Monnett Family Genealogy ,1911 Voss v. Lippert, 124 MICH 31 (1900) , **The Queen and I** Sydney L. Iaukea,2012

The Queen and I will be a very important contribution to historical and political literature on early twentieth century Hawai i But through its intensely personal narrative it could have an even greater impact on the way people look at history Sydney Iaukea weaves archival information into a story about a well known historical figure while demonstrating the impact of these archival voices on herself In this way she binds herself to her ancestor and allows him to speak through her showing how an ancient value can be a new methodology for Native writers in indigenous studies Jonathan Kay Kamakawiwo ole Osorio author of Dismembering Lahui A History of the Hawaiian Nation to 1887 Raised in Maui s housing projects Sydney Iaukea discovers as an adult that she is the direct descendent of Curtis P Iaukea a prominent statesman and trusted adviser to Queen Lili uokalani the Hawaiian Kingdom s last ruling monarch In this courageous work she documents her dual quest to recover her lost lineage and her ancestor s historical importance Revealing the continuity between public and private personal and historical Sydney Iaukea s compelling narrative brings her readers face to face with Lili uokalani during the tragic days of her overthrow Mary Palevsky author of Atomic Fragments A Daughter s Questions For those of us born and raised in Hawai i Sydney Iaukea s work sheds light on a period of time about which we still know too little the overthrow of Hawai i s sovereign government and its forcible annexation to the U S This is a compelling narrative driven by the mystery of a girl growing up poor unaware of her distinguished lineage How could this disconnect have occurred Through the exploration of memories embedded in the landscape Iaukea ultimately links displacement dispossession and familial strife to Hawai i s troubled history with the U S Iaukea is to be commended for her honest and open heart Matthew M Hamabata Executive Director The Kohala Center **New York Supreme Court** ,1906 *The Prophets and the Goddess* Dionysious Psilopoulos,2017-11-06 This text discusses how W B Yeats Aleister Crowley Ezra Pound and Robert Graves had access to the forbidden knowledge of the Goddess These four poets experienced a confrontation with their unconscious and let the grace of the Goddess touch their heart strings Consequently through this surrendering they created avant garde poetry and were inspired to write seditious manifestos that would teach humanity an esoteric creed This creed based on humans eternal divine essence aspires to liberate the eternal feminine These poets became the instruments of the Goddess As defenders of the Light they took arms against the forces of inertia and proclaimed the eleusis of a new faith This creed pledges to overthrow the anachronistic religious and social institutions and initiate a new world order and a new divinity based on the ancient rites of the Great Goddess No matter how disparate these four were in character they shared the vision of transmitting esoteric knowledge to profane humanity They were specifically chosen by the Goddess as Her troubadours and they pave Her way to the religious consciousness of the people **Documents of the Assembly of the State of New York** New York (State).
