Full Directions for the Construction and Use of the "Artificial Mother", &c. Pt. IV. Designs for ... Fowl-houses.). Kinard Baghot De La Bere (formerly Edwards.),1871 Bulletin of the Atomic Scientists ,1976-06 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world **Electrical Times ...** ,1919 *Electrical West* ,1911 **Repowering Communities** Prashant Vaze,Stephen Tindale,2014-01-14 Energy policy is at a crossroads Attempts to meet targets for carbon emissions energy security and affordable energy for vulnerable households are all on a trajectory to failure Aggressive ambitions to roll out huge off shore wind nuclear and clean coal plants are proposed but without any clear plans on how funds will be mobilized or transmission and distribution infrastructure developed In this book Prashant Vaze and Stephen Tindale ask politicians and regulators to consider a different path Using abundant examples of small scale local solutions Repowering Communities examines how cities communities and local authorities from across Europe and North America have driven reductions in energy use and rolled out small scale community level solutions Among the issues examined are the drivers behind behavioural change the methods used to secure necessary investment and what government and civil society can do to foster such action on a wide scale Based on extensive first hand research and drawing on the latest global energy data the authors provide essential information and inspiration for readers who wish to drive the policies that encourage community level energy development **Prairie Farmer** ,1866 *British Farmer's Magazine* ,1851 *The Cultivator & Country Gentleman* ,1866 *Creating Healthy and Sustainable Buildings* Mateja Dovjak,Andreja Kupec,2019-05-28 The open access book discusses human health and wellbeing within the context of built environments It provides a comprehensive overview of relevant sources of literature and user complaints that clearly demonstrate the consequences of lack of attention to health in current building design and planning Current designing of energy efficient buildings is mainly focused on looking at energy problems and not on addressing health Therefore even green buildings that place environmental aspects above health issues can be uncomfortable and unhealthy and can lead to public health problems The authors identify many health risk factors and their parameters and the interactions among risk factors and building

design elements They point to the need for public health specialists engineers and planners to come together and review built environments for human wellbeing and environmental sustainability The authors therefore present a tool for holistic decision making processes leading to short and long term benefits for people and their environment **The Farmer's Magazine** ,1863 [Higher Education Legislation, 1975](#) United States.
