White Eagle, White Eagle (Spirit), Grace Cooke, 1959 *Ascended Master Dictations* Po Li, Po Li Po, 2001 It is the intention of the author to give a thumbnail sketch of the Ascended Masters and what they have to do with the evolution of man on this planet and beyond It is not within the scope of this book to present all material available upon this subject nor to attempt the entire picture for this there is a great wealth of genuine literature extant on the Ascended Masters and their teaching Included in this book are portions that are directly dictated through the author from various masters Some of these teachings may be identified while others may not It is up to the readers to discern for themselves the authenticity of the offering One

who is familiar with the teaching will recognize it I have spent 30 years studying these teachings and have come to know the Masters by their words and vibrations I can only hope that those of you who find these words interesting and useful will pursue the literature I have available a list of writers and writings which I know to be The Genuine Article This you must judge for yourselves You may find those on the web site or by emailing me In writing this book I do not claim to know or discuss the only way to contact the Masters However I do know that these methods work as I have successfully used them There may very well be other methods that work I can only speak from my personal experience and training under the Masters and their representatives in embodiment One statement from El Morya to me was an answer to my surprise at finding them in unexpected places was Do you not know that we are every where and that we work with all teachings and activities to the extent that they will allow us to enter in The Ascended Masters are the Elder Brothers and Sisters on The Path They have long been called too The Great White Brotherhood This title is partially representative of the times in which it was coined There have been many misunderstandings concerning white as racist and brotherhood as male specific This was never intended Perhaps in this day the title Ascended Masters is more gender neutral and more effective in the New World We live in a more balanced masculine and feminine time The name Great White Brotherhood is meant to be neither gender nor race exclusive and has no reference to color race or creed The Ascended Masters have all had physical 3rd dimensional bodies at one or more times in history They are an Order in Hierarchy and occupy seats on the Cosmic Councils with other Cosmic Beings It is our birthright to graduate from earth in the Initiation of the Ascension and take our place among the Ascended Masters Once we have balanced at least 51% of our personal karma completed our personal divine plan contract we are eligible to take Ascension The Author Li Po The Ascension Names and Terms Glossary Joshua David Stone, Sarayon Michael White, 2001-06-12 The Ascension Names and Terms Glossary is the only comprehensive Ascension Glossary that has been written at this time on the planet The Ascension Movement and Ascended Masters Teachings are one of the biggest and fastest Spiritual Movements on this planet The challenge is that for new intermediate and even advanced Masters and students there are an enormous number of terms and Masters to be defined and understood For the first time in this easy to understand book this has been done This is one of the few Glossaries on this planet that you can just pick up and read any place in the book and it will accelerate your Initiation and Ascension path enormously This book is literally must reading for all people on a Spiritual Path or Path of Initiation and Ascension A Beginner's Guide to the Path of Ascension Joshua David Stone, 1998-05-01 This Volume covers the basics of ascension clearly and completely from the spiritual hierarchy to the angels and star beings in Dr Stone s easy to read style From his background in psychology he offers a unique perspective on such issues as karma the transcendence of the negative ego the power of the spoken word and the psychology of ascension There are meditations and exercises to assist the reader in integrating the principles of ascension in a practical way The importance of developing all bodies the physical the etheric the astral and the mental as well as the higher monadic
