Letters From The Manse:

Love Letters from the Manse Noel W. Wallis, 2006 Letters from the Manse Joan Archibald Colborne, 2003 On Sunday afternoons in the late 1940s while her husband preached at one of his three rural Prince Edward Island churches JOAN ARCHIBALD COLBORNE wrote letters on an old portable typewriter It made a great excuse to not to have to hear the same sermon three times she says I made four carbon copies on onion skin one for his parents one for his brother Ed one for my sister Budge Wilson and one for my parents These charming insightful letters detail 16 months in the life of a United Church minister s wife Colborne joined her husband the Reverend Blair Colborne in Springfield West on the western end of Prince Edward Island in January 1949 The young Nova Scotian couple was ill prepared for the challenges of an isolated parish Colborne writers humorously of her difficulties learning to cook clean entertain and care for a baby in a house that seemed to be constantly in need of repair Add to that a winter climate that played havoc with everything from the plumbing to the newlyweds sanity and Letters from the Manse throws open a window onto a fascinating piece of Island social history **The Collected Letters of Joanna Baillie** Joanna Baillie, 1999 Volume two of The Collected Letters of Joanna Baillie features her correspondence with Margaret Holford Hodson Lady Byron Mary Montgomery and Anna Jameson Other letters reveal her respect and admiration for Sir Walter Scott as well as her connections to American writers and theologians living in the Boston area in the early to mid 1800s The book includes much of the biographical evidence missing in previous portraits of Joanna Baillie but essential for future critical inquiry *The Letters of Robert Louis Stevenson* Robert Louis Stevenson, 1911

The Civil War Guerrilla Joseph M. Beilein, Matthew C. Hulbert, 2015-04-03 Civil War historians shed new light on the importance of guerrilla combat across the south in this useful and fascinating work Choice Touching states from Virginia to New Mexico guerrilla warfare played a significant yet underexamined role in the Civil War Guerrilla fighters fought for both the Union and the Confederacy as well as their own ethnic groups tribes or families They were deadly forces that plundered tortured and terrorized those in their path and their impact is not yet fully understood This richly diverse volume assembles a team of both rising and eminent scholars to examine guerrilla warfare in the South during the Civil War Together they discuss irregular combat as practiced by various communities in multiple contexts including how it was used by Native Americans the factors that motivated raiders in the border states and the women who participated as messengers informants collaborators and combatants They also explore how the Civil War guerrilla has been mythologized in history literature and folklore *The Letters* Robert Louis Stevenson, 1911 **Letters to a Young Pastor** Ian Stackhouse, 2019-03-01 Speaking out of twenty seven years of pastoral ministry Ian Stackhouse writes a series of letters to a young pastor just starting out Responding to the various challenges his young charge faces in the first few years of congregational leadership Letters to a Young Pastor is something of a spiritual reflection on leadership in the context of Christian ministry To say that the letters are addressed to a fictitious pastor is not to say that the issues are unreal Letters to a Young Pastor addresses matters that

anyone in leadership eventually has to face It seeks to offer encouragement and practical wisdom but also an insight into the inner world of a person wrestling with the demands of a vocational life In this sense Letters to a Young Pastor has relevance to anyone who is seeking to remain faithful to a calling whether ecclesial or not in a world dominated by consumerism formulas and success **The Life and Letters of Hugh Miller** Peter Bayne,1871 **Letters of Samuel Rutherford**

Robert Louis Stevenson,1899 Hawthorne's Habitations Robert Milder,2013-01-04 The first literary biographical study of Hawthorne s full career in almost forty years Hawthorne s Habitations presents a self divided man and writer strongly attracted to reality for its own sake and remarkably adept at rendering it yet fearful of the nothingness he intuited at its heart Making extensive use of Hawthorne s notebooks and letters as well as nearly all of his important fiction Robert Milder s superb intellectual biography distinguishes between two Hawthornes then maps them onto the physical and cultural locales that were formative for Hawthorne s character and work Salem Massachusetts Hawthorne s ancestral home and ingrained point of reference Concord Massachusetts where came into contact with Emerson Thoreau and Margaret Fuller and absorbed the Adamic spirit of the American Renaissance England where he served for five years as consul in Liverpool incorporating an element of Englishness and Italy where he found himself like Henry James s expatriate Americans confronted by an older denser civilization morally and culturally at variance with his own **Minutes** Cumberland Presbyterian Church.
