detective fiction lengthy discussions of the art of writing and of his own fiction and above all amused sometimes outraged glimpses of the Southern California society that was his inspiration Chandler once wrote that in letters I sometimes seem to have been more penetrating than in any other kind of writing But his letters could also be combative as when he wrote to an editor at the Atlantic that when I split an infinitive God damn it I intend that it should stay split or dismissive as when he said of James M Cain that everything he writes smells like a billy goat He could also be painfully revealing as when he wrote of his despair over the death of his wife It was my great and now useless regret Chandler confessed that I never wrote anything really worthy her attention no book that I could dedicate to her Lively entertaining and sometimes touching these letters fully present for the first time the complex sensibilities of a man who was one of America s greatest writers of detective novels and one of its most astute observers **Blood on the Stage, 1975-2000** Amnon Kabatchnik,2012 Describes more than 80 full length plays produced in the last quarter of the 20th century with an emphasis on New York and London performances

Something More Than Night Peter Wolfe,1985 Raymond Chandler s eminence as a mystery writer is unchallenged Somerset Maugham and George Grella both rate him above Dashiell Hammett Eric Partridge deems him a serious artist and a very considerable novelist while praising him as one of the finest novelists of his time Peter Wolfe examines the many sides of Chandler and his work his apparent will to self destruct his obsession with beautiful women and his apparent brush with homosexuality and casts much new and needed light on this major American author **Raymond Chandler** Matthew Joseph Bruccoli,1979 **Ross MacDonald** Tom Nolan,2015-07-07 When he died in 1983 Ross Macdonald was the best known and most highly regarded crime fiction writer in America Long considered the rightful successor to the mantles of

Dashiell Hammett and Raymond Chandler Ross Macdonald and his Lew Archer novels were hailed by The New York Times as the finest series of detective novels ever written by an American Now in the first full length biography of this extraordinary and influential writer a much fuller picture emerges of a man to whom hiding things came as second nature While it was no secret that Ross Macdonald was the pseudonym of Kenneth Millar a Santa Barbara man married to another good mystery writer Margaret Millar his official biography was spare Drawing on unrestricted access to the Kenneth and Margaret Millar Archives on more than forty years of correspondence and on hundreds of interviews with those who knew Millar well author Tom Nolan has done a masterful job of filling in the blanks between the psychologically complex novels and the author s life both secret and overt Ross Macdonald came to crime writing honestly Born in northern California to Canadian parents Kenneth Millar grew up in Ontario virtually fatherless poor and with a mother whose mental stability was very much in question From the age of twelve young Millar was fighting stealing and breaking social and moral laws by his own admission he barely escaped being a criminal Years later Millar would come to see himself in his tales wrongdoers I don t have to be violent he said My books are How this troubled young man came to be one of the most brilliant graduate students in the history of the University of Michigan and how this writer who excelled in a genre all too often looked down upon by literary critics came to have a lifelong friendship with Eudora Welty are all examined in the pages of Tom Nolan s meticulous biography We come to a sympathetic understanding of the Millars long and sometimes rancorous marriage and of their life in Santa Barbara California with their only daughter Linda whose legal and emotional traumas lie at the very heart of the story But we also follow the trajectory of a literary career that began in the pages of Manhunt and ended with the great respect of such fellow writers as Marshall McLuhan Hugh Kenner Nelson Algren and Reynolds Price and the longtime distinguished publisher Alfred A Knopf As Ross Macdonald A Biography makes abundantly clear Ross Macdonald s greatest character above and beyond his famous Lew Archer was none other than his creator Kenneth Millar *Twentieth Century Crime & Mystery Writers* NA NA,2015-12-25 The Armchair Detective ,1996 Raymond Chandler William Marling,1986 A critical study tracing the relationship between style and era for each of Chandler s seven full length books The Critical Response to Raymond Chandler J. Kenneth Van Dover,1995-02-22 In the past decade Raymond Chandler has come to be recognized as a major mid century American novelist Though an immensely popular writer of mysteries Chandler is now receiving the serious attention of scholars He is seen as a writer with a deliberate approach toward the creation of fictions that present a significant criticism of American life The essays and reviews in this volume trace the response to Chandler s work from 1944 to the present This volume traces the changing reception of Chandler s works It includes essays and reviews from 1944 to the present These pieces treat various aspects of Chandler s art such as his writing style the nature of the hard boiled detective hero the relation of Chandler to his contemporaries Los Angeles as the setting for his fiction studies of individual novels and analyses of films of Chandler s works An introductory chapter provides a context for understanding Chandler as a

writer and the bibliography at the end of the volume demonstrates the growing amount of attention his novels are receiving
