Letters From Christ Patti Burns, 2005-04-04 God speaks to us if only we listen We are His dear children and He loves us During quiet times of prayer these letters were given for sharing Jesus is ever present in our lives today and it is His desire to let us be ever more aware of His love Jesus will speak to you and comfort you with His words He longs to heal us of our pain and bring us into the realms of peace and joy He wants us to reach out to Him and know the love He has to give Please receive these Letters from Christ Take hold of His hand and let him guide you to everlasting love and light Come to know His blessings upon your life Letters from Jesus Paul Ellis, 2018-12-17 Winner Christian Indie Awards Finalist International Book Awards Did you know that Jesus sent seven letters from heaven The letters from Jesus to the Revelation churches must be the most misunderstood chapters in the Bible Many dismiss them as too hard too strange or too scary Contrary to what you may have heard these letters are good news from start to finish They are love letters from Jesus to all of us and they reveal the extreme goodness and favor of God In Letters from Jesus Paul Ellis unpacks the astonishing good news found in these ancient letters In them he finds answers to tough questions What does God expect from me Is he angry at my fears and failings How do I know what the Spirit is saying How do I overcome life s trials What makes me worthy to walk with the Lord Am I lukewarm Does God punish me when I sin Will Jesus erase my name from his book And many more Get your copy now

**Letters from Christ** Yaeli Popovici, 2018-06-07 Dear Reader This book is a compilation of words that Christ spoke to me so that I could pass them along to you This book is not my own but Christ's I am merely a servant of Him I hope this book inspires you to just sit down and listen to what He wants to tell you Thank you for reading Yaeli Popovici the Body of Christ in Paul's Letters Yung Suk Kim, 2019-05-08 This book guestions all familiar readings of the body of Christ in Paul's letters and helps readers rethink the context and the purpose of this phrase Against the view that Paul's body of Christ metaphor mainly has to do with a metaphorical organism that emphasizes unity Kim argues that the body of Christ has more to do with the embodiment of God's gospel through Christ While Deutero Pauline and pastoral letters use this body metaphor mainly as an organism Paul's undisputed letters in particular 1 Corinthians and Romans treat it differently with a focus on Christlike embodiment Reexamining the diverse use of the body of Christ in Paul s undisputed letters this book argues that Paul's body of Christ metaphor has to do with the proclamation of God's gospel 7 Love Letters from Jesus Rebecca Hayford Bauer, 2012-04-16 Christians have been told again and again that Jesus loves them yet many have not stepped into the security and intimacy that His love provides Whether because of poor past relationships or a lack of good examples many struggle to find intimacy with their Savior Now Rebecca Hayford Bauer invites readers to step into the best love story of all 7 Love Letters from Jesus is an in depth study of Revelation 2 and 3 a passage of Scripture that paints a metaphorical picture of courtship engagement and marriage to the Lamb of God It's also a passage that Christians have sometimes misread or misunderstood but no longer Readers will gain a new appreciation for these vivid images for their

spiritual life and begin to see how Jesus views each and every person as worthy of His relentless pursuit Letters from Jesus Paul Ellis, 2019 Did you know that Jesus sent seven letters from heaven The letters from Jesus to the Revelation churches must be the most misunderstood chapters in the Bible Many people dismiss them as too hard too strange or too scary Did Jesus really say that Contrary to what you may have heard these letters are good news from start to finish They are timeless love letters from Jesus to all of us and they reveal the extreme goodness and favor of God In Letters from Jesus Paul Ellis unpacks the astonishing good news found in these ancient letters In them he finds answers to tough questions What does God expect from me Is he angry at my fears and failings How do I know what the Spirit is saying How do I overcome life s trials What makes me worthy to walk with the Lord Am I lukewarm Does God punish me when I sin Will Jesus erase my name from his book And many more Back cover Apocalypse Robert H. Smith, 2000 For those searching for a way to demystify the often puzzling book of Revelation or for those seeking a splendid pathway into the Apocalypse this commentary is an extraordinary aid to grasping the central visions and to being grasped by them Albrecht Durer's woodcuts are incorporated together with an introduction that describes both the Seer of Patmos and the artist of Nuremberg and gives a very brief overview of various ways of reading these texts fundamentalist mainline liberation It is followed by a commentary on the book of Revelation accompanied by and keyed to the woodcuts Ten letters from a Christ's Hospital boy. 1854-1862 Ten letters.1867 The Christ Letters Ellias Lonsdale, Theanna Lonsdale, 2012-12-11 Before she died Theanna then Sara Lonsdale developed a means to continue communication with her husband Ellias Her words from beyond death s doors first appeared in The Book of Theanna an introduction to the many realms of consciousness Now Ellias has gathered and transcribed The Christ Letters a collection of detailed accounts of Theanna's encounters with the Christ presence transmitted at Christmas and Easter time over the course of several years Drawing deeply on the feminine aspect of consciousness and framing her discussion around the astrological qualities of each of the seven classical planets Theanna reexamines the figure of Christ and his teachings exploding the myths imposed on Christ by church based Christianity What emerges is an unusual and inspirational account of the journey each one of us must take from the darkest places of consciousness to eventual resurrection into the light of redemption Not just another account of life after death nor a channeled book in the usual sense The Christ Letters enacts a virtually ignored method of spiritual communication Theanna s principal goal is to make her process available collectively so that from this point on people will discover inside their own strength of being a Christ presence something unexpected and wildly unknown **Dictionary of Paul and his letters** GERALD F HAWTHORNE, RALPH P MARTIN, DANIEL G REID, 2020-05-21 The Dictionary of Paul and his letters is a one of a kind reference work Following the format of its highly successful companion volume the Dictionary of Jesus and the Gospels this Dictionary is designed to bring students teachers ministers and laypeople abreast of the established conclusions and significant recent developments in Pauline scholarship No other single reference work presents as much information focused

