Integration Paul J. Morrison,2022-06-23 While the Southern Baptist Convention has so often been a step behind on the issue of race since its formation there was still light shining in the darkness a group of biblically faithful men and women who both recognized and fought for their racially marginalized brothers and sisters Chief among these men and women was Thomas Buford Maston T B Maston faithfully engaged the topic as the SBC s preeminent ethicist from 1922 1963 as a professor at Southwestern Baptist Theological Seminary This stand ultimately cost him his job Even still some sixty years later his theology and ethics model the full unity in Christ This book examines the writings of T B Maston in his efforts to reform the racially misguided interpretations of Scripture in the church and their subsequent prejudices Maston is not merely a visionary who foreshadowed the eventual position of the SBC and more widely the evangelical church but is one who directly caused legitimate change Maston s profound yet humble work gives a blueprint for future racial reconciliation through integration in the church Master Register of Bicentennial Projects, February 1976 American Revolution

Oster,2012-10-31 Katherine s father Dillon Blackwood has a heart attack At his doctor s suggestion he takes cruise to recuperate and returns with a new bride Eleanore Eleanore brings her three offspring to live at the Blackwood house located outside of Richmond Virginia and then plots to get rid of her new stepdaughter one way or another Her lies and deception cause Dillon to severely beat Katherine Then the stepchildren plan to play nasty sexual games with Katherine while

her father's away. Fearing for her life, Katherine calls her brother Devin, who quickly comes to her rescue. In Texas, Katherine quickly substitutes Frank Dailey for her father. However, Frank's feelings are anything but fatherly. Blake Dailey retires from being a professional hired killer hit man and returns home. Blake immediately detects his father's true feelings for Katherine. Blake figures she's a gold digger after his father's money, so he decides to court her to prove her a phony. This plan backfires when Blake falls for her. Refusing one last hit, Blake discovers Dillon Blackwood is the intended target Blake wants to visit Katherine's father under the premise of asking for her hand while actually trying to determine who ordered the hit and stop it. Things immediately go bad in Virginia when Katherine is kidnapped to get her father to where the accident can happen. Back in Texas, Kyle Franks' youngest son finds out about Blake's past when an old acquaintance of Blake's visits to see if Blake took a hit he refused. After hearing the Blackwood name and the state of Virginia, Kyle goes to Devin and his father Frank assumes Blake plans to kill Dillon and possibly even Katherine to keep her from marrying him. In Virginia, things get worse even after Blake's rescue of Katherine and her father Frank is enraged to learn his oldest son is a cold-blooded murderer and Katherine's father insists she have nothing more to do with Blake. Katherine returns with Devin to Texas after Blake promises to come for her. Back in Texas, Frank proposes to Katherine. She refuses and tells him that she's in love with Blake. Blake arrives and they flee to Utah. Devin calls and says Kyle left to search for them. Thinking they would hide in New York City, Kyle goes to Katherine's oldest brother, Dustin. Unfortunately, Blake's old boss has now put out an open contract on Blake. Blake threatens his old boss with a horrible death and a deal is struck. Blake will make one more hit on the man's rival. On their way back to Texas after the job, Kyle takes a bullet meant for Katherine. This forces Blake to return home with Kyle's body to face his father. Frank's hatred for Blake surges out of control. He's lost Katherine and now Kyle because of Blake. Uncontrollably enraged, Frank suffers a massive stroke. Blake is forced to run his father's ranch while Katherine tries to help Frank recover. Although Katherine and Blake are secretly married because of her tender care, Frank thinks she's secretly in love with him. When Katherine discovers she's pregnant, she tells Frank, hoping this will bring father and son together. In a fit of rage, Frank screams that he hopes the child dies. Two days later, a fall down the stairs causes a miscarriage. Blake then hires Frank's physical therapist, Terry, as a housekeeper because Katherine's fall will keep her bedridden for a while. Frank marries Terry and spends his money like there's no tomorrow. Blake ends up using his money to keep the family ranch in the family. An attempt on Blake's life sends them again fleeing to Utah so Blake can recover. The assassin finds them and Katherine is forced to kill him to save Blake's life. Again pregnant, they return to Texas to finish their dream home and raise the child. Katherine is now carrying. When Frank's money is gone, so is Terry. Blake begins to wonder if his life is a contract living on borrowed time.

Deathwalker Edwin F. Becker, 2011-10-31. John Hall entered looking much the same as he did in the field with his three-day growth of beard and his face looking dirty. Brutus barked a warning and sniffed his guest as if deciding whether he was

friend or foe Hall's attire was the familiar hunting outfit except that the knife on his thigh was missing. He looked serious and intense. After shaking hands, Ted invited him in. "Ted, you're in big trouble. I saw that thing. There is no way to defend against it. That damn thing is coming here," Hall stated. "How? Why?" Ted gasped. "You are the only person I will tell this to, and I'll deny I ever said it because it would make me sound like three levels of crazy. I met a vampire." Hall looked at Ted as if expecting him to disbelieve. "Where? When?" Ted asked. "We were camping on that boulder, and it was late at night when the thing landed there. He specifically wants you. It is really pissed. That damn thing could smell the blood from the sliver of your shirt that I was carrying." He picked up Joe with one hand. Hall exclaimed, "He wants me." Ted asked, "Yeah? He says you killed his mate."

Warnings Leonard Grob, John K. Roth, 2023-07-06. Old friends, one a Jew, the other a Christian. Leonard Lenny Grob and John K. Roth are philosophers who have long studied the Holocaust. That experience makes us anxious about democracy because we are also Americans living in perilous times. The 2020s remind us of the 1930s when Nazis destroyed democracy in Germany. Carnage followed. In the 2020s, Donald Trump and his followers endanger democracy in the United States. With Vladimir Putin's ruthless assault against Ukraine, compounding the difficulties, democracy must not be taken for granted. Americans love democracy except when we don't. That division and conflict mean that democracy will be on the ballot in the 2024 American elections. Probing the prospects, *Warnings: The Holocaust, Ukraine, and Endangered American Democracy* features exchanges between us that underscore the most urgent threats to democracy in the United States and show how to resist them. What's most needed is ethical patriotism that urges us Americans to be our best selves. Our best selves defend liberal democracy; they strive for inclusive pluralism. Our best selves resist decisions and policies like those that led to the Holocaust or genocidal war in Ukraine or conspiracies to overturn fair and free elections in the United States. Our best selves reject antisemitism and racism; they oppose hypocrisy and autocracy. Our best selves hold lying leaders accountable. Our best selves believe that against all odds, democracy can win out if we never give up trying to be our best.

Living Superior, Arizona, from 1930 to 1950 Joaquin Trujillo. This book tells the history of Superior, Arizona, from the years 1930 to 1950. Superior is located in the central part of the state, just inside the southern boundary of the Tonto National Forest. The town was the home of the Magma mine, which was owned by the Magma Copper Company. The Magma mine was an underground or hard rock copper mine. It operated continuously from 1910 to 1982, was one of the most productive mines in US history, and also included a smelter mill and railroad. The book hermeneutically interpretively merges into a single narrative the oral histories of 15 persons who were born between 1923 and 1934 and lived in Superior during all or most of 1930 through 1950. The purpose of combining the contributions into a single story was to yield a thicker, more corroborated history of the town than otherwise would have been possible by presenting them separately. Supplementing the narrative are a 1) historiographical description of the town and mine, 2) sociological analysis of their relationship, the community's solidarity,

and the segregation experienced among Mexican Caucasian Native American and African American residents 3 description of the personal meaning of underground mining and 4 review of methods **The University of Tennessee Register for ...**
