Letters To His Beloved:

Letters to My Beloved Ghost George Lysloff, 2005-06-20 Early in the years 2004 George the author of the Letters to my Beloved Ghost received a letter from the daughter of Hedi his deceased girl friend of over a half century ago informing him that she had uncovered a large box in the attic of her aunts house in the Lower Franconia town of Ebern in Bavaria In it along with many mementoes of her mothers youth she ran into a stack of letters that he had written Hedi in the years 1945 to 1949 a group of his love letters that she decided to leave behind after accepting a position with a family living in the previous German Colony of South West Africa now Namibia a job that entailed acting as house keeper with eventual matrimonial prospects involving the son of the house He George was still a medical student at that point in time going through considerable hardships mostly of a monetary nature his dire impoverishment prevented him from realizing his dearest wish namely marry Hedi and raising a family with her as his partner Sybil the daughter first sent him a calendar that he had presented to Hedi on the eve of her twenty first birthday where he had written down a selection of 22 of his early poems written in the French language collated especially for her After a lapse of 58 years which the calendar had spent in total darkness he held it in his hands once more a resurrected token of his lost youth and of his dead love The letters he received from Hedi during the period in question did not exist any longer In the early 1950s in response to the wishes of his wife Wanda who did not understand why he wanted to keep them and who he loved deeply and tenderly he burnt those witnesses of the teenage sentimental journey he had once undertaken along with the few small black and white photos of the girl that he had saved through the previous years He forgot the episode and in the end barely could remember if at all how Hedi had appeared to him when he knew her Life with his family which meanwhile had grown to five members was filled with joys work success sometimes with worries and disappointments Much later as Wanda became the victim of the Alzheimers Disease As an escape from the sorrows and despair that resulted from that developing tragedy he sought and explored that seemingly forgotten chapter of his past He did so using the Internet and succeeded in establishing contact with some people that lived in Ebern and showed sympathy toward his quest From them he learned of Hedis passing away in 1996 an unexpected and sudden realization that triggered off additional grief and sorrow First there had been mother who died in 1988 then came Wanda illness and finally Hedi who was not to be reached any more losing the women he had felt closest to during his life one after the other He traveled to Ebern that fall and saw the town again he met a number of survivors from the era he had lived there for a few short months He decided to call this journey a Pilgrimage and he wrote a book that reflected his reactions to the experiences he encountered his impressions sorrows and the reawakened nostalgia that resulted That initial piece of work was first of a series of eight volumes he had published in the that followed three years books mostly autobiographical in nature that also contained some of his verses and more poetic prose and a few of his unorthodox philosophical elaborations The Letters to my beloved Ghost is a sequence of contemporary comments on the

background of the letters he received from Sybil After a longer passage relating to the Calendar as was mentioned earlier he engaged in a review of the events of then moving along the chronology of the epistolary documents He sought and gained insights into what happened during those many years **Letters to my Beloved** Vindhya Goyal,2024-10-15 Letters to My Beloved is a collection of poems written over five years It is a perfect read to visit a part of your soul that knows love its elation and pain Love can build you from soil to human and then burn you to ashes Life becomes just about that one person your beloved and whatever they do becomes your life You will find poems that relate to you and the kind of love you do These will take you on a journey of how loving someone can change your life Beloved who makes us feel as if we fall and they rise in love every day Letters To My Beloved Ones Raelynn Wooster,2024-07-08 Help hope and answers are all available on any subject in the Word of God Finding exactly what you need when you need it can be a daunting task Letters to My Beloved Ones is a series of inspirational handwritten letters topically arranged to help you get that encouragement or answer you need now Are you depressed Have an important decision to make Wondering why God is allowing the circumstances in your life Help hope and answers from the Word of God are here in the form of delightfully written letters from a best friend or beloved aunt in Letters to My Beloved Ones **Love Letters to My Queen Bride** Beth C. Love Letters to the Beloved Dr. Laura Wright Mathews,2010-08-06 Remember the former things of old For I am God and there is none else I am God and there is none like me Declaring the end from the beginning and from ancient times the things that are not yet done saying My counsel shall stand and I will do all my pleasure Isaiah 46 9 10 The seven churches are literal churches from the first century A D However the seven churches in Revelation also have spiritual significance for churches and believers today Indeed the primary purpose for John s writing his letters was to deliver Christ s report card or the churches of that time However a second purpose for John s inspired writings was to describe seven types of churches and individual believers that would surface time and again throughout history These short letters to the seven churches of Revelation act as quick and poignant reminders to those who call themselves followers of Christ *Love Letters to the Church* Diana Hartling,2003-04 Love Letters to the Church is a clarion cry from a loving God to the body of Christ to KNOW HIM not just know about Him He longs to draw us with cords of love into the intimate closeness that can come only from knowing His heart A person could spend his whole life in church doing all the things he feels a Christian should do and never really come to know the God of his salvation Yes we can repeat the sinner s prayer but getting saved and becoming a believer is not just about getting fire insurance to keep us out of hell True Christianity is all about a personal relationship with the

