Katharine Hepburn:

Kate William J. Mann, 2006-10-03 The first major Katharine Hepburn biography independent of her control reveals the smart complicated and sophisticated woman behind the image Onscreen she played society girls Spencer Tracy's sidekick lionesses in winter But the best character Katharine Hepburn ever created was Katharine Hepburn a Connecticut Yankee outspoken and elegant she wore pants whatever the occasion and bristled at Hollywood glitter So captivating was her image that she never seemed less than authentic But how well did we know her really Was there a woman behind the image who was more human more driven and ultimately more triumphant because of her vulnerability William J Mann a cultural historian and journalist a sympathetic admirer but no mere fan has fashioned an intimate often revisionist and truly unique close up that challenges much of what we think we know about the Great Kate Previous biographies mostly products of friends and fans have recycled the stories she hid behind taking Hollywood myths at face value Mann goes deeper delivering new details from friends and family who have not been previously interviewed and drawing on materials only available since Hepburn's death With affection intelligence and a voluminous knowledge of Hollywood history Mann shows us how a woman originally considered too special and controversial for fame learned the fine arts of movie stardom and transformed herself into an icon as durable and all American as the Statue of Liberty

Katharine Hepburn Andrew Britton, 2003 In what can be considered one of the very few analyses of American cinema to focus on a film star rather than a director or a genre Britton proposes a feminist reading of Hepburn's films arguing that her persona raises problems about class female sexuality and women's oppression that strain to the limits the conventions of a cinema ultimately committed to the reassertion of bourgeois gender roles

The Films of Katharine Hepburn Homer Dickens, 1971

Katharine Hepburn Anne Edwards, 2000-04-08

The woman behind the legend emerges in this sympathetic yet clear-eyed portrait of Hepburn's exceptional life and loves including Spencer Tracy and Howard Hughes An Epilogue updates the actress's story of photos

performances have won her a string of accolades from her first Oscar for Morning Glory in 1933 to her fourth for On Golden Pond in 1981 with which she became the first and to date only winner of four Best Actress Oscars from a record 12 nominations