exclusively on Pauline theology literature background and scholarship In a field that recently has undergone significant shifts in perspective the Dictionary of Paul and His Letters offers a summa of Paul and Pauline studies In depth articles focus on individual theological themes such as law resurrection and Son of God broad theological topics such as Christology eschatology and the death of Christ methods of interpretation such as rhetorical criticism and social scientific approaches background topics such as apocalypticism Hellenism and Qumran and various other subjects specifically related to the scholarly study of Pauline theology and literature such as early catholicism the centre of Paul s theology and Paul and his interpreters since F C Baur Separate articles are also devoted to each of the Pauline letters to hermeneutics and to preaching Paul today The Dictionary of Paul and His Letters takes its place alongside the Dictionary of Jesus and the Gospels in presenting the fruit of evangelical New Testament scholarship at the end of the twentieth century committed to the authority of Scripture utilising the best of critical methods and maintaining dialogue with contemporary scholarship and challenges Letters Exhibiting the Most Prominent Doctrines of the Church of Jesus Christ of Latter-day facing the church Saints Orson Spencer, 1874 Letters to My Friends from Christ Chi Charlie Chi, Charlie Chi, 2010-02 Even after 2000 years has passed since Jesus died on the Cross there is still a good deal of debate regarding the authenticity of his teaching Many scholars argue that much of the New Testament cannot be trusted and many people are not totally convinced with the current interpretation of the Old Testament many people are torn and divided between atheism and belief My Opinions on the Bible by Jesus introduces the new interpretation of the Old Testament and presents somewhat different pictures of Jesus teaching and life Whether this story is a mere fiction or a story based on real communion with the spirit of Jesus during the author's prayers can be only determined by each individual reader alone **Christian Letters** Benny Tucker, 2013-06-28 As you read this book you find yourself on a journey to the beginning looking at Adam and Eve learning the end by knowing the beginning Bible and Science working together to answer questions most people won t ask Who is God Can we know Him The Letters of John Colin G. Kruse, 2020-05-14 Based on Read and find out about things you thought you knew but didn t the latest text of the NIV this updated commentary reflects the most current scholarship This updated and revised Pillar commentary seeks to clearly explain the meaning of the letters of John to teachers pastors and general readers looking for a reliable and trusted resource for personal study Colin Kruse introduces the important issues involved in interpreting the Johannine letters gives verse by verse comments and provides extensive discussion of major theological themes including the real humanity of Christ atonement the role of the Spirit Christian assurance koin nia Christian love and eternal life The Pillar New Testament Commentary designed for serious readers of the Bible seeks above all to make clear the meaning of the text of Scripture as we have it Writers of the PNTC volumes interact with the most important informed contemporary debate yet avoid undue technical detail Their ideal is a blend of rigorous exegesis and exposition scholarship and pastoral sensitivity with an eye alert both to biblical theology and to the contemporary relevance of the Bible Life Letter Mark

Martin, 2015-01-02 What is a Life Letter How is it written How does your letter read These are the guiding questions in this book Life Letter is a book about our lives as letters written by Jesus Christ and read by others The idea for the book is based on the Apostle Paul's words in 2 Corinthians 3 2 3 He writes You yourselves are our letter written on our hearts known and read by everybody You show that you are a letter from Christ the result of our ministry written not with ink but with the Spirit of the living God not on tablets of stone but on tablets of human hearts As disciples of Jesus Christ we are letters written by him to the world We are known and read by everybody with whom our lives intersect God wants our letters to give them a glimpse of his grace and its power to transform their lives Even if you re not a follower of Jesus Christ this book is for you especially the first three chapters Read with an open heart and mind allowing the Holy Spirit to lead you into a relationship with Jesus Christ Let God be the writer of your Life Letter Gallitzin's Letters Demetrius Augustine Gallitzin,1940 Christ in the Letters of Paul Hendrikus Boers, 2012-02-14 This study addresses the centrality of Christ in Paul s thought recognizing at the same time that he does not express the meaning of Christ as an existing teaching Christ as a person not a teaching determines Paul s thinking for himself and in his reasoning with his readers Christ comes to expression in Paul as the explication of the fundamental reality for himself and for his readers He develops his thoughts about Christ in each case anew as expressions of the Lord who determines his life and the lives of his readers In his reasoning with his readers he expects them to become aware of Christ as the one who determines them in their new lives as believers Beholding Jesus John D.
