Hopwood,2019-09-17 Christmas is the most wonderful time of the year or at least we want it to be Too often our celebration of Jesus birthday is overwhelmed by bright lights and tinsel overspending and overeating plus constant chatter about a war on Christmas Can t we do better than this There are two Christmases One is sacred One is secular The two have clashed in one culture war or another for 1 700 years Christmas is not as some falsely claim a pagan holiday but pagan influenced traditions are part of the seasonal clutter Keeping Christmas is about helping you find joy in a season of excess and strife Part survival guide part history part cultural commentary and all laced with spiritual reflection this book is about how you can celebrate in ways that are most meaningful to you and your family It s not easy to thread your way through the Christmas maze But if Ebenezer Scrooge could learn to keep Christmas well so can you Maybe it s time to reinvent Christmas Maybe we can get it right this time      *Keeping Christmas* Goldwin Smith,1888      *A Discourse concerning the lawfulness and right manner of keeping Christmas, and other Christian Holy-days, by way of question and answer.
