## Letters Of John Jude:

**The Letters of John and Jude** William Barclay, 2002-01-01 The letters of John and Jude deal with heretical teachings within the early church Here William Barclay uses his characteristically approachable writing style to offer fresh translations and compelling commentary on these texts For almost fifty years and for millions of readers the Daily Study Bible commentaries have been the ideal help for both devotional and serious Bible study Now with the release of the New Daily Study Bible a new generation will appreciate the wisdom of William Barclay With clarification of less familiar illustrations and inclusion of more contemporary language the New Daily Study Bible will continue to help individuals and groups discover what the message of the New Testament really means for their lives **Letters of John, Jude, the Revelation to**

**John** Julian Price Love, 1960 The Epistles of John and Jude H. A. Ironside, 1931 Originally published in 1931 T p verso

The Epistles of John, Jude, and the Book of Revelation Alexander Maclaren, 1910 The letters of John and Jude, 1994

*The Letters of John and Jude* Bible. N.T. Epistles of John. English. 1960. Barclay, William Barclay, 1962 *The Letters of John* Colin G. Kruse, 2020-05-14 Based on the latest text of the NIV this updated commentary reflects the most current scholarship This updated and revised Pillar commentary seeks to clearly explain the meaning of the letters of John to teachers pastors and general readers looking for a reliable and trusted resource for personal study Colin Kruse introduces the important issues involved in interpreting the Johannine letters gives verse by verse comments and provides extensive discussion of major theological themes including the real humanity of Christ atonement the role of the Spirit Christian assurance koin nia Christian love and eternal life The Pillar New Testament Commentary designed for serious readers of the Bible seeks above all to make clear the meaning of the text of Scripture as we have it Writers of the PNTC volumes interact with the most important informed contemporary debate yet avoid undue technical detail Their ideal is a blend of rigorous exegesis and exposition scholarship and pastoral sensitivity with an eye alert both to biblical theology and to the contemporary relevance of the Bible **Letters from the Pillar Apostles** Darian R Lockett, 2017-11-30 Rather than reading the Catholic Epistles in isolation from each other understanding their individual historical situations as the single determinative context for their interpretation this study argues that a proper understanding of these seven letters must equally attend to their collection and placement within the New Testament canon Resisting the judgment of much of historical critical analysis of the New Testament namely that the concept of canon actually obscures the meaning of these texts it is the canonical process by which the texts were composed redacted collected arranged and fixed in a final canonical form that constitutes a necessary interpretive context for these seven letters This study argues that through reception history and paratextual and compositional evidence one can discern a collection consciousness within the Catholic Epistles such that they should be read and interpreted as an intentional discrete canonical sub collection set within the New Testament Furthermore the work argues that such collection consciousness though not necessarily in the preview of the original authors

being perhaps unforeseen yet not unintended is neither anachronistic to the meaning of the letters nor antagonistic to their composition

The Epistles of John, Jude and the Book of Revelation Alexander Maclaren, 1910 *Interpreting the Gospel and Letters of John* Sherri Brown, Francis J. Moloney, 2017-07-18 Accessible comprehensive and up to date Interpreting the Gospel and Letters of John is an ideal text for students new to the discipline of biblical studies Sherri Brown and Francis J. Moloney present a broad overview of the story of Christianity arising out of its Jewish foundations and proceed to guide readers expertly through the contents of the Gospel and Letters of John Maintaining that Johannine literature is best understood against the background of the Old Testament covenant metaphor Brown and Moloney focus on the central role of covenant in the narrative of John's Gospel and highlight the Evangelist's use of fulfillment language Helpful sidebars maps questions for review and further reading lists are placed throughout the text making this volume well suited for classroom use

**The Catholic Letters** Jose Maria Casciaro, 2005 Revised Standard Version Catholic Edition with Introduction and notes by theology staff of the University of Navarre Accompanied by New Vulgate Text

The Letters Of Jude and John Marc Wheway, 2023-06-23 We are living in an age where false teachings abound where many churches and their denominations make doctrinal decisions that go against the Word of God In The Letters of Jude and John prolific author Marc Wheway examines these letters as well as the warnings about false teachers These letters written more than two thousand years ago are as relevant today more than ever This book is a compilation of the letters of Jude and John 1 2 3 from the New Testament with reference to Second Peter These letters were written to early Christian communities to warn them about false teachers leading them astray and encourage them to stand firm in their faith In addition to emphasizing the importance of holding fast to the truth and loving one another Jude and John also spoke of the imminent return of Jesus Christ They warned their readers to be ready for His return and to live in a way that was pleasing to Him lest they be caught unprepared Similarly Second Peter emphasizes the need to be prepared for the return of Jesus Christ stating But the day of the Lord will come like a thief and then the heavens will pass away with a roar and the heavenly bodies will be burned up and dissolved and the earth and the works that are done on it will be exposed Since all these things are thus to be dissolved what sort of people ought you to be in lives of holiness and godliness waiting for and hastening the coming of the day of God because of which the heavens will be set on fire and dissolved and the heavenly bodies will melt as they burn 2 Pet 3 10 12 Together these letters provide a powerful reminder that the return of Jesus Christ is imminent and that we should live our lives in anticipation of this event They also emphasize the importance of remaining faithful to the Gospel's truth thus resisting false teachings This book is an essential resource for anyone seeking to deepen their understanding of these important biblical texts and their relevance to their lives in these last days

