are remarkable and show clearly what a devout and accomplished woman your mother was They are wise and devotionally rich and may deserve a wider readership From the Preface Dr Johnson continued Their literary quality was outstanding More importantly they were filled with sound shrewd bold Biblical counsel for her boys particularly in the years between the beginning of college and the birth of Si and Suzannes first child Carey I wanted to read more and became convinced that others particularly parents could benefit from hearing the strong counsel of a Christian mother to her beloved sons From the Foreword
