Whoever has ears, let them hear
what the Spirit says to the

victorious, I will give the right to

Letters On Preaching:

Letters on Preaching John William Charles Wand, 1974-01-01 Letters to My Students Jason K. Allen, 2019-07-30 Few books have more influenced those called to gospel ministry than Charles Spurgeon's *Lectures to My Students*. This influence of this book like the Prince of Preachers himself reverberates to our present age. Carrying forward this tradition is Jason Allen's *Letters to My Students*. Dr. Allen serves as president of Midwestern Baptist Theological Seminary and Spurgeon College, the former ranking as one of the largest and fastest growing seminaries in North America. Dr. Allen has also served in multiple pastorates. His passion to serve the church by equipping a generation of pastors, missionaries, and ministers for faithful service is reflected in *Letters to My Students*. *Letters to My Students* is a biblical, accessible guide for ministers and ministers in training. It brings both biblical and practical wisdom to bear on the minister's three main responsibilities: preaching, leading, and shepherding the flock of God. Martin Lloyd Jones famously described the call to ministry as the highest, greatest, and most glorious calling to which one can be called. If this assessment resonates with you, you'll want every available tool to strengthen your ministry. *Letters to My Students* is one such resource. *Sermons and Letters* William Alphonsus Gunn, 1807

MacBride, 2014-11-05 Since the rise of the New Homiletic a generation ago it has been recognized that sermons not only say something to listeners they also do something A truly expository sermon will seek not merely to say what the biblical text said but also to do what the biblical text did in the lives of its original audience In *Preaching the New Testament as Rhetoric* MacBride looks how at the discipline of rhetorical criticism can help preachers discern the function of a New Testament text in its original setting as a means of crafting a sermon that can function similarly in contemporary contexts Focusing on the letters of Paul he shows how understanding them in light of Greco Roman speech conventions can suggest ways by which preachers can communicate not just the content of the letters but also their function In this way the power of the text itself can be harnessed leading to sermons that inform and most importantly transform **Pastoral Letters** Henry Craik, 1848

Preach the Word Stephen Oliver Stout, 2014-12-09 At some time or another every preacher has entered the pulpit wondering What shall I preach This study finds the answer in the preaching charge of 2 Timothy 4:1-5 summarized in the command Preach the Word In this careful examination of the preaching ministry of Paul as recorded in his letters and sermons in the book of Acts a Pauline theology of preaching emerges What this work discovers is that the governing activity of the ministry of the Apostle Paul is the verbal proclamation of the gospel of Christ All other activities in his ministry are subservient to this overriding concern and they find meaning only if preaching is primary That being the case this book takes seriously the words of Paul when he encourages future preachers to follow his teaching conduct and purpose 2 Tim 3:10 offering Paul as the model for the Christian preacher As readers will discover anyone who desires to preach biblically should seek to preach like Paul and the way to do that is to Preach the Word **Preaching Like Paul** James W.

Thompson, 2000-01-01 In contrast with the widely popular interest in narrative styles Professor Thompson believes Paul's letters offer a different and valid model for preaching today He clearly demonstrates how the manner of preaching used in the pre Christian culture of Paul is both appropriate and effective in our contemporary post Christian culture Unlike most books on preaching this book does not focus on homiletic technique but on the goal of preaching a needed missing component in contemporary homiletic discussion Letters to My Students, Volume 2 Jason K. Allen, 2021-06-01 Few books have more influenced those called to gospel ministry than Charles Spurgeon's *Lectures to My Students* This influence of this book like the Prince of Preachers himself reverberates to our present age Carrying forward this tradition is Jason Allen's *Letters to My Students* Dr Allen serves as president of Midwestern Baptist Theological Seminary and Spurgeon College the former ranking as one of the largest and fastest growing seminaries in North America Dr Allen has also served in multiple pastorates His passion to serve the church by equipping a generation of pastors missionaries and ministers for faithful service is reflected in *Letters to My Students* *Letters to My Students* is a biblical accessible guide for ministers and ministers

Helpful and insightful strategies for preaching from the writings of Paul Few biblical figures are more compelling to preachers than the apostle Paul The story of his dramatic conversion on the road to Damascus is a favorite example of the way that God turns lives around His writings contain the earliest witness we have to the Christian gospel His message of God's offer of grace in the life death and resurrection of Jesus Christ is deeply appealing So why is it that when it comes time to choose a text for this Sunday's sermon preachers so often choose something other than Paul When Brad Braxton asked himself that question he realized that preachers are often daunted by the size and complexity of the Pauline corpus Drawing on his expertise as a New Testament scholar and homiletics professor as well as on his experience as a pastor Braxton offers the reader tools with which to wrestle more effectively with the complex yet essential message of Paul Eschewing either a solely historical approach or a completely spiritual one the author brings the two together to explore the meaning of Paul's message in its original context as well as its contemporary application Written with imagination and depth of understanding this book is for anyone who wishes to know Paul better and to preach from his letters more effectively **Preaching Life-Changing Sermons** Jesse L. Nelson, 2022-04-12

A how to guide for preparing and delivering Spiritfilled biblical messages that make an impact Being called to preach is a tremendous commission In Preaching Life Changing Sermons Jesse L. Nelson shares a simple process for effective expository sermon preparation and delivery flavored with insights from his life in ministry and academic work Those with teaching and preaching responsibilities with little to no seminary training will learn practical steps they can use today in their ministry Nelson outlines the six foundations of life changing preaching and shows how each looks in the everyday life of a pastor Seek the Spirit Select the Scripture Study the Scripture Structure the Sermon Speak in the Spirit Share the Savior Handling God's Word rightly through prayer sermon preparation and sermon delivery sets the stage for people to absorb the message When the Spirit moves as Scripture speaks souls are changed and the call to preach becomes an exciting transformative adventure **Forty-one Letters on Religious Subjects** John Newton, 1830