*Studies of the Letters of John & Jude* Dennis Dinger, 2013-03-12 These letters from the Apostle John and from Jude Jesus brother address the love of God encourage believers and warn of false teachers within the church 1 John is a great letter that seeks to clarify and solidify believers faith in Christ In it John

went into great detail about the love of God John's goal was to insure that all believers know that they know God 2 John 3 John and Jude encourage believers while warning of deceivers and evil workers who abound in these last days The solutions to dealing with such evil deceptions are to look to God and to build up one's faith as John explained in 1 John These are valuable letters for all Christians who are active servants of God and who await the soon return of the Lord Jesus Christ

**The Gospel and Letters of John, Volume 1** Urban C. von Wahlde, 2010-11-22 Urban von Wahlde's radically new three volume commentary on the Gospel and Letters of John is the most detailed study of the composition of the Johannine literature ever put forth by an American scholar Nearly all of the problems confronted by those who study John have to do with the literary strata of the Gospel of John and their relation to the composition of the Letters of John With an archaeologist's precision and engaging a whole range of scholarly contributions in this area von Wahlde digs down to the foundations and exposes three distinct literary strata in the development of the Johannine tradition Volume 1 gives detailed evidence identifying and listing the criteria for each stratum Volumes 2 and 3 apply those criteria to the Gospel and Letters of John respectively *Exploring the Letters of John & Jude* George R. Knight, 2009 The letters of John and Jude are a wake up call False teachers had infiltrated the church and introduced secular reasoning in place of apostolic teachings John and Jude wrote to their congregations not only to warn the faithful against the impostors but to emphasize true spirituality in the face of error and apostasy Its no surprise then that these four letters are of the utmost relevance to Christians today Johns first and second letters deal with issues central to a genuine Christian faith and life while the third provides a snapshot of the dynamics of at least one congregation in the A D 90s Jude confronts many of the same issues in his letter including the immorality that results from a denial of Christ This user friendly devotional commentary divides the entire text of these four letters into bite sized passages using a new translation by the author Each passage is followed by the exegetical meaning as well as the practical application for the lives of twenty first century believers Small study groups and individuals alike will benefit from this format and better understand Gods timely and very personal message Universal Letters William Angor Anderson, 2014 **A Structural Commentary on the So-Called Antilegomena** Kalina Wojciechowska, Mariusz Rosik, 2024-06-17 The structural approach facilitates exposure of the elements of eschatological teaching characteristic of 2 Peter's author with its correct or incorrect interpretation Narratives drawn from Jewish tradition aim to show two attitudes towards the announcement of destruction a positive attitude signifying salvation and a negative attitude signifying annihilation This pattern is transferred to the attitude towards prophetic and apostolic eschatological teaching Part 1 of the commentary 2 Pet 1 2 focuses on the misinterpretation of this teaching by false teachers and their followers Their eschatological scepticism is ridiculed and their grim fate described As the starting point for this description and Peter's whole line of argumentation 2 Pet 2 3b is taken the thesis is that God's inaction is only apparent while judgment and punishment are inevitable although only God knows when they will be executed Part 2 of the commentary 2 Pet 3 focuses on

the proper interpretation of this teaching and on laying out the principles of the letter author's hermeneutics This hermeneutic construes texts from Jewish tradition as foreshadowing and typologies of eschatological events In explaining the principles of his hermeneutic the letter's author drew on the creation story which Jewish apocalypticism read inversely to mark that the eschatological hermeneutics is rooted in tradition The starting point of Peter's line of argumentation was taken to be 2 Pet 3 5 7 with its thesis of God's creative and destructive word and God's sovereign will regarding the preservation of creation and the appointment of the time of judgement This thesis explains the apparent lack of divine action which was also a major concern in Part 1 of the commentary 2 Pet 1 2      Personal Letters Dan Betzer, 1982      **The Epistles of st John: the Gr. text with notes and essays by B.F. Westcott** John (st.), 1902      *Resetting the Origins of Christianity* Markus Vinzent, 2023-01-12 Interrogates standard interpretations of Christian origins handed down over the centuries
