Historical Dictionary of African American Cinema S. Torriano

Berry,Venise T. Berry,2007-01-26 On 4 July 1910 in 100 degree heat at an outdoor boxing ring near Reno Nevada film cameras recorded and thousands of fans witnessed former heavyweight champion Jim Jeffries reluctant return from retirement to fight Jack Johnson a black man After 14 grueling rounds Johnson knocked out Jeffries and for the first time in history there was a black heavyweight champion of the world At least 10 people lost their lives because of Johnson s victory and hundreds more were injured due to white retaliation and wild celebrations in the streets Public screenings received instantaneous protests and hundreds of cities barred the film from being shown Congress even passed a law making it a federal offense to transport moving pictures of prizefights across state lines and thus the most powerful portrayal of a black

man ever recorded on film was made virtually invisible This is but one of the hundreds of films covered in the Historical Dictionary of African American Cinema which includes everything from The Birth of a Nation to Crash In addition to the films brief biographies of African American actors and actresses such as Sidney Poitier James Earl Jones Halle Berry Eddie Murphy Whoopi Goldberg Denzel Washington and Jamie Foxx can be found in this reference Through a chronology a list of acronyms and abbreviations an introductory essay a bibliography appendixes black white photos and hundreds of cross referenced dictionary entries on actors actresses movies producers organizations awards film credits and terminology this book provides a better understanding of the role African Americans played in film history

The Harvard Guide to African-American History Evelyn

Brooks Higginbotham,2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America **Dictionary of African Biography** Emmanuel Kwaku Akyeampong,Professor Henry Louis Gates, Jr.,2012-02-02 From the Pharaohs to Fanon **Dictionary of African Biography** provides a comprehensive overview of the lives of the men and women who shaped Africa s history Unprecedented in scale DAB covers the whole continent from Tunisia to South Africa from Sierra Leone to Somalia It also encompasses the full scope of history from Queen Hatsheput of Egypt 1490 1468 BC and Hannibal the military commander and strategist of Carthage 243 183 BC to Kwame Nkrumah of Ghana 1909 1972 Miriam Makeba and Nelson Mandela of South Africa 1918 **Historical Dictionary of the 1940s** James Gilbert Ryan,Leonard C Schlup,2015-03-26 The only available historical dictionary devoted exclusively to the 1940s this book offers readers a ready reference portrait of one of the twentieth century s most tumultuous decades In nearly 600 concise entries the volume quickly defines a historical figure institution or event and then points readers to three sources that treat the subject in depth In selecting topics for inclusion the editors and authors offer a representative slice of life as contemporaneous Americans saw it with coverage of people movements court cases and economic social cultural political military and technological changes The book focuses chiefly on the United States but places American lives and events firmly within a global context **Historical Dictionary from the Great War to the Great Depression** Neil A. Wynn,2013-12-16 The period from 1913 to 1933 is not often seen as a coherent entity in the history of the United States It is more often viewed in terms of two distinct periods with the pre war era of political engagement idealism and reform known as progressivism separated by World War I from the materialism conservatism and disengagement of the prosperous 1920s To many postwar observers and later historians the entry of the United States into the European conflict in 1917 marked not just a dramatic departure in foreign relations but also the end of an era of reform This second edition of **Historical Dictionary from the Great War to the Great Depression** covers the history of this period through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has more than 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about a vital period in U S history **Historical Dictionary of Colonial America** William A. Pencak,2011-07-15 The years between 1450 and 1550 marked the end of one era in world history and the beginning of another Most importantly the focus of global commerce and power shifted from the Mediterranean Sea to the Atlantic Ocean largely because of the discovery of the New World The New World was more than a geographic novelty It opened the way for new human possibilities possibilities that were first fulfilled by the British colonies of North America nearly 100 years after Columbus landed in the Bahamas The **Historical Dictionary of Colonial America** covers America s history from the first settlements to the end and immediate aftermath of the French and Indian War This is done through a chronology an

