Hall,2021-11-04 *Letters from Moscow* A Soul's Journey of Love is a gripping heartrending tale about the bounds of human love empathy and compassion A young woman loses her faith in God and humanity after suffering the tragic deaths of three close people in her life Embittered by grief and the circumstances of her struggling lot as a server and caregiver for her ailing mother she aims to change her future through a Faustian bargain with a much older man Ignoring the moral implications of such a perilous path to success and comfort she takes her studies abroad to St Petersburg Russia where she attends a university to gain her PhD When almost in grasp of her goal Exillien's soul is tested as tragedy strikes her life again after witnessing the scene of a brutal murder involving her host family Hoping to escape the trauma of that incident and refusing to help she flees to Moscow to resume her studies at another university Upon landing in her new environment she is suddenly plagued by a mysterious illness Stopped in her tracks by fate she begins to recount the story of her life through soul baring letters to a man with whom she has fallen hopelessly in love Through deep introspection she reveals the tragic events that closed her heart against the Lord and her fellow man along with her innermost secrets Grappling with vertigo and her newfound fragility by herself in the busy city of Moscow she finds empathy in her encounters with the Russian people with whom she develops an enduring kinship Her spiritual awakening and redemption come when she finds the courage to face her fears and transcends her impossible love Cleansed by Christ's compassion and a new vision the beauty of her soul is revealed
