LETTERS AND PAPERS
FROM PRISON

"As we pass from page to page, we become acquainted with a spirit that is completely free from fear, from perturbation, from hatred, vain-glorious, and self-pity." *Manchester Guardian*

"Marked not only by the profound reality of his religious mind, but also by a wide sympathy to life." *The Times Literary Supplement*

"Bachmayer was one of Germany's Christian martyrs. . . . These documents, written in prison, scarcely touch his personal tragedy. They are conversations with the soul—self-searching, compassionate, even humorous. In terms of religious thought, there is much that is original." *Spectator*

Letters Papers From Prison:

Letters and Papers from Prison Dietrich Bonhoeffer, Isabel Best, John W. de Gruchy, Lisa E. Dahill, 2010-06-01 Despite Dietrich Bonhoeffer's earlier theological achievements and writings it was his correspondence and notes from prison that electrified the postwar world six years after his death in 1945. The materials gathered and selected by his friend Eberhard Bethge in *Letters and Papers from Prison* not only brought Bonhoeffer to a wide and appreciative readership especially in North America they also introduced to a broad readership his novel and exciting ideas of religionless Christianity his open and honest theological appraisal of Christian doctrines and his sturdy if sorely tried faith in face of uncertainty and doubt. This splendid volume in many ways the capstone of the Dietrich Bonhoeffer Works is the first unabridged collection of Bonhoeffer's 1943-1945 prison letters and theological writings. Here are over 200 documents that include extensive correspondence with his family and Eberhard Bethge much of it in English for the first time as well as his theological notes and his prison poems. The volume offers an illuminating introduction by editor John de Gruchy and an historical Afterword by the editors of the original German volume Christian Gremmels Eberhard Bethge and Renate Bethge. **Dietrich**

Bonhoeffer's Letters and Papers from Prison Martin E. Marty, 2011-02-07 From National Book Award winning author Martin Marty the surprising story of a Christian classic born in a Nazi prison cell. For fascination influence inspiration and controversy Dietrich Bonhoeffer's *Letters and Papers from Prison* is unmatched by any other book of Christian reflection written in the twentieth century. A Lutheran pastor and theologian Bonhoeffer spent two years in Nazi prisons before being executed at age thirty nine just a month before the German surrender for his role in the plot to kill Hitler. The posthumous *Letters and Papers from Prison* has had a tremendous impact on both Christian and secular thought since it was first published in 1951 and has helped establish Bonhoeffer's reputation as one of the most important Protestant thinkers of the twentieth century. In this the first history of the book's remarkable global career National Book Award winning author Martin Marty tells how and why *Letters and Papers from Prison* has been read and used in such dramatically different ways from the cold war to today. In his late letters Bonhoeffer raised tantalizing questions about the role of Christianity and the church in an increasingly secular world. Marty tells the story of how in the 1960s and the following decades these provocative ideas stirred a wide range of thinkers and activists including civil rights and antiapartheid campaigners death of God theologians and East German Marxists. In the process of tracing the eventful and contested history of Bonhoeffer's book Marty provides a compelling new perspective on religious and secular life in the postwar era. **Dietrich Bonhoeffer's Letters and Papers**

The Cambridge Companion to Dietrich Bonhoeffer John W. de Gruchy, 1999-05-13 This Companion serves as a guide for readers wanting to explore the thought and legacy of the great German theologian Dietrich Bonhoeffer. 1906-45 The book shows why Bonhoeffer remains such an attractive figure to so many people of diverse backgrounds. Its chapters, written by authors from differing national, theological, and church contexts, provide a helpful introduction to and commentary on Bonhoeffer's life, work, and writing, and so guide the reader along the complex paths of his thought. Experts set out comprehensively Bonhoeffer's political, social, and cultural contexts and offer biographical information which is indispensable for the understanding of his theology. Major themes arising from the theology and different interpretations lead the reader into a dialogue with this most influential of thinkers who remains both fascinating and challenging. There is a chronology, a glossary, and an index.

