Mom's Letters Mildred M. Smith,2019-10-29 Mildred Smith wrote this devotional guide In 1976 she received the Baptism of the Holy Spirit A few months later the Holy Spirit began dictating letters for her to write As thoughts would form in her mind with paper and pen she would write those words down word by word as they came to her She did not form these thoughts by herself they were topics about which she had little or no information They were scripturally based although she did not know it at the time Some of the ideas seemed strange to her They certainly were not her ideas In 1776 the United States became a nation Two hundred years later in 1976 after she received the Baptism of the Holy Spirit Mildred started writing She wrote these specific letters in 1999 Today reading them is like hearing the daily news as viewed by God Prophetic Yes A miracle Indeed The love of Jesus is evident in these letters As people read them they are aware of the depth of love that Jesus has for all mankind Jesus does not condemn anyone He calls and draws them into a daily walk with Him One of the most significant things about these letters was the loving way in which they were written If the letter dealt with sin it was presented in a manner that gave anyone reading the letter an insight regarding why sin offends God The letter leads the reader to seek change away from that sin drawing that person closer to Jesus Whether a person reads only one letter a day or reads the book in its entirety all at once his or her life will be changed It is a labor of love sent to the people of Earth Mildred wrote daily except Sundays or during the times when earthly matters took precedence in Mildred s life She was never in a trance She could answer anyone who spoke to her and then she could continue with the letter She could write at any time that she chose The Holy Spirit was there whenever she asked Him to talk to her These

letters are just a small sample of the way that the Holy Spirit communicated with her The letters are on many diverse subjects all are related to God and the way that man relates to God They bring wisdom and understanding about God to a world that has shut God out of daily life Early when Mildred began writing Sharon Smith Ph D her oldest child and only daughter was assigned to be the Script Bearer Sharon s assignment has now started She and her husband Joel M Kestenbaum Ph D are the compilers and editors They as did many others including Mildred s husband Burl C Smith their three sons Steve Jeff and Phil their spouses and their children watched as Mildred would sit and write without any preparation or hesitation The words were always amazing often prophetic and always from God The letters are like a spiritual bath of goodness They clean our souls as we read the thoughts that have been sent to purify us God would speak face to face with people He is love see Him as such
