Kate The Life Of Katharine Hepburn:

Kate Charles Higham, 1975 **Kate** William J. Mann, 2006-10-03 The first major Katharine Hepburn biography independent of her control reveals the smart complicated and sophisticated woman behind the image Onscreen she played society girls Spencer Tracy's sidekick lionesses in winter But the best character Katharine Hepburn ever created was Katharine Hepburn a Connecticut Yankee outspoken and elegant she wore pants whatever the occasion and bristled at Hollywood glitter So captivating was her image that she never seemed less than authentic But how well did we know her really Was there a woman behind the image who was more human more driven and ultimately more triumphant because of her vulnerability William J Mann a cultural historian and journalist a sympathetic admirer but no mere fan has fashioned an intimate often revisionist and truly unique close up that challenges much of what we think we know about the Great Kate Previous biographies mostly products of friends and fans have recycled the stories she hid behind taking Hollywood myths at face value Mann goes deeper delivering new details from friends and family who have not been previously interviewed and drawing on materials only available since Hepburn's death With affection intelligence and a voluminous knowledge of Hollywood history Mann shows us how a woman originally considered too special and controversial for fame learned the fine arts of movie stardom and transformed herself into an icon as durable and all American as the Statue of Liberty **Kate** Charles Higham, 1976-04-06 *Me* Katharine Hepburn, 1996-09-29 A NEW YORK TIMES Notable Book of the Year In her book about her life Miss Hepburn insists that that woman in the movies was not her at all I'm not going to hide behind you anymore she says Who are you anyway You're not me Sure she is The woman in the book is cocky fearless smart capable and human on screen and off Anna Quindlen The New York Times Admired and beloved by movie audiences for more than sixty years four time Academy Award winner Katharine Hepburn is an American classic and an extraordinary enduring presence on the international cultural scene Yet her private life has been obscured by mystery Now Miss Hepburn breaks her long kept silence in this absorbing and provocative memoir With characteristic gusto and candor Katharine Hepburn reflects on the events people and places that have shaped her life her childhood and family her early days in New York and her experiences with political activism She talks about the ups and downs of her career her long friendship with Spencer Tracy and of course her close collaborations with several of the leading actors directors and producers of the past half century Illustrated with 165 photographs from family archives many of which have never been published it is an unforgettable portrait of Katharine Hepburn as we have not seen her before It is the understanding heart revealed just before the final curtain that makes us fall in love with Katharine Hepburn The New York Times Book Review [At Home With Kate](#) E. Fine Art as a Way of Life Maryann Pasda DiEdwardo Memoir The legacy of the late Katharine Hepburn undeniably benefits a twenty first century audience because Kate identifies the artistic spirit As one of the most important women of the twentieth century Hepburn was an artist who exemplified the independent character freedom and opportunity available to women as paramount whether she was on stage or in film As the late Hepburn she has become a living art spirit with a legacy that acts as a shining example

Katharine Hepburn Grace May Carter, 2016-06-18 Katharine Hepburn was far more than an iconic movie star who won four Academy Awards for best actress the most ever and made classic films The African Queen The Philadelphia Story and Guess Who's Coming to Dinner that still rank among the greatest of all time She also exerted a singular influence on American popular culture challenging rigid assumptions about how women should behave and almost single handedly gave them permission to wear pants The list of adjectives used to describe Hepburn bold stubborn witty beautiful only begin to hint at the complex woman who entranced audiences around the world she could also be controlling selfish and self righteous So here is the full epic story of the patron saint of the independent American female as one critic described her from her breakthrough in Hollywood in the early 1930s to On Golden Pond in the 1980s to her dramatic affairs with Howard Hughes and Spencer Tracy and beyond With her distinctive patrician voice and tsunami force personality Hepburn always lived life strictly on her own terms And oh what a life it was

Katharine Hepburn Anne Edwards, 2019-06-21 Katharine Hepburn grande dame of American actresses fierce individualist and living legend Nominated for 12 Academy Awards and winner of four Hepburn achieved stardom against formidable odds The woman behind the legend emerges in this sympathetic yet clear eyed portrait of her exceptional life and loves Filled with accounts of her relationships with Spencer Tracy Howard Hughes and many others here is the fascinating story of a determined and invincible woman From her ferociously guarded private life to Broadway's lights and Hollywood's Golden Age A Remarkable Woman reveals a star whose courage and magnetism knew no bounds Throughout her life Hepburn spoke her mind mixing a native Yankee forthrightness with the social conscience she learned from her parents and her own brand of stubbornness This book is a fascinating look not only at the invincible Katherine Hepburn but at a whole era the golden age of Hollywood set against the struggles for women's equality and the glittering lights of Broadway

Kate Remembered A. Scott Berg, 2013-08-01 For more than twenty years Katharine Hepburn imparted many of the details of her life to me suggesting that I weave them into a book one that would appear upon her death Sad to say the time has come to publish that book But I find comfort in knowing she lived a very rich 96 years and I have tried my best to honour her wish of making the book as true to her spirit as possible as inspiring as loving and as fun Scott Berg KATE REMEMBERED is a loving tribute and a tender farewell that reveals an unusual relationship in a unique life one fully lived and largely according to Katharine Hepburn's own rules More importantly it sets down many of the stories of that life as she saw them full of sentiments she felt should not

be made public until after her death Ultimately this book is not only a story of the poignant final twenty years in which Scott Berg knew Katharine Hepburn but also a tale of a great theatrical personality and the better part of the century that was the stage for her distinguished life
