Mann,2007-10-30 The first major Katharine Hepburn biography independent of her control reveals the smart complicated and sophisticated woman behind the image Onscreen she played society girls Spencer Tracy's sidekick lionesses in winter But the best character Katharine Hepburn ever created was Katharine Hepburn a Connecticut Yankee outspoken and elegant she wore pants whatever the occasion and bristled at Hollywood glitter So captivating was her image that she never seemed less than authentic But how well did we know her really Was there a woman behind the image

Vermorel,2010-04-07 Party girl supreme and queen of street fashion supermodel and millionairess Kate Moss is as familiar in headlines as on the catwalk as the twin narratives of lurid tabloid stories and continuing adulation of the fashion industry demonstrates to all the paradox of fame Whether she s partying finding another way to get out of it or strutting self assuredly down a catwalk in Paris you can be sure photographers are in a huddle close by ready splash her or crash her in tomorrows headlines She is now more familiar to some as the Cocaine Kate of recent tabloid headlines than as the face of Chanel and Burberry This searching and remarkable book charts both her career and personality as she is propelled out of a misspent youth by the hand of fate to the top of her profession and beyond to become an icon bigger than the brands she is paid a fortune to represent However within the whirlwind of that life the book reveals to us an all too human Kate Moss too as surprised as anyone by the nonsense of celebrity an apparently addictive personality with a frenetic desire to be loved that accounts for her merry go round of celebrity lovers and parallel quest for a dream man to endorse her ethereal fashion self From the Johnny Depp saga to her strange affair with Pete Doherty this book recounts it all in a fast paced taboo shattering style that is in a mould reminiscent of previous daring exposes from Fred Vermorel **The Horizontal Man** Helen

Eustis,2020-07-14 A philandering professor on the faculty of an Ivy League school is found murdered setting off ripple effects of anxiety suspicion and panic in this Edgar Award winning classic from 1946 The Horizontal Man was Helen Eustis s only crime novel and she won an Edgar Award for it combining a wildly disparate set of elements into an enduringly fascinating work In its way it is a classical whodunit that stands comparison with old school practitioners such as Agatha Christie or Dorothy Sayers This mystery transpires in the rarefied precincts of the English department of a venerable New England college one very much of the restless postwar moment echoing with references to Freud and Kafka Eustis finds comedy high and low in a cavalcade of characters bursting at the seams with repressed sexual longings and simmering malice Beyond the satire she stirs up with a narrative whose multiple viewpoints give the book a striking modernistic edge a troubling sense of the mental chaos lurking just beneath the civilized surfaces of her academic setting Countess Kate Charlotte M.
