

A sister's love is a gift that you unwrap a little bit each year.

A sister is a mirror of things to come and a reflection of things gone by.

A sister shows you the road before you and knows the path you've taken.

A sister is the friend who has been there as long as your memories.

A sister is the one you call when you need to talk to someone who knows your heart.

A sister walks beside you to share each day... stands beside you when you question yourself... and walks in front of you when you've lost your way.

A sister sees your beautiful spirit shining through on good days and bad.

A sister is a gift of friendship and family all wrapped up in love.

I'm so glad you are my sister!
