**Gentleman's Magazine: and Historical Chronicle** ,1806 **Falling in Love With Darkness** Osho,2019-06-15 We have polluted our planet Earth with light Light pollution excessive and obtrusive artificial light with bright neon and LED lights in our cities and in our personal space continuously illuminated and artificial has removed something incredibly valuable from our lives and at the same time affected our ability to sleep rest and relax Falling in Love with Darkness is Osho s attempt to bring us again in contact with darkness but here in a spiritual and psychological context Why do we desire light he asks Why do we hanker so much for light Perhaps we never realize that the desire for light is a symbol of the fear rooted within us it is a symbol of fear We want light so that we can become free of that fear The mind is afraid in the dark The fear of darkness is based on the fear of being alone the fear of being alone comes together with the fear of darkness Darkness has its own bliss without falling in love with darkness you will be deprived of the capacity to love the great truths of life Next time you find yourself in darkness take a direct look into it and you will discover that it is not so frightening after all When darkness surrounds you become absorbed in it become one with it And you will find that darkness offers you something that light can never give you All the important mysteries of life are hidden in darkness These are talks by Osho given at a

meditation camp where he introduces people in a direct and practical way to an understanding of meditation as a way to get acquainted with darkness to re discover that darkness is peace relaxation and stillness all through the simple method of witnessing Meditation means discovering the one who is beyond all happening and has never been a part of anything **The Watchman's message** ,1877 **Hebrew Israelites** Antonio Emmanuel,2019-05-24 African Americans are 100% The Tribe of Judah According to the Bible Judah was specifically targeted by European Americans for the Transatlantic Slave Trade Once again we turn to the book of Isaiah Woe to the land shadowing with wings which is beyond the rivers of Ethiopia That sendeth ambassadors by the sea even in vessels of bulrushes upon the waters saying Go ye swift messengers to a nation scattered and peeled to a people terrible from their beginning hitherto a nation meted out and trodden down whose land the rivers have spoiled Isaiah 18 1 2 Of course skeptics will deny that America had any knowledge where the Hebrews were but European maps tell a completely different story Go back to the world map and consider how much coastline Africa has Either it s a coincidence that EVERY EUROPEAN MAP shows The Kingdom of Judah designated as The Slave Coast or it was intentional targeting to pass up every bit of African coast in order to call the Kingdom of Judah the Slave Coast Judah was not taken by accident It is the only place on the map designated for taking slaves Not only is it mentioned in the book of Isaiah but the book of Joel mentions that Judah was the focus as well The children also of Judah and the children of Jerusalem have ye sold unto the Grecians that ye might remove them far from their border Joel 3 6 There are other scriptures that also put the focus on Judah s slavery even though Israel in general was enslaved For your convenience here is a list of those verses for you to check out Jeremiah 30 3 Jeremiah 31 23 Jeremiah 32 44 Jeremiah 33 7 Lamentations 1 3 Ezekiel 25 3 Hosea 6 11 Joel 3 1 Zephaniah 2 7 If you re unfamiliar with the Psalms 83 conspiracy to hide Israel erase the memory of them and make everyone forget who the true chosen people are then you should read my studies The Lost Tribes of Israel Where They Are Today and How They Got There and Replacement Theology Did The Church Replace The Nation of Israel In order for Europeans to pull off something as major as relocating and erasing a group of people from history they needed the following They needed to take Hebrews to a land where nobody knew who they were They needed to take Hebrews to a land where they could be kept without walls They needed to strip their culture language and religion for generations They needed to split up families so that their history was lost completely What Europeans did to Judah and the rest of Israel was systematic and intentional cultural destruction Welcome To The New World Once the evil European slave traders had Judah in their sights the only place on the planet they could take them was the United States Native Americans were being slaughtered by Europeans invaders over their land and they had no idea who the Hebrews were They were too busy trying to avoid genocide After causing the death of MILLIONS of Hebrews during their transport to America Europeans began the systematic destruction of Israel as a nation Hebrew names were changed to European names If God Is Love, Don't Be a Jerk John Pavlovitz,2021-09-28 Thou Shalt Not Be Horrible Imagine for a moment what the world might look like if we as people of

faith morality and conscience actually aspired to this mantra What if we were fully burdened to create a world that was more loving and equitable than when we arrived What if we invited one another to share in wide open fearless spiritual communities truly marked by compassion and interdependence What if we daily challenged ourselves to live a faith that simply made us better humans John Pavlovitz explores how we can embody this kinder kind of spirituality where we humbly examine our belief system to understand how it might compel us to act in less than loving ways toward others This simple phrase Thou Shalt Not Be Horrible could help us practice what we preach by creating a world where spiritual community provides a sense of belonging where all people are received as we are the most important question we ask of a religious belief is not Is it true but rather is it helpful it is morally impossible to pledge complete allegiance to both Jesus and America simultaneously the way we treat others is the most tangible and meaningful expression of our belief system In If God Is Love Don t Be a Jerk John Pavlovitz examines the bedrock ideas of our religion the existence of hell the utility of prayer the way we treat LGBTQ people the value of anger and other doctrines to help all of us take a good honest look at how the beliefs we hold can shape our relationships with God and our fellow humans and to make sure that love has the last loudest word