living God through the Lord Jesus Christ and by the power of the Holy Spirit As you feel God s heartstrings drawing you to a closer and more passionate walk may you also hear Him calling you to be part of His end time army and ultimately His victorious church You will be telling the Good News of Jesus healing the sick setting the captives free and preparing a people for Christ s return The time is too short we must be ready Occupy Occupy Occupy *Love-letters to an Unnamed Party: Meditations and Reflections On the Messages of Our Lady of Medjugorje and Holy Love Ministries* A Soul,2017-07-09 This book is a compilation of several love letters and other writings about Marian apparitions that can be found on the author s blog This book provides a solid introduction into the spirituality of the United Hearts of Jesus Christ and the Blessed Virgin Mary the Sacred Heart and the Immaculate Heart the Two Hearts of Holy Love and Divine Love The heavenly messages relied upon by the author in this book come primarily from these two sources Our Lady of Medjugorje Holy Love Ministries Although this book is written by a Catholic Christian the intended audience is for all peoples of all faiths and non believers It is the sincere hope of the author that all readers will be inspired by the spirituality contained within the book s pages which the author believes comes directly from God s Own Paternal Heart Series Living in Holy Love Volume 1 Pirandello's Love Letters to Marta Abba Luigi Pirandello,2017-03-14 In February 1925 the 58 year old world famous playwright Luigi Pirandello met Marta Abba an unknown beautiful actress less than half his age and fell in love with her She was to become until his death in December 1936 not only his confidante but also his inspiring muse and artistic collaborator helping him in his plans to reform Italian theater under the Fascist regime Pirandello s love for the young actress was neither a literary infatuation nor a form of fatherly affection but rather an unfulfilled desperate passion that secretly consumed him during the last decade of his life Bitterly disillusioned by the conditions of the theatrical world in Italy Pirandello and Abba shared a dream of going abroad to earn their fortune and returning to Italy with the means to establish a national theater dedicated to high artistic standards In March 1929 when Marta finally yielded to family pressure and left Pirandello alone in Berlin to revive her Italian stage career and to end rumors over their involvement he endured a devastating heartbreak and fell into a life threatening depression more profound and long lasting than any of his biographers have yet imagined The hundreds of letters Pirandello wrote to Abba during these years are the only source that reveals the true story of his relentless torment Selected translated and introduced here for the first time in any language these powerful and moving documents reward the reader with the unique experience of living in intimacy with a profound poet of human pain Here Pirandello encourages his beloved in her difficult career as actor manager rejoices in her triumphs and desperately implores her to return to him The letters are filled with glimpses of this major artistic personality at some of his most distinctive moments such as the award of the Nobel Prize his meetings with Mussolini and Marta s long dreamed of success on Broadway but they remain foremost an authentic confession of a Pirandello without the mask of his art telling the story of his real life tragedy In 1986 two years before she died Marta Abba authorized the publication of the present correspondence so that the world might understand

how deeply Pirandello had suffered This English language volume contains a selection of 164 letters from the complete edition of 552 which Princeton University Press will publish in cooperation with Mondadori in the original Italian in 1995 Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
