Opportunity ,1930 Love Ain't Pain Free Monique Stubbs-Hall,2007-02-13 The ideal fairy tale life seems to be what we all strive for and yet the reality of the matter is we seem to be misinformed of the fact that Love Ain t Pain Free How would we ever grow and build character if we were never tested with life s perils How would we ever know that we were built with the strength to get back up on the horse of life after we had been thrown off by turmoil How would we know that we had an in born determination to rebuild our Castle walls after they had crumbled from life s woes Would we have an opportunity to recognize true love if we had never felt the pain of false love The most intriguing part of love is the reality that from the pains of love come strength and determination and yes the chance to ride off into the sunset for real **Musings of an Immigrant Seeker** Gerald Knoll,2003-09 **The Opportunity Reader** Dr. Sondra Kathryn Wilson,1999-06-29 Modern Library Harlem Renaissance In 1923 the Urban League s Opportunity magazine made its first appearance Spearheaded by the noted sociologist Charles S Johnson it became along with the N A A C P s Crisis magazine one of the vehicles that drove the art and literature of the Harlem Renaissance As a way of attracting writers such as Langston Hughes and Zora Neale Hurston Johnson conducted literary contests that were largely funded by Casper Holstein the infamous Harlem numbers gangster who contributed several essays in addition to money Dorothy West Nella Larsen and Arthur Schomburg were among Opportunity s contributors Many of the pieces included in The Opportunity Reader have not been seen since their publication in the magazine whose motto was Not alms but opportunity The fertile artistic period now known as the Harlem Renaissance 1920 1930 gave birth to many of the world renowned masters of black literature and is the model for today s renaissance of black writers **40 Hits, 40 Stories** Rick Simmons,2022-11-08 Innovative sounds in pop rock and soul in the 1960s and 1970s meant that music appealed to more people than ever before While some songs appealed to a broad audience some targeted a much narrower demographic meaning songs on the pop charts might not do as well on the adult contemporary or soul charts or vice versa This book examines forty songs featured on song charts of the 1960s and 1970s Charts considered are Billboard Pop Billboard Soul Adult Contemporary Cashbox and British Charts Each listing includes discussion of the factors that contributed to the songs popularity Author interviews with songwriters musicians and artists such as KC of KC and the Sunshine Band Mark Farner of Grand Funk Jerry Butler Ron Dante of the Archies and the Cuff Links Freda Payne Lou Christie Tommy Roe The Spinners and others tell the stories behind some of the era s most popular songs *They Didn't Put That on the Huntley-Brinkley!* Hunter James,2008-09-01 Far from the storm centers of the American civil rights movement off camera and outside most reporters beats countless nameless individuals reached their own accords with the era s massive changes Unsure what was expected of them or even who expected it blacks and whites taught themselves how to live and work in a new world often not of their own making Drawing on the author s long career as a southern journalist this series of closely related sketches stories and essays recounts what James calls the hidden story of

the civil rights movement Set mainly in Georgia North Carolina and Alabama from the late 1950s to the early 1970s these pieces tell of the individuals and localities whose identities are lost in the widely accepted history of the movement James also depicts many of the era's well known figures revealing private sides known to very few outside political and journalistic circles In his profiles of famous public figures from Barry Goldwater and Lady Bird Johnson to Jimmy Carter and Jesse Jackson James offers a challenging mix of comments and criticisms related to ethics ambition and public spirit In these pieces he also imparts the ambience of the hard drinking hard talking relationship between journalists and public figures that has since evaporated into the cynicism of press packets photo opportunities and exposés From his chronicle of a decade long battle for the political control of one rural Alabama county to his vignette on a White Mothers of America protest James provides new perspectives on the people and places confrontations and compromises that have shaped the New South
