Alfred Robert Clare Leaney

Letters Of Peter And Jude:

The Letters of Peter and Jude Raymond C. Kelcy, 1972 *The Letters of 2 Peter and Jude* Peter H. Davids, 2006-09-19
Filling a notable gap in scholarship on 2 Peter and Jude Peter Davids artfully unpacks these two neglected but fascinating epistles that deal with the confrontation between the Greco Roman world and the burgeoning first century Jesus communities Davids firmly grasps the overall structure of these oft maligned epistles and presents a strong case for 2 Peter and Jude as coherent consistent documents Marked by exceptional exegesis and sharp independent judgments Davids s work both connects with the latest scholarship and transforms scholarly insights into helpful conclusions benefiting Christian believers

The Second Epistle General of Peter, and the General Epistle of Jude Michael Green, 1987 Green s study of 2 Peter and Jude constitutes one volume in the Tyndale New Testament Commentaries a popular series designed to help the general Bible reader understand clearly what the text actually says and what it means without undue recourse to scholarly technicalities The Letters of Peter and Jude A. R. C. Leaney, 1966-10 This series of commentaries on the New English Bible is designed for use in schools and colleges and for the minister and the layman Each volume comments on one book or part of the Bible In each the text is given in full Sections of text and commentary alternate so that the reader does not have to keep two books open or turn from one part of the book to the other or refer to a commentary in small type at the foot of the page Great care has been taken to see that the commentary is suitable for the student and the layman there is no Greek or Hebrew and no strings of biblical references The general editors all have experience of teaching or examining in school and working with adults Commentaries on all the books of the Old Testament New Testament and Apocrypha have been published together with introductory volumes and books of illustrations to accompany each Testament *The Letters of Peter and Jude* Alfred Robert Clare Leaney, 1967 The Letters of Peter and Jude A. R. C. Leaney, 1967 *The Theology of the Letters of James, Peter, and Jude* Andrew Chester, Ralph P. Martin, 1994-09-08 The letters of James 1 and 2 Peter and Jude are among the most neglected parts of the New Testament for they lack the immediacy and specificity of the Pauline letters The authors of this study seek to remedy such neglect they set the letters in context examine their major themes and argue that they are important both for the theology of the New Testament generally and for contemporary discussion about the nature and character of Christian faith today **Epistles of Peter and Jude** J. N. D. Kelly, 1990-12-31 This is part of a series of modern commentaries based on new English translations made by their respective editors While adhering strictly to sound scholarship and doctrine they intend above all to bring out the theological and religious message of the New Testament to the contemporary Church The Letters of Peter & Jude Dr. William Barclay, 1959* *The Second Epistle General of Peter, and the General Epistle of Jude* Michael Green, 1968 *The Epistles General of Peter with the Epistle of Jude* G. F.C. Fronmuller, 2007-05-01 Presented here in paperback for the first time is John Peter Lange s Theologischhomiletisches Bibelwerk Intended to help preachers prepare sermons the commentary series is essentially

biblical and evangelical catholic This nineteenth century commentary has served as a standard reference for more than a century Many early reviewers regarded Schaff s edition with his additional material as superior to the original It has proven to be a complete and useful commentary and continues to prove especially valuable to ministers It contains critical annotations of the text and its translation and a threefold commentary exegetical doctrinal and homiletical Under these three heads the text is viewed from every aspect

Reading 1 Peter, Jude, and 2 Peter Earl Richard,2000 This volume is dedicated to the study of three late little known biblical works that historically have been relegated to the lesser works of the New Testament Reading 1 Peter Jude and 2 Peter underscores the light that these letters shed upon one another and focuses on the snapshots they provide of early Christian communities as they encountered the social and religious environment in which they were situated Careful reading of 1 Peter reveals the complex world of the post apostolic period Jude and 2 Peter provide a sober look at the early community s evolution in doctrinal and moral terms

The Letter of Jude and the Second Letter of Peter Jörg Frey,2018 Too small to be important too different to be trusted The New Testament s Catholic letters have suffered neglect when compared to the attention lavished upon Jesus the Gospels and Paul Jude and 2 Peter especially have been ignored J rg Frey remedies this dearth with this full scale commentary on Jude and 2 Peter Frey s meticulous sustained verse by verse interpretation highlights the theological achievements of the two canonical writings without sidestepping any of the open historical and literary questions plaguing these two pseudepigraphal letters The Letter of Jude and the Second Letter of Peter investigates the historical location of the two writings the literary context the shape of their arguments and the profile of the respective opponents that are the central concern of each epistle The analysis also explores Jude and 2 Peter s use of biblical Second Temple Jewish and apocalyptic traditions the long recognized interrelation between the two letters and the difficult text critical issues that haunt both Frey s careful interpretation points to the theological work each letter performs Jude takes part in a critical debate within the Pauline and post Pauline communities while 2 Peter becomes a testimony to the theological discussions of the second century Far from insignificant or irrelevant the epistles provide invaluable insight into the growth and consolidation of early Christian tradition With this groundbreaking commentary Frey rightly draws our attention back to these texts important role within the canon and early Christianity

The Epistles of St. Peter and St. Jude Martin Luther,2022-11-13 The Epistles of St Peter and St Jude provide a critical and exegetical commentary on the foundation of faith by Martin Luther On the great subject of justification by faith alone Luther is here full and emphatic The relation of faith to works is clearly and carefully defined while the subjects presented in the text afford full opportunity for discussing the great questions that concern the relative duties of civil and social life

I & II Peter and Jude Lewis R. Donelson,2010-01-01 The letters of First and Second Peter and Jude are often neglected but they have much wisdom to offer With this volume Lewis Donelson integrates historical critical concerns with theological issues illustrating how many of the matters facing early Christian communities and how they chose to deal with them remain

relevant to contemporary readers From publisher s description 1 & 2 Peter, Jude Steve Brestin, Dee Brestin, 2000-03-07
