of panic and hysteria Stauffer traces the European beginnings of the Bavarian Order of Illuminists and the transmission of its legend across the Atlantic culminating in the effects of the Illuminati agitation in New England This strictly factual account incorporates no conjecture and is enhanced by extensive footnotes A compelling work of forgotten history it is an essential resource for readers interested in the origins of conspiracy theory in American social and political thought **Catalogue of the American Library of the Late Mr. George Brinley** George Brinley,1886 *Letters of Life* William Doyle,2018-10-30 Through a series of letters the author offers readers some aspects of the spiritual bankruptcy facing society today and ways of increasing well being and a discovery of our true selves In these letters addressed to individuals seeking answers to perplexing problems the Reverend Doyle shares his insights gleaned from a lifetime of ministry to people from all walks of life Responses to mails have been kept precise as possible without glossing over important issues and in obedience to our Lord s command raise wounded hearts to the Deity in glorious and noble prayer *A Political Biography of Thomas Paine* W A Speck,2015-10-06 Speck s biography examines Paine s work afresh in light of new thinking about the role of religion in the formation of his political ideology and also places Paine within the recently developed context of Atlantic History *Letters to My Son* Vivienne E.
