

# A Letter From Heaven

*When tomorrow starts without me,  
and I'm not here to see,  
If the sun should rise and find your eyes,  
filled with tears for me.*

*I wish so much you wouldn't cry,  
the way you did today,  
While thinking of the many things,  
we didn't get to DO.*

*I know how much you love me,  
as much as i love you.  
And each time you'll think of me,  
I know you'll miss me to.*

*When tomorrow starts without me,  
don't think we're apart,  
for every time you think of me,  
I'm right there in your heart*

[On Life After Death.] Translated from the Fourth German Edition** Letters, 1886     **Letters From Heaven** Gloria Enriquez, 2019-04-25 This book is about a new baby who is writing a letter to their future parents The child is having a conversation with their new parents Nanas and Papas aunties uncles foster parents blended families sisters brothers and family friends The baby is sending the letters from Heaven The child is letting the family know what a new baby needs how they should be raised and how the expectant mother should take care of herself for the new baby being sent from Heaven God has let the baby know that He God is sending this family a new member God has chosen this family and these people to raise this child God is entrusting this family each and every one to help raise this child God is picking them for special reasons He is lending them this child because He has faith they will do a wonderful job helping this child grow up and become an amazing person and make a big difference in this world Every child is a blessing a miracle has a purpose and has a reason to be here     *The Apocryphal Sunday* Uta Heil, 2023-10-17 A range of apocryphal and pseudepigraphic texts from Late Antiquity points to the importance of Sunday as a holiday for baptized Christians First and foremost is the so called Letter from Heaven which has experienced a broad and long lasting reception up to modern times although it was also criticized as a forgery from its beginning Unfortunately these texts have not received sufficient attention so far This volume presents various versions of the Letter from Heaven as well as other texts the pseudepigraphic Acts of the Synod of Caesarea pseudepigraphic sermons of Eusebius of Alexandria John Chrysostom and Basil of Caesarea passages from the Didascalia or Diataxis of Jesus Christ the Second Apocryphal Apocalypse of John the Visio Pauli a sermon of Sophronius of Jerusalem and the Apocalypse of Anastasia together with a translation and commentary An introduction tells the story of this letter and integrates it and the other texts into the cultural history of Sunday It becomes clear that Sunday as a day of rest and a feast day was not in the foreground of the development of an ecclesiastical festival calendar for a long time although Emperor Constantine enacted a law on holiday rest on Sunday in 321 CE Sunday rather marks the end of the Christianization of time and the calendar when Easter Pentecost Christmas and martyrs feasts were already taken for granted The authors of these texts obviously wanted to accelerate this process which is why an anonymous person even resorted to presenting Christ himself as the author of this letter Here severe punishments are threatened to all who do not observe Sunday who work as if it were a weekday and who skip worship The broad tradition shows that the letter was read and distributed despite all the criticism and was even turned into an early form of a chain letter     **Letters From Turkey**

Keleman Mikes, 2018-10-24 First published in 2000 Letters from Turkey considered the best Hungarian prose of the eighteenth century is written by Kelemen Mikes a Transylvanian nobleman who went into exile with Ferenc Rakoczi II the Prince of Transylvania after the War of Independence in 1704-1711 in which the Prince fought to preserve independent Transylvania. The Prince and his entourage spent some years in France and were then invited to Turkey by Sultan Ahmed III going there in 1717. Some of the party eventually left but like Rakoczi Mikes spent the rest of life in exile in Turkey. This memoir had a considerable vogue in Transylvania at the time and Mikes writes in a well established tradition. The 207 letters never before translated from Hungarian were addressed over some forty years to an aunt in Constantinople. In them Mikes speaks of the Hungarians daily life their hopes and disappointments and of current events in Turkey and beyond he describes the deaths of some of the party including that of the Prince himself. He also gives an account of a military campaign along the Danube and an embassy to Moldova ranging over religious historical and philosophical topics and recounting numerous anecdotes. All the while his patriotic feelings never leave him nor does his affection not unblinkered for his Prince. The last letter written four years before his death sees him become head of the Hungarian community in Turkey last survivor of the original band of Transylvanian nobles exiled to a far country.
