## **Letters From A Long Illness With The World:**

*This Long Disease, My Life* Marjorie Hope Nicolson, George Sebastian Rousseau, 2015-12-08 When in his Epistle to Dr Arbuthnot Pope referred to this long disease my life his statement was quite literally true since Pope in addition to being a dwarf and a hunchback suffered from many diseases during his lifetime With technical advice from several physicians the authors present the first medical case history of the poet Drawing heavily upon the Correspondence for information about Pope s symptoms they discuss the effect ill health had on his writings and the prevalence of medical themes in his works The authors also explore Pope s interests in astronomy second only to his obsession with medicine microscopy geology and physics and how they relate to his writings Originally published in 1968 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

*The Letters of William Cullen Bryant* William Cullen Bryant, Thomas G. Voss, 2019-11-05 The years just before and during the Civil War marked the high point of Bryant s influence on public affairs which had grown steadily since the Evening Post had upheld the democratic Jacksonian revolution of the 1830s A founder of the Free Soil Party in 1848 and the Republican Party in 1856 Bryant was lauded in 1857 by Virginia anti slavery leader John Curtis Underwood who wrote to Eli Thayer What a glory it would be to our country if it could elect this man to the Presidency the country not he would be honored Holmes as the first sweet singer in the cage of our close woven life To Whittier his personal and public life sounded his noblest strain And in the darkest hours of the war said Lowell he had remanned ourselves in his own manhood s store had become himself our bravest crown

Letters of St. Therese of Lisieux, Volume I St. Therese of Lisieux, 2014-07-07 Letter writing at the end of the nineteenth century was an important activity for the people of France Those who received letters from family and friends alike usually kept the hand written texts sent to them as precious gifts That is why this collection of letters by and to one of the greatest saints of modern times is so interesting to us today No mere notes slapped together in distracted haste the missives found in this volume reveal communications of warm personal sentiment along with expressions of lively spiritual development Th r se s efforts as a fifteen year old to enter Carmel before reaching the required age appear in revealing detail This tortuous course of a very subtle diplomacy is set out not only by the letters of Th r se herself but also by those of so many others who shared her hopes and eventual victory The translator editor gives us 75 pages of introductory remarks to Th r se s letters This volume also

includes 4 pages of facsimiles of Th r s e s letters      Fronto: Selected Letters Marcus Cornelius Fronto,2014-01-02 Selected letters written by the Roman senator and orator M Cornelius Fronto in translation and accompanied by in depth commentary notes offering a unique insight into the late second century A D Roman world      A Plain and Short History of England, for children: in letters from a father to his son, with a set of questions at the end of each letter ...
