Dempster, Todd R. Berger,2002 The lighthouses of the Great Lakes for so long guiding ships to safety across the rough waters still stand as beacons to adventurous travelers Rich with vintage and contemporary photographs picturing the

lighthouses inside and out by day and by night the book takes you into the fascinating history of the structures at Split Rock Sandusky Big Sable Point Old Mackinac Point Light and Marblehead Light to name a few Berger s stories about keepers and their families horrific storms and even encounters with ghosts bring to vivid life the lost world of these historic lighthouses A thoroughly engaging tour page by page the book also makes travel to these destinations easy as well as edifying with maps directions and a comprehensive appendix listing all the current lighthouses *Luther League Review* ,1907
