stay hidden for long Katie the vibrant rock star must choose between saving her own life and the life of her unborn child Hannah a selfless housewife finds herself abandoned by her friends just when she needs them most and Faye the wealthy executive thinks she's already survived the greatest fight of her life Before the summer ends these women will form a lasting bond in a season when old hurts are finally healed love is rekindled and life begins anew **Read All about Her!** Elizabeth Snapp, Harry Franklin Snapp, 1995 Provides citations to books journal articles manuscripts oral histories dissertations and theses on Texas women's history [The Almost-Perfect Proposal](#) Toni Collins, 2011-07-15 A LONG LOST PROPOSAL My dear I love you and being apart from you has made me realize just how much I really need you I hope you'll be able to promise that I'll be coming home to you Say you'll be my wife All my love always Amy Barrington couldn't believe her hopelessly romantic eyes A fifty year old proposal her mother had never received She just had to get these two long lost lovebirds back together again for the sake of true love Now if only she could convince cynical Brian Reynolds that his dear old dad and her lovely mother belonged together And that nothing could be more romantic than a wedding except a double wedding ceremony of course *Goldens Forever* Todd Berger, 2001 *Do Not Forsake Me* Rosanne Bittner, 2015-07-07 Experience the epic sweeping story of Jake and Miranda Harkner from Bittner's beloved *Outlaw Hearts* called by New York Times bestseller Heather Graham a wonderful absorbing read with characters to capture the heart and the imagination Fate brought them together His past may tear them apart Miranda Hayes' life was changed the day she faced down infamous gunslinger Jake Harkner and walked away with his heart Their fates have been intertwined ever since Hunted by the law fleeing across a savage land their desperate love flourished despite countless sorrows Now twenty six years later their family has finally found some measure of peace balanced on the knife's edge of danger Jake has spent his years as a U S Marshal atoning for sins bringing law to the land he once terrorized But no matter how hard he fights the demons of his brutal past the old darkness still threatens to consume him Only Miranda keeps the shadows at bay But when outlaws looking for revenge strike a fatal blow Jake risks losing the one woman who saw past his hard exterior and to the man inside He always knew there'd be the devil to pay He just never realized he might not be the one to bear the ultimate price [What Do I Read Next?](#), 1994 **MacBethany** Nicholas Grubbs, 2023-06-03 Summer break may be over and a new year may be starting at Arlington City High but simmering tensions between the students are about to reach a boiling point as the annual Student Council elections draw near In the wake of a ruined clandestine relationship a scandal that ruined the former football team captain's life and a suicide that sent shockwaves through the entire student body this new year is shaping up to be even more traumatic than the one before Still reeling over the events of the previous year Bethany Hill wants to see the school turn to ashes In the meantime she will stop at nothing to get her girlfriend Lauren Bradshaw crowned the new school queen Lauren's own reservations about the job be damned Beth will make her President or die trying Head Cheerleader Ashley Williams is out for blood after Beth allegedly stole Lauren her secret ex girlfriend and puts forward her new boyfriend and star

quarterback Spencer Barnett as Lauren's main competition. A true power couple, they stand to run the school unopposed if Spencer decides to take on yet another role as the most popular guy in school, a role he grows to hate more and more with each passing day. And then there's poor Katherine Duvall, a sweet naïve girl that just wants to make the world around her a better place for people outside of the top one percent. How is she supposed to run for office one day if she can barely give a book report in front of the class without wanting to throw up? Unfortunately, Katherine can barely get her foot in the door before the Powers That Be force Tracy Summers, one of the sitting Class Representatives that is very much not apart of the in crowd, to befriend Katherine and sabotage her campaign from the inside in exchange for their friendship and a better spot on the Student Council. Knowing she will never get into Harvard if she doesn't get a stronger application, she begrudgingly accepts. Lies, cheating, and manipulation are the name of the game, and only one person can win. In this first entry of the MACBETHANY series, we will see just how far people will go to help the ones they love, and just how far they will go to help themselves.

Call of the Canyon Nancy Pennick, 2013-09-01 Two Lives Two Worlds Heartbreak awaits. Call of the Canyon, second of the Waiting for Dusk series, continues the dramatic story of Kate Roberts and Drew Kelly. New challenges face the couple when Drew joins Kate in the present. Nothing is easy. Tyson's still their nemesis, causing trouble whenever he can. Carl, Kate's friend and neighbor, moves back home to Ohio and creates unexpected problems at the canyon. A wedding, a tragic accident, and a family broken by scandal affect both the past and present. And in the end, Kate may pay the ultimate price.

Duplicate Daughter Alice Sharpe, 2011-12-15 MISSION ALASKA Katie Fields came to Alaska demanding answers. What she found was a much too appealing single father determined to protect his little girl and their hermit lifestyle from outsiders. Nick Pierce may have been reluctant to help her, but Katie was convinced the rugged pilot could track down her missing mother. Now, with a storm raging and Katie's long lost twin recovering back home, she and Nick had no choice but to journey through the icy wilderness, avoiding an unknown enemy, tracking their every move, and an all too dangerous desire threatening to erupt.

Dying to be English Kelly McGuire, 2015-10-06 This study examines the presentation of suicide within the genre of the eighteenth century novel. Referencing several key writers of the period, McGuire demonstrates that their work inscribes a nationalist imperative to frame suicide as self sacrifice.
