## **Kato Shidzue A Japanese Feminist:**

*Kato Shidzue* Helen M. Hopper, 2004 Kat Shidzue one of the first Japanese women activists represents the successes and failures of Japan's activist women in the postwar period and the relationship of these women to the United States Europe and to international engagement The titles in the new Library of World Biography series make ideal supplements for World History survey courses or other courses in the history curriculum where figures in history are explored Paperback brief and inexpensive each interpretative biography in this series focuses on a figure whose actions and ideas significantly influenced the course of World history and relates the life of its subject to the broader themes and developments of the times A New Woman of Japan Helen M. Hopper, 2019-03-13 This perceptive detailed biography traces the life of Kat Shidzue one of Japan's most powerful female activists and politicians Kat's activism initially was sparked by her friendship with Margaret Sanger who inspired Kat to found a Japanese birth control movement in the 1920s **The SAGE Handbook of Modern Japanese Studies** James D Babb, 2014-12-15 A welcome addition to any reading list for those interested in contemporary Japanese society Roger Goodman Nissan Professor of Modern Japanese Society University of Oxford I know no better book for an accessible and up to date introduction to this complex subject than The SAGE Handbook of Modern Japan Studies Hiroko Takeda Associate Professor Organization for Global Japanese Studies University of Tokyo Pioneering and nuanced in analysis yet highly accessible and engaging in style Yoshio Sugimoto Emeritus Professor La Trobe University The SAGE Handbook of Modern Japanese Studies includes outstanding contributions from a diverse group of leading academics from across the globe This volume is designed to serve as a major interdisciplinary reference work and a seminal text both rigorous and accessible to assist students and scholars in understanding one of the major nations of the world James D Babb is a Senior Lecturer in the School of Geography Politics and Sociology at Newcastle University **Japanese Women and the Transnational Feminist Movement Before World War II** Taeko Shibahara, 2014-04-04 This book traces the development of feminist consciousness in Japan from 1871 to 1941 Taeko Shibahara uncovers some fascinating histories as she examines how middle class women navigated between domestic and international influences to form ideologies and strategies for reform They negotiated a humanitarian space as Japan expanded its nationalist militarist imperialist and patriarchal power Focusing on these women's political awakening and activism Shibahara shows how Japanese feminists channeled and adapted ideas selected from international movements and from interactions with mainly American social activists Japanese Women and the Transnational Feminist Movement before World War II also connects the development of international contacts with the particular contributions of Ichikawa Fusae to the suffrage movement Ishimoto Shidzue to the birth control movement and Gauntlett Tsune to the peace movement by touching on issues of poverty prostitution and temperance The result provides a window through which to view the Japanese women's rights movement with a broader perspective The Oxford Encyclopedia of Women in World History Bonnie G. Smith, 2008 The Encyclopedia of Women in World History

captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated women's daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune women and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike

**Knowledge, Power, and Women's Reproductive Health in Japan, 1690-1945** Yuki Terazawa, 2018-04-13 This book analyzes how women's bodies became a subject and object of modern bio power by examining the history of women's reproductive health in Japan between the seventeenth century and the mid twentieth century Yuki Terazawa combines Foucauldian theory and feminist ideas with in depth historical research She argues that central to the rise of bio power and the colonization of people by this power was modern scientific taxonomies that classify people into categories of gender race nationality class age disability and disease While discussions of the roles played by the modern state are of critical importance to this project significant attention is also paid to the increasing influences of male obstetricians and the parts that trained midwives and public health nurses played in the dissemination of modern power after the 1868 Meiji Restoration

Patricia Ward D'Itri, 1999 D'Itri American thought and language Michigan State U discusses the individuals organizations and events that contributed to the development of the world movement for women's rights between 1848 the date of the first Women's Rights Convention in the United States and 1948 by which time the movement was substantial enough to influence the United Nations Declaration of Human Rights This study traces the movement from its origins in the United States through its subsequent international development Annotation copyrighted by Book News Inc Portland OR *The Most Important People of the 20th Century (Part-I): Leaders & Revolutionaries* Pradeep Thakur, **A Woman Making History** Mary Ritter Beard, 1991-01-01 Historian social reformer and women's suffrage campaigner Mary Ritter Beard 1876 1958 was

one of the most prominent intellectuals of her day Co author with her husband Charles Beard of *The Rise of American Civilization* and other works in US history she also founded the modern field of women s history This collection of her letters offers in effect an intellectual biography which is considered to be better documented and more vivid than any previous book about her      **Democratizing Japan** Robert E. Ward,Yoshikazu Sakamoto,2019-03-31 The value of this book resides in the interweaving of Japanese and American scholarship and viewpoints on a number of aspects of the total Occupation experience that are of critical importance to a historical explanation of its accomplishments or shortfalls Attention is given to the new constitution of 1946 1947 the most fundamental institutional change wrought by the Occupation s major programs of institutional and procedural reform and the formation and early development of the conservative and reformist parties

Society and the State in Interwar Japan Elise K. Tipton,2002-09-11 The social history of Japan between the First and Second World Wars is a neglected area of study The contributors to this volume consider factors such as nationalism class gender and race They also explore the ideas and activities of a number of new social and political groups such as the urban white collar class including middle class working women socialists industrial workers and emigrants The book questions the myth of Japanese homogeneity and gives an emphasis to the diversity cross currents and socio political tensions that characterised the 1920s and 1930s      Lost Leaves Rebecca L. Copeland,2000-06-01 Most Japanese literary historians have suggested that the Meiji Period 1868 1912 was devoid of women writers but for the brilliant exception of Higuchi Ichiyo 1872 1896 Rebecca Copeland challenges this claim by examining in detail the lives and literary careers of three of Ichiyo s peers each representative of the diversity and ingenuity of the period Miyake Kaho 1868 1944 Wakamatsu Shizuko 1864 1896 and Shimizu Shikin 1868 1933 In a carefully researched introduction Copeland establishes the context for the development of female literary expression She follows this with chapters on each of the women under consideration Miyake Kaho often regarded as the first woman writer of modern Japan offers readers a vision of the female vitality that is often overlooked when discussing the Meiji era Wakamatsu Shizuko the most prominent female translator of her time had a direct impact on the development of a modern written language for Japanese prose fiction Shimizu Shikin reminds readers of the struggle women endured in their efforts to balance their creative interests with their social roles Interspersed throughout are excerpts from works under discussion most never before translated offering an invaluable window into this forgotten world of women s writing      *Takamure Itsue, Japanese Antiquity, and Matricultural Paradigms that Address the Crisis of Modernity* Yasuko Sato,2023-06-30 This book explores Takamure Itsue s 1894 1964 intellectual odyssey as Japan s most notable pioneer in the study of women s history When she embarked on a series of scholarly projects that investigated marriage patterns and kinship systems in ancient Japan it was a response to crisis ridden modernity Relentless in her quest to dismantle patriarchy this woman from the Land of Fire a nickname for her birthplace Kumamoto Prefecture locked herself away in 1931 and spent the rest of her life conducting research on female friendly societies with matrilineal arrangements under kinship based

communal systems While dissecting the patriarchal norms undergirding the capitalist nation state she embraced matricultural paradigms that embodied life sustaining and life enhancing values through communal childrearing and matrilineal inheritance Takamure a visionary thinker asked big picture questions and addressed multifarious issues of contemporary relevance including beauty standards human trafficking gross disparities in wealth war and imperialism science and religion and humanity's relationship with nature
