## Letters From Jerusalem:

**Letters from Jerusalem, 1947-1948** Zipporah Porath, 1987 A collection of letters by American Jewish immigrant Zipporah Porath in which she describes her experiences on the way to Israel and during the Israeli War of Independence She wrote these letters mainly from Jerusalem *Letters from Jerusalem* Mary Clawson, 1957 **Letters from Jerusalem** Şippôrâ Pôrât, 1987 *Letters from Jerusalem* Shimshon Tselniker, 2007 The prime purpose of the Letters from Jerusalem was to inform the Friends of the Van Leer Institute in Chicago P 3 *Letters and Communities* Paola Ceccarelli, Lutz Doering, Thorsten Fögen, Ingo Gildenhard, 2018-08-16 The writing of letters often evokes associations of a single author and a single addressee who share in the exchange of intimate thoughts across distances of space and time This model underwrites such iconic notions as the letter representing an image of the soul of the author or constituting one half of a dialogue However justified this conception of letter writing may be in particular instances it tends to marginalize a range of issues that were central to epistolary communication in the ancient world and have yet to receive sustained and systematic investigation In particular it overlooks the fact that letters frequently presuppose and were designed to reinforce communities or indeed to constitute them in the first place This volume explores the interrelation of letters and communities in the ancient world examining how epistolary communication aided in the construction and cultivation of group identities and communities whether social political religious ethnic or philosophical A theoretically informed Introduction establishes the interface of epistolary discourse and group formation as a vital but hitherto neglected area of research and is followed by thirteen case studies offering multi disciplinary perspectives from four key cultural configurations Greece Rome Judaism and Christianity The first part opens the volume with two chapters on the theory and practice of epistolary communication that focus on ancient epistolary theory and the unavoidable presence of a letter carrier who introduces a communal aspect into any correspondence while the second comprises five chapters that explore configurations of power and epistolary communication in the Greek and Roman worlds from the archaic period to the end of the Hellenistic age Five chapters on letters and communities in Ancient Judaism and Early Christianity follow in the third part before the volume concludes with an envoi examining the trans historical or indeed timeless philosophical community Seneca the Younger construes in his Letters to Lucilius **Dictionary of Paul and His Letters** InterVarsity Press, 2023-04-11 In this thoroughly revised and updated edition of a classic reference work topics like Christology justification and hermeneutics receive careful treatment by trusted specialists New topics like politics patronage and different cultural perspectives expand the volume s breadth and usefulness for scholars pastors and students today **Letters from Jerusalem - Primary Source Edition** Mary Clawson, 2014-02-21 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as

Bentwich,2000-01-24 Living in Palestine as the wife of the British Attorney General Helen Bentwich was immersed in the politics and society of the early years of the British Mandate Despite her connections she remained in some ways an outsider a critical observer writing candid weekly letters to her mother that give insight into the cauldron of races and traditions the intolerance and the idealism that lie behind the history of 20th century Palestine and the foundation of the state of Israel The selection of her letters in this book mixes political comment with details of personal life and gossip The gossip reveals a society that has gone but the political and religious problems are familiar today Her family were well aware of the situation in Palestine and she wanted to amuse rather than alarm them but the frustrations and worries break through the letters superficial cheerfulness to provide a picture of the period      **Paul and His Letters** John B. Polhill,1999 Except for Christ
