Letters Of Robert Lowell:

The Letters of Robert Lowell Robert Lowell, 2007-03-20 These letters document the evolution of Lowell's work and illuminate another side of his life his deep friendships with other writers his manic depression his marriages to three prose writers and his involvement with the antiwar movement of the 1960s *Words in Air* Elizabeth Bishop, Robert Lowell, 2024-05-01 Three decades of correspondence between two great twentieth century American poets A brilliant testament to the pleasure and power of good company These two lifetimes of mutual admiration make for irresistible reading Oprah.com *Words in Air* takes its place amid the letters of Keats and Hopkins and Owen as one of the great poetic correspondences The Atlantic Robert Lowell once remarked in a letter to Elizabeth Bishop You have always been my favorite poet and favorite friend The feeling was mutual Bishop said that conversation with Lowell left her feeling picked up again to the proper table land of poetry and she once begged him Please never stop writing me letters they always manage to make me feel like my higher self I've been re-reading Emerson for several days Neither ever stopped writing letters from their first meeting in 1947 when both were young newly launched poets until Lowell's death in 1977 Presented in *Words in Air* is the complete correspondence between Bishop and Lowell The substantial revealing and often very funny interchange that they produced stands as a remarkable collective achievement notable for its sustained conversational brilliance of style its wealth of literary history its incisive snapshots and portraits of people and places and its delicious literary gossip as well as for the window it opens into the unfolding human and artistic drama of two of America's most beloved and influential poets The pleasures of this remarkable correspondence lie in the untiring way these poets entertained each other with the comic inadequacies of the world The New York Times Book Review *Words in Air* may be the only book of its precise kind ever published the lifelong correspondence between two artists of equal genius The New Yorker This volume takes its place along with the correspondence between Edmund Wilson and Vladimir Nabokov or Kingsley Amis and Philip Larkin as consummated examples of wit affection and indeed in the case of Bishop and Lowell love Boston Sunday Globe **The Dolphin Letters, 1970-1979** Elizabeth Hardwick, Robert Lowell, 2019-12-10 The correspondence between one of the most famous couples of twentieth century literature *The Dolphin Letters* offers an unprecedented portrait of Robert Lowell and Elizabeth Hardwick during the last seven years of Lowell's life 1970 to 1977 a time of personal crisis and creative innovation for both writers Centered on the letters they exchanged with each other and with other members of their circle writers intellectuals friends and publishers including Elizabeth Bishop Caroline Blackwood Mary McCarthy and Adrienne Rich the book has the narrative sweep of a novel telling the story of the dramatic breakup of their twenty one year marriage and their extraordinary but late reconciliation Lowell's controversial sonnet sequence *The Dolphin* for which he used Hardwick's letters as a source and his last book *Day by Day* were written during this period as were Hardwick's influential books *Seduction* and *Betrayal* *Essays on Women in Literature* and *Sleepless Nights* A Novel Lowell and Hardwick are acutely intelligent observers of marriages

children and friends and of the feelings that their personal crises gave rise to The Dolphin Letters masterfully edited by Saskia Hamilton is a debate about the limits of art what occasions a work of art what moral and artistic license artists have to make use of their lives as material what formal innovations such debates give rise to The crisis of Lowell's The Dolphin was profoundly affecting to everyone surrounding him and Bishop's warning to Lowell art just isn't worth that much haunts

Dear Elizabeth: A Play in Letters from Elizabeth Bishop to Robert Lowell and Back Again Sarah Ruhl, 2014-09-02 Between 1947 and 1977 Robert Lowell and Elizabeth Bishop exchanged more than four hundred letters Cataloging the composition of their poems their travel and daily routines the pyrotechnics of their romantic relationships and the profound affection they had for each other these letters are the most intimate record of both poets and one of the greatest correspondences in American letters Back cover One Art Elizabeth Bishop, 1995-09-30 A collection of over five hundred letters written by twentieth century American poet Elizabeth Bishop over the course of fifty years from 1928 to 1979 in which she shares the details of her life and art *Robert Lowell's Language of the Self* Katharine Wallingford, 2018-08-25 Katharine Wallingford's incisive study treats Robert Lowell's work as a poetry of self examination and explores the ways in

which he used methods common to psychoanalysis and other forms of psychotherapy in his poetry. Although he was never psychoanalyzed in a strictly Freudian sense, Lowell spent many years in psychotherapy. Wallingford stresses not the pathological aspects of Lowell's work, however, but rather his lifelong process of self-examination, a process with ethical as well as psychological dimensions. She links this process to the tradition of self-scrutiny that Lowell inherited from his New England Puritan ancestors. Through close readings of the poetry and of unpublished drafts of several poems as well as letters from Lowell to George Santayana, Allen Tate, and his cousin Harriet Winslow, Wallingford treats Lowell's use of specific psychoanalytic techniques: free association, repetition, concentration on the relation between the poet and the other to whom he addresses himself, and the use of memory to probe the past. The book considers as well the role the narrative plays in these psychoanalytic and poetic techniques. Lowell believed firmly in the identity of self and language, one life, one writing, and this study brings us closer to an understanding both of the poet and of his dense and moving poetry. It enriches our reading of Lowell's poetry by calling attention to the ways in which his poetic techniques are analogous to, and to some extent derived from, psychoanalytic techniques, techniques that have in our time become integrated into our culture as a whole. Robert Lowell's Imitations and the Cold War Simon van Schalkwyk, 2025-08-07. The first book-length study focusing on Robert Lowell's career, long preoccupation with the liberal mode of translational adaptation known as imitation. Robert Lowell's *Imitations and the Cold War* argues that Lowell's imitations are simultaneously symptomatic of and critically responsive to familiar nodes of Cold War ideology such as containment and contamination, secrecy and security, post-imperial U.S. expansion and Empire. It departs from studies focused solely on *Imitations* (1961), Lowell's book-length collection of translational adaptations, by demonstrating how imitation shadows Lowell's work from his earliest collections, *Land of Unlikeness* (1944) and *Lord Weary's Castle* (1946), through his celebrated mid-career collections, *Life Studies* (1959) and *For the Union Dead* (1964), and to later works such as *Near the Ocean* (1969) and his contributions of adaptations from the Russian of Anna Akhmatova and Osip Mandelstam collected in Olga Carlisle's anthology *Poets on Street Corners* (1967). Simon van Schalkwyk excavates the imitational substrate undergirding and informing Lowell's compositional method and poetic imagination throughout the course of his career. In so doing, he shows how imitation enacts at the level of form Lowell's restless investment in Cold War geopolitics and literary networks in ways that inform, develop, and complicate his more conventional canonization as an unquestionably American poet preoccupied solely and simplistically with personal or autobiographical modes of poetic confession. As literary sites at which containment's dualities, porosities, leakages, and contaminants are most clearly displayed, Lowell's imitations simultaneously challenge and develop our understanding of confession's presumably strict preoccupation.

with the personal regional and national frameworks through which Lowell has commonly been understood

The Letters of Robert Duncan and Denise Levertov Robert Edward Duncan, Robert J. Bertholf, Albert Gelpi, 2004 This volume presents the complete correspondence between two of the most important and influential American poets of the postwar period The almost 500 letters range widely over the poetry scene and the issues that made the period so
