## **Kenneth Grahame Twaynes English Authors Series:**

*Twayne's English Authors Series*, 1971      Mikael Schou,      Kenneth Grahame Lois R. Kuznets, 1987      Kenneth Grahame's The Wind in the Willows Jackie C. Horne, Donna R. White, 2009-11-25 In 1908 Kenneth Grahame's *The Wind in the Willows* was published to surprisingly little critical fanfare But readers championed its cause and Grahame's novel of a riverbank life soon proved both a commercial and ultimately critical success One hundred years after its first publication Grahame's book and its memorable characters continue their hold on the public imagination and have taken their place in the canon of children's literature However little academic criticism emerged in the wake of the book's initial publication Only after the appearance of Peter Green's biocritical study did the academy begin to wrestle with Grahame's complex work though many read it in terms of Grahame's often unhappy personal life The essays in *Kenneth Grahame's The Wind in the Willows A Children's Classic at 100* focus on recent discussions of the book in regards to class gender and nationality but also examine issues previously not addressed by Grahame criticism such as the construction of heteronormative masculinity the appeal of this very English novel to Chinese readers and the meaning of a text in which animals can be human like pets servants and even food This volume also revisits some of the issues that have engaged critics from the start including the book's dual strand narrative structure the function of home and the psychological connections between Toad and Grahame Scholars of fantasy and children's literature will find great value in this collection that sheds new light on this enduring classic      **Inventing the Child** John Zornado, 2013-10-18 Now in paperback *Inventing the Child* is a highly entertaining humorous and at times acerbic account of what it means to be a child and a parent in America at the dawn of the new millennium J Zornado explores the history and development of the concept of childhood starting with the works of Calvin Freud and Rousseau and culminating with the modern consumer childhood of Dr Spock and television The volume discusses major media depictions of childhood and examines the ways in which parents use different forms of media to swaddle educate and entertain their children Zornado argues that the stories we tell our children contain the ideologies of the dominant culture which more often than not promote happiness at all costs materialism as the way to happiness and above all obedience to the dominant order      *Inventing the Child* Joseph L. Zornado, 2021-11-18 This book traces the historical roots of Western culture's stories of childhood in which the child is subjugated to the adult Going back 400 years it looks again at Hamlet fairy tales of the Brothers Grimm and Walt Disney cartoons *Inventing the Child* is a highly entertaining humorous and at times acerbic account of what it means to be a child and a parent in America at the dawn of the new millennium John Zornado explores the history and development of the concept of childhood starting with the works of Calvin Freud and Rousseau and culminating with the modern consumer childhood of Dr Spock and television The volume discusses major media depictions of childhood and examines the ways in which parents use different forms of media to swaddle educate and entertain their children Zornado argues that the stories we tell our children contain the ideologies of the

dominant culture which more often than not promote happiness at all costs materialism as the way to happiness and above all obedience to the dominant order      Home Sweat Home Elizabeth Patton,Mimi Choi,2014-01-23 Coeditors Elizabeth Patton and Mimi Choi argue that an in depth examination of media images of housework from the mid nineteenth century to the early twenty first century is long overdue Modern depictions often imply that certain concerns can be resolved through excessive domesticity reflecting some of the complicated and unfinished issues of second wave feminism Home Sweat Home Perspectives on Housework and Modern Relationships reveals how widespread the cultural image of perfect housewives and the invisibility of household labor were in the past and remain today In this collection of essays contributors explore the construction of women as homemakers and the erasure of household labor from the middle class home in popular representations of housework They concentrate on such matters as the impact of second wave feminism on families and gender relations of popular culture especially in film television magazines and advertising on our views of what constitutes home life and gender relations and of changing views of sexuality and masculinity within the domestic sphere Home Sweat Home will interest students and scholars of gender cultural media and communication studies sociology and American history and appeal to anyone curious about housework gender relations and popular culture      Writers for Children Jane Bingham,1988 A reference work on important writers from the seventeenth century to the first part of the twentieth century including 84 original critical essays on writers ranging from Charles Perrault to Laura Ingalls Wilder      *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1971      The Lion and the Unicorn ,1995 A critical journal of children s literature      **Twayne's United States Authors Series** ,1970      **Studies in the Literary Imagination** ,1985      **American Book Publishing Record** ,1987      **Children's Literature** Kay E. Vandergrift,1990 Useful for practitioners as well as in the classroom this text treats literary theory research and the actual teaching of children s literature as one unit using course syllabi as practical illustration Ideal for staff in service programs

**Children's Literature** Francelia Butler,1993-05-26 This is the 21st annual publication of the Modern Language Association Division on Children s Literature and the Children s Literature Association      **British Literary Bibliography, 1980-1989** Trevor Howard Howard-Hill,1999      **Index to British Literary Bibliography: 1980-1989** T.
