Letters To Julian:

Letters to Julian Annette Louise Brown, 2002-09-04 Maggie Calahan's favorite saying is get a grip Her friends describe her as an independent woman sure of her place in this world All of this comes into question when she meets Julian Maggie finds herself drawn to him in spite of all the reasons she shouldn't Years of shielding her heart helps her keep her feet on the ground as she goes about her very ordinary life Her letters to Julian tell him who she is where she has been and where she hopes she is going Maggie's story will be familiar to the reader They will see themselves in her challenges and dreams and hopes *Julian's Against the Galileans*, 2004-11 Flavius Claudius Julianus better known to history by the name imposed by his Christian opponents Julian the Apostate was a nephew of the first Christian emperor Constantine I Julian is one of the most fascinating figures of late antiquity More information is available about him from both pagan and Christian sources than about any other emperor His reign inspired both admiration and contempt Julian's ambitious program was to reinstate the religion of his ancestors and in the process to subdue the growth of the Christian church which had achieved legitimacy under the reign of his uncle Once in power he immediately sought to revive the religion of classical Rome to reform the pagan priesthood revitalize training in classics and pagan philosophy and as an affront to Christian prophecy to rebuild the Jewish temple in Jerusalem This is the first translation into modern English of the complete corpus of Julian's *Against the Galileans* and related writings It not only puts the work of the philosopher emperor into historical perspective but offers important insights into the waning days of pagan philosophy and the growth of the Christian church against the background of intellectual and religious opposition The translations are supported by a full historical introduction to the life of Julian and a detailed treatment of his religious philosophy including the origins of his understanding of the Christian faith The work is essential reading for anyone interested in the religions of late antiquity the growth of the Christian church and the final phase of the conflict between paganism and Christian teaching **A Few Notes on Julian and a Translation of His Public Letters** Julian (Emperor of Rome), Edward James Chinnock, 1901 *The Republic of Letters* Alexander Whitelaw, 1835 *Letters, Volume 1 (1-185)* Saint Basil, Basil, 2008-09 No description available Aldous Huxley Annual Bernfried Nugel, Jerome Meckier, 2006-02-28 Aldous Huxley Annual is the official organ of the Aldous Huxley Society at the Centre for Aldous Huxley Studies in Munster Germany It publishes essays on the life times and interests of Aldous Huxley and his circle It aspires to be the sort of periodical that Huxley would have wanted to read and to which he might have contributed This issue features Aldous Huxley's and Beth Wendel's dramatization of *The Genius and the Goddess* never before published It also includes several rather unknown travel essays by Aldous Huxley as well as Peter E Firchow's opening lecture at the Third International Aldous Huxley Symposium held in Riga in July 2004 Art and Affection Panthea Reid, 1996 More than 50 years after her death Virginia Woolf remains a haunting figure a woman whose life was both brilliantly successful and profoundly tragic This brilliant new biography weaves together diverse strands of Woolf's life and career