introductory essay appendixes an extensive bibliography and over 400 cross referenced dictionary entries on the various colonies which were founded and how they became those which declared independence Religious political economic and family life important people warfare and relations between British French Spanish and Dutch colonies are also among the topics covered This book is an excellent access point for students researchers and anyone wanting to know more about Colonial America *Historical Dictionary of the Early American Republic* Richard Buel Jr.,Jeffers Lennox,2016-12-20 The drafting and ratification of the federal constitution between 1787 and 1788 capped almost 30 years of revolutionary turmoil and warfare The supporters of the new constitution known at the time as Federalists looked to the new national government to secure the achievements of the Revolution But they shared the same doubts that the Anti federalists had voiced about whether the republican form of government could be made to work on a continental scale Nor was it a foregone conclusion that the new government would succeed in overcoming parochial interests to weld the separate states into a single nation During the next four decades the institutions and precedents governing the behavior of the national government took shape many of which are still operative today This second edition of Historical Dictionary of the Early American Republic contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about American history **Historical Dictionary of the Civil Rights Movement** Christopher M. Richardson,Ralph E. Luker,2014-06-11 The fiftieth anniversary of many major milestones in what is commonly called the African American Civil Rights Movement was celebrated in 2013 Fifty years removed from the Birmingham campaign the assassination of Medgar Evers and the March on Washington and it is clear that the sacrifices borne by those generations in that decade were not in vain Monuments museums and exhibitions across the world honor the men and women of the Movement and testify to their immeasurable role in redefining the United States The second edition of Historical Dictionary of the Civil Rights Movement is a guide to the history of the African American struggle for equal rights in the United States The history of this period is covered in a detailed chronology an introductory essay and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities significant legal cases local struggles forgotten heroes and prominent women in the Movement This book is an excellent access point for students researchers and anyone wanting to know more about the Civil Rights Movement **Historical Dictionary of the Gilded Age** Leonard C. Schlup,James Gilbert Ryan,2003 Covers all the people events movements subjects court cases inventions and more that defined the Gilded Age *Dictionary of American Library Biography* Donald G. Davis,2003-01-30 This second supplement to DALB the Dictionary of American Library Biography 1978 adds 77 notable deceased members of the library and archival communities to the 302 entries in the main volume and the 51 entries in the first supplement 1990 The second supplement includes primarily those figures who died between 1987 and the end of the year 2000 though some 13 entries

provide sketches for notable persons whose death dates are somewhat earlier and who were not included in earlier works Among the entries are a number of African Americans and nearly one half of the entries are women Some 80 contributors from the United States and Canada provided sketches many based on original source material This supplement follows the practice and format of the earlier volumes though it allows presidents of the American Library Association to compete for inclusion with other nominations

Historical Dictionary of Rwanda Aimable Twagilimana,2015-11-06 Blessed with natural beauty and rich vegetation Rwanda is often called the land of a thousand hills le pays des mille collines a reference to its many lush and green rolling hills Moreover for many Rwandans at least in the past Rwanda in spite of its small size is vast in fact it means the universe This idyllic view however sharply contrasts with the sad history of ethnic strife that unfolded since the 1950s the 1959 Hutu Revolution followed by years of anti Tutsi pogroms undemocratic regimes the civil war of 1990 1994 and more significantly the April July 1994 genocide against the Tutsi and the killing of Hutu who opposed the killings The 1994 genocide against the Tutsi remains the most defining single event in contemporary Rwanda and many people in the world today know of this central African nation from the prism of extreme mass violence that sullied the end of the 20th century amid international indifference and has since haunted the world s conscience This second edition of Historical Dictionary of Rwanda contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Rwanda

Historical Dictionary of the Roosevelt-Truman Era Neil A. Wynn,2008-07-01 The 1930s were dominated by economic collapse stagnation and mass unemployment This crisis enabled the Democrats to recapture the White House and embark upon a period of reform unsurpassed until the 1960s Roosevelt s New Deal laid the foundations of a welfare system that was further consolidated during and after the Second World War American involvement in World War II helped to secure victory in Europe and in Asia American participation in the war led to economic recovery but also brought with it enormous demographic and social changes Some of these changes continued after the war had ended but further political reform was to be limited due to the impact of the Cold War and the effects of America s new role as the world s leading superpower in the atomic age The Historical Dictionary of the Roosevelt Truman Era examines significant individuals organizations and events in American political economic social and cultural history between 1933 and 1953 This was a period of enormous significance in the United States due to the impact of the Great Depression World War II and the onset of the Cold War The presidencies of Franklin D Roosevelt and Harry S Truman witnessed the origins of the modern American welfare system and the rise of the United States as a world power as well as its involvement in the confrontation with communism that dominated the latter half of the 20th century

Historical Dictionary of Slavery and Abolition Martin A. Klein,2002 Slavery s origins lie far back in the mists of prehistoric times and have spanned the globe two facts that most history texts

fail to address This comprehensive volume provides a historical overview of slavery through the ages from prehistoric times to the modern day while detailing the different forms the various sources and the circumstances existing in different countries and regions As a broad reference source it provides a complete look at slavery by discussing the causes and cures as well as the plight of those who fought for and against it Every public college and high school library will want this available for students and other researchers
