as well as the quotations from several well-known historians will be of particular interest to readers. Mr. Poirier is a 1966 graduate of Norwich, a former Major and Vietnam veteran, and a retired Central Intelligence Agency manager and analyst with over 25 years of intelligence experience. This is Mr. Poirier's third book. He has also written a large number of intelligence and historical articles for various intelligence, military, and historical journals.

Lt. Spalding in Civil War Louisiana Michael D. Pierson, 2016-11-02. In July 1862 Union Lieutenant Stephen Spalding wrote a long letter from his post in Algiers, Louisiana, to his former college roommate. Equally fascinating and unsettling for modern readers, the comic cynicism of the young soldier's correspondence offers an unusually candid and intimate account of military life and social change on the southern front. A captivating primary source, Spalding's letter is reproduced here for the first time, along with contextual analysis and biographical detail by Michael D. Pierson. Lt. Spalding in Civil War Louisiana lifts the curtain on the twenty-two-year-old's elitist social attitudes and his consuming ambition, examining the mind of a man of privilege as he turns to humor to cope with unwelcome realities. Spalding and his correspondent James Peck, both graduates of the University of Vermont, lived in a society dominated by elite young men with advantages granted by wealth, gender, race, and birth. Caught in the middle of the Civil War, Spalding adopts a light-hearted tone in his letter, both to mask his most intimate thoughts and fears and to distance himself from those he perceives as social inferiors. His jokes show us an unpleasantly stratified America, with blacks, women, and the men in the ranks subjected to ridicule and even physical abuse by an officer with more assertiveness than experience. His longest story, a wild escapade in New Orleans that included abundant drinking and visits to two brothels, gives us a glimpse of a world in which men bonded through excess and indulgence. More poignantly, tactless jests about death, told as his unit suffers its first casualties, reveal a man struggling to come to terms with mortality. Evidence of Spalding's unfulfilled aspirations, like his sometimes disturbing wit, allows readers to see past his entitlement to his human weaknesses. An engrossing picture of a charismatic but flawed young officer, Lt. Spalding in Civil War Louisiana offers new ways to look at the society that shaped him.
