Li Sao and Other Poems Ch'u Yuan, 1981-01-01 *Li Sao* Yuan Qu, 1980 屈原创作, 1929 *A Madman of Chu* Laurence A. Schneider, 2023-04-28 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1980 *Defining Chu* Constance A. Cook, John S. Major, 2004-01-01 *Defining Chu* begins with an overview of the historical geography an outline of archaeological evidence for Chu history and an appreciation of Chu art Following chapters examine issues of state and society the ideology of the ruling class legal procedures popular culture and daily life The final section surveys Chu religion and literature and includes an analysis of the *Chuci* the great anthology of Chu poetry and its impact on mainstream Chinese literature A translation of the Chu Silk Manuscript is appended This document has intrigued scholars since its discovery in Changsha some sixty years ago The inclusion of this rare and difficult text available for the first time in an effective and accessible translation will make this volume indispensable to students and scholars of early Chinese history and thought *Ancient and Early Medieval Chinese Literature (Vol. I)* , 2010-09-10 At last here is the long awaited first Western language reference guide focusing exclusively on Chinese literature from ca 700 B C E to the early seventh century C E Alphabetically organized it contains no less than 1095 entries on major and minor writers literary forms and schools and important Chinese literary terms In addition to providing authoritative information about each subject the compilers have taken meticulous care to include detailed up to date bibliographies and source information The reader will find it a treasure trove of historical accounts especially when browsing through the biographies of authors Indispensable for scholars and students of pre modern Chinese literature history and thought Part One contains A to R *The Shaman and the Heresiarch* Gopal Sukhu, 2012-09-01 The first book length study in English of the Chinese classic the *Li sao* *Encountering Sorrow* Includes translations of the *Li sao* and the *Nine Songs* The *Li sao* also known as *Encountering Sorrow* attributed to the poet statesman Qu Yuan 4th3rd century BCE is one of the cornerstones of the Chinese poetic tradition It has long been studied as China's first extended allegory in poetic form yet most scholars agree that there is very little in the two thousand year old tradition of commentary on it that convincingly explains its supernatural flights its complex floral imagery or the gender ambiguity of its primary poetic persona *The Shaman and the Heresiarch* is the first book length study of the *Li sao* in English offering new translations of both the *Li sao* and the *Nine Songs* The book traces the shortcomings of the earliest extant commentary on those texts that of Wang Yi back to the quasi divinatory methods of the highly politicized tradition of Chinese classical hermeneutics in general and the political machinations of a Han dynasty empress dowager in particular It also offers an entirely new interpretation of the *Li sao* one based not on Qu Yuan hagiography but on what late Warring States period artifacts and texts including recently unearthed

texts teach us about the cultural context that produced the poem In that light we see in the Li sao not only a reflection of the era of the great classical Chinese philosophers but also the breakdown of the political religious order of the ancient state of Chu

The Culture of Sex in Ancient China Paul R. Goldin, 2001-10-31 The subject of sex was central to early Chinese thought Discussed openly and seriously as a fundamental topic of human speculation it was an important source of imagery and terminology that informed the classical Chinese conception of social and political relationships This sophisticated and long standing tradition however has been all but neglected by modern historians In *The Culture of Sex in Ancient China* Paul Rakita Goldin addresses central issues in the history of Chinese attitudes toward sex and gender from 500 B C to A D 400 A survey of major pre imperial sources including some of the most revered and influential texts in the Chinese tradition reveals the use of the image of copulation as a metaphor for various human relations such as those between a worshiper and his or her deity or a ruler and his subjects In his examination of early Confucian views of women Goldin notes that while contradictions and ambiguities existed in the articulation of these views women were nevertheless regarded as full participants in the Confucian project of self transformation He goes on to show how assumptions concerning the relationship of sexual behavior to political activity assumptions reinforced by the habitual use of various literary tropes discussed earlier in the book led to increasing attempts to regulate sexual behavior throughout the Han dynasty Following the fall of the Han this ideology was rejected by the aristocracy who continually resisted claims of sovereignty made by impotent emperors in a succession of short lived dynasties Erudite and immensely entertaining this study of intellectual conceptions of sex and sexuality in China will be welcomed by students and scholars of early China and by those with an interest in the comparative development of ancient cultures

Huai-nan Tzu Charles Le Blanc, 1985-12-01 *Huai nan Tzu* 139BC was viewed for its great diversity of subject matter ideas and style by traditional Chinese scholars as a composite work of the Eclectic School It is the author's contention however that one overriding concern pervades the work the attempt to define the essential conditions for a Taoist political utopianism The present study emphasizes Chapter Six of *Huai nan Tzu* in expounding the theory of kan ying STIMULUS RESPONSE RESONANCE which postulates that all things in the universe are interrelated and influence each other according to pre set patterns Only in the True Man who is one with Tao and attuned to the cosmos does kan ying attain its ultimate realization the Great Peace and the Great Merging After all concludes the author it is in *Huai nan Tzu* that we find the statement
