**Katherine** Kerry Christofilea,2023-01-23 Set in 1940 Kalamata Greece 16 years old Sophia against her own free will is coerced by her mother to take up residency at the monastery to undertake her duties as a seamstress It is here Sophia s journey begins Amid her new life at the monastery Sophia meets sister Katherine who appears to be a puller of strength Surreptitiously sister Katherine is devising plans for Sophia s future Unbeknownst to Sophia she is to be betrothed to a man in the very imminent future In essence Sophia s story metaphoises into the journey of her second daughter Katherine named after the aunt her father s sister the nun A world of love unforgiving deceit deep tragedy and ultimately revenge **The Edinburgh Edition of the Collected Letters of Katherine Mansfield: Letters to correspondents A-J** Katherine Mansfield,2020 Organized by recipient this innovative four volume edition allows the reader to explore and share Katherine Mansfield s individual relationships via her letters Well known Mansfield scholars Claire Davison and Gerri Kimber have returned to the author s original letters retranscribing and fully annotating them incorporating recently discovered biographical material as well as previously unpublished letters As the four volumes in the Collected Letters reveal letter writing was an essential part of Mansfield s literary production Letters Between Katherine Mansfield and John Middleton Murray Cherry Hankin,1998-05-01 The correspondence of Katherine Mansfield and John Middleton Murry is a story in its own right as compelling and poignant as any that Mansfield herself invented Here juxtaposed for the first time are 300 letters exchanged between them during their extraordinary eleven year relationship The letters begin in January 1912 a month after their first meeting when both were relative newcomers to the London literary scene the last a letter from Murry was written four days before Katherine died in Fontainebleau in January 1923 The intervening years were ones of both feverish creativity and heartbreaking frustration of intense closeness and unassailable distance of shared idealism and as Katherine s illness took its inexorable hold of mutual recognition that the glittering partnership they d once envisaged would be cut tragically short Whether sparkling or witty reflective or despairing the letters have the immediacy of conversation and the candor of the very finest epistolary writing They illustrate wonderfully the unique personal magnetism which has become part of the Mansfield legend and indicate too that posterity has perhaps judged Murry more harshly than ever she did As Katherine herself wrote I feel no other lovers have walked the earth more joyfully in spite of all *Lessons from Katherine* Glenda W Prins,2013-02-08 What would you do when the beautiful baby you ve adopted turns out to have serious disabilities When the doctors tell you to give her back When you re also struggling to build a business finish school and hold your marriage together *Lessons from Katherine* is a spiritual memoir about loving and parenting our disabled child amidst grief financial difficulty and marital discord It s the struggle of every young marriage and family to hold on to form a family to carve out a place in the world but amplified **Katherine's Jewels** Diane R. Fejes,2011-03-25 **In the Company of Katherine** Abigail Masters,2003-03-16 Katherine Rossi s life was an unceasing array of responsibilities This forty four year

old wife mother and nurse felt that if she spread herself any thinner she would disappear completely Trapped in a loveless marriage to an unsuccessful artist her Christian conscience never allowed her to consider divorce as an option Perhaps she did not consider herself miserable in this existence but the seeds of discontentment were about to sprout On the day that Ian William Thomas a charismatic naturalist literally fell into her life she had no idea how her world would change forever The employment opportunity offered by him although viewed with skepticism at first is accepted by Katherine because of its financial benefits As Katherine and Ian worked with a film crew in Kenya for a month at a time what manifested itself as anger irritability and tension were merely the signs and symptoms of passion denied The choice should have been clear and simple for a good Christian woman but how could Katherine possibly choose between the only man she has ever loved and her immortal soul

[The Mysterious Death of Katherine Parr](#) June Woolerton, 2024-05-30 Raises fresh questions about how Katherine Parr actually died and why she was buried so quickly painting a vivid picture of the last days of a powerful queen What killed Katherine Parr She was the ultimate Tudor survivor the queen who managed to outwit and outlive Henry VIII Yet just over eighteen months after his passing Katherine Parr was dead She had been one of the most powerful people in the country even ruling England for her royal husband yet she had died hundreds of miles from court and been quickly buried in a tiny chapel with few royal trappings Her grave was lost for centuries only for her corpse to be mutilated after it was rediscovered during a tea party The death of Katherine Parr is one of the strangest of any royals and one of the most mysterious The final days of Henry VIII's last queen included a faithless husband and rumours of a royal affair while the weeks after her funeral swirled with whispers of poison and murder The Mysterious Death of Katherine Parr dives into the calamitous and tumultuous events leading up to the last hours of a once powerful queen and the bizarre happenings that followed her passing From the elaborate embalming of her body that left it in a state of perfect preservation for almost three centuries despite a burial just yards from her place of death to the still unexplained disappearance without trace of her baby the many questions surrounding the death of Queen Katherine are examined in a new light This brand new book from royal author and historian June Woolerton brings together for the first time all the known accounts of the strange rediscovery of Katherine's tomb and the even odder decision to leave it open to the elements and graverobbers for decades to ask how did Katherine Parr really die
