Designed by himself for the press, as appears by the marginal notes, except the eighth sermon, which was the last that he preached, was taken exactly in short-hand, and published by his son-in-law, after they were perused by Mr. Greenhill. [With a portrait.] William Bridge,1673 The Works of the Rev. William Bridge, M.A. William Bridge, 1845 Companionship and Virtue in Classical Sufism Jason Welle, 2024-06-27 Al Sulami d 412 1021 was an influential classical Sufi master whose works espoused companionship as a way for believers to experience God s guidance and cultivate religious virtues This book provides a historical reconstruction of Sufi companionship in Khurasan in the period arguing that al Sulami's concept of suhba companionship envisioned the transformation of society as whole not just the master disciple relationship Bringing debates in contemporary virtue ethics to bear on al Sulami s spiritual method the book offers an original analysis of the latter s thought that will be of interest to scholars of early Islam and classical Sufism as well as moral theologians interested in virtue ethics character and friendship It is the same light Daljit Singh Jawa, 2014-02-07 Sri Guru Granth Sahib is generally known as the holy scripture of Sikhism the world's fifth largest religion But this holy scripture is neither a storybook nor just the philosophy of the Sikh saints or prophets It is more like a collection of divine revelations and hymns expressing the feelings of love and devotion of the Sikh Gurus for the Supreme Being along with the similar yearnings and longings of the devotees and saints from all faiths prevalent in Indian subcontinent during those times The beauty of this 1430 page hymnal written in 22 different languages lies in the fact that while it spiritually connects the human mind to the original source of eternal bliss it provides a very practical and effective way to live in love and harmony with other fellow human beings irrespective of their faith color caste creed or race The following are a few examples of the views of eminent writers and scholars regarding Sri Guru Granth Sahib Mankind s religious future may be obscure yet one thing can be foreseen The living higher religions are going to influence each other more than ever before in the days of increasing communications between all parts of the world and branches of the human race In this coming religious debate the Sikh religion and its scriptures the Sri Guru Granth Sahib will have something of special value to say to the rest of the

world Arnold Toynbee Historian I have studied the scripture of great religions but I do not find elsewhere the same power of appeal to the heart and mind as I find here in these volumes of Sri Guru Granth Sahib There is something strangely modern about these scriptures They speak to the people of any religion or of none They speak for the human heart and the searching mind Mrs Pearl S Buck Nobel Laureate In Volume two of the It Is The Same Light series SGGS pages 201 400 author Daljit Singh Jawa continues his humble effort to share the beauty of the SGGS with those who have limited familiarity with the language Gurumukhi history or context The following are some of the comments received on the volume 1 pages 1 200 of SGGS This translation of Guru Granth Sahib is one of the best English translations in my view as it is in simple understandable English each shabad s summary message is given there is connection between the shabads to reveal continuity of thought process in Guru ji's message Thanks to S Daljit Singh ji for the great work which will benefit future generations understand Guru Ji s message easily Amarjit Singh M D University at Buffalo Buffalo NY A monumental undertaking reflecting a lifetime of devotion to the Sri Guru Granth Sahib and to the scholarly study of its voluminous texts Both its rendition of the original Gurmukhi script with accompanying English transliteration and its erudite commentary on each of the Granth's many hymns mark this work as a stunning achievement which will benefit all serious students of the Sikh religion and of world religions in general Barry Crawford Ph D Washburn Univesity Topeka Kansas The Christian in Compleat Armour ...
