The Letters of William Cullen Bryant William Cullen Bryant, 1975 In January 1872 Bryant traveled to Mexico City where he was greeted warmly by President Benito Juarez on this and other occasions he was feted for the Evening Post's sturdy condemnation in 1863 of the abortive invasion of Mexico which was freshly remembered there At the close of his visit a local newspaper remarked that the honors and hospitality which were so lavishly and generously conferred upon him were the spontaneous outpouring of a grateful people who had not forgotten that when Mexico was friendless Mr Bryant became her friend Returning in April through New Orleans and up the Mississippi by steamboat to Cincinnati he was greeted at a public reception by Governor Rutherford Hayes who was pleased by his winning and lovable manners and pithy anecdotes That spring Bryant built a library for his birthplace Cummington stocking it with several thousand books procured for him by the publisher George Palmer Putnam in New York and London The following year after the last of his many travels this time a revisit to South Carolina and Florida he made a similar gift to Roslyn These benefactions won him honorary membership in the newly formed American Library Association and an invitation to open a library at Princeton University which made him an honorary doctor of letters Ultimately in the final year of his life his plans for the Bryant Library at Cummington solicited from the White House by President Hayes provided the basic design for the first presidential library in the country that established by Hayes in Fremont Ohio An improbable by-product of the presidential race in 1872 was a proposal by leading journalists that Bryant become in his seventy eighth year a candidate to oppose President Grant and his challenger for the Republican nomination the mercurial editor of the New York Tribune Horace Greeley Bryant's immediate refusal to take the suggestion seriously was succinct and tinged with humor It was impossible he declared in his newspaper that he should receive the nomination and equally impossible if it were offered that he should commit the folly of accepting it Four years later he was distressed at being unable to switch his journal's support of the Republican candidate Hayes to the Democratic candidate his old companion in political reform Samuel Jones Tilden As Bryant approached and entered his eighties his writing and public speaking continued without slackening Between 1872 and 1878 he published his collected Orations and Addresses edited a revision of his anthology of poetry and two volumes of landscape sketches Picturesque America co