The Aesthetics of Discipleship Adrian Coates, 2021-09-30 Discipleship is embodied. Formation in the Christian life is not an otherworldly exercise but one that plays out in this world, interwoven with everyday sensory experience in ordinary life. *The Aesthetics of Discipleship* explores this dynamic through Kierkegaard's framing of aesthetic existence: the sensory experience of being in the moment, further developed by Bonhoeffer as operating within a realm of freedom encompassing not only art but play, friendship, and cultural formation. In addition to Kierkegaard and Bonhoeffer, the work of Iain McGilchrist, Graham Ward, and Nicholas Wolterstorff is employed to offer a fresh perspective on discipleship from below. Everyday sensory experiences are integral not only to being human but to the practice of discipleship, such that discipleship integrates aesthetic, ethical, and religious existence. Aesthetic existence, unhinged from a life of faith or fueled by distorted Christendom, creates and sustains aestheticized pseudorealities centered on the self. Mature aesthetic existence, however, anchored in love for God, plays a fundamental role in the Christian life, both as the incarnational celebration of being fully human and also through the preconscious formation of imaginaries by which we live.

Unconscious Christianity in Dietrich Bonhoeffer's Late Theology Eleanor McLaughlin, 2020-03-27 In the last years of his life, Dietrich Bonhoeffer began work on an idea that he called *unbewusstes Christentum*, unconscious Christianity. While Bonhoeffer's other ideas from this period have been extensively studied and are important in the field of theology and beyond, this idea has been almost completely ignored. For the first time in Bonhoeffer scholarship, Eleanor McLaughlin provides a definition of unconscious Christianity based on a close reading and analysis of the texts in which Bonhoeffer mentioned the term. From a variety of surviving texts, from a scribbled marginal note in his *Ethics* manuscript to the fiction he wrote in prison, she constructs a detailed definition of unconscious Christianity that sheds light not only on Bonhoeffer's late work but his theological development as a whole.

but it's grounded in bad theology as well. The propositional truth claims imply that if you accept the argument you must accept the Christian faith too. Instead of this triumphalist understanding of Christian truth, Rosario argues for a broken and contrite Christian theology that can help make sense of a fractured world. Realizing that fragments of truth are often all we have, he points out that the search for the truth of God and the self will most often be found while engaged in the struggle for justice. Theological Fragments is not another set of strategies for how to win back millennials. Rather, it provides a foundational theological vision necessary to the work of inviting the nones to hear the gospel afresh. Eberhard Jüngel and Existence Deborah Casewell, 2021-05-30

This book interrogates the contemporary Lutheran theologian Eberhard Jüngel's theological anthropology, arguing that Jüngel's thought can provide a model for theological engagement with philosophical accounts of existence. Focusing on Jüngel's theology of existence, the author explores the thought of philosophers including Heidegger and Hegel, their influence on and application to his theology, and argues that Jüngel's account of humanity should be seen as a response to atheistic existentialist accounts of existence. In showing how Jüngel's theology is informed by and dependent on philosophical thought, this book provides a new lens on the interplay between philosophy, theology, and religion in twentieth-century German thought. It will be of particular interest to researchers in philosophy, theology, and philosophy of religion.

Recovering the Ecumenical Bonhoeffer Javier A. Garcia, 2019-10-14 In *Recovering the Ecumenical Bonhoeffer*, Javier Garcia explores the possibilities for Dietrich Bonhoeffer's theology to revitalize interest in the ecumenical movement and Christian unity today. Although many commentators have lamented the waning interest in the ecumenical movement since the 1960s, the celebration of the 500th anniversary of the Protestant Reformation in 2017, coupled with recent inroads such as the ecumenical efforts of Pope Francis, have opened new possibilities for the ecumenical project. In this context, Garcia presents Bonhoeffer as a helpful model for contemporary ecumenical dialogue. He finds important points of convergence between Bonhoeffer and Calvin, thereby establishing potential areas of rapprochement between the Lutheran and Reformed traditions. Beyond examining the state of ecumenism and unfolding the ecumenical promise of Bonhoeffer's thought, Garcia assesses the future of ecumenical engagement in a secular age. Altogether, he proposes a recovery of the ecumenical Bonhoeffer for envisioning new possibilities for church unity in our day.
