Scott Bestul, 2017-10-16 Kenny Salwey is a modern day American hermit who has lived most of his life in the Mississippi river bottoms coming to know the river ecosystem with an intimacy unavailable to most Now Kenny shares his love of and knowledge about the mighty river The Last River Rat is a seasonal look at Kenny s unique life Light at the Rat Pond Richard Newberry, 2014-12-06 Can the Icks friendship survive the unique new boy from Arkansas How does Kate Hobbs tell her son she s responsible for his father s murder Will the watching evil destroy the Icks and Kate Find out in this prize winning new Christian novel **Papa Rats** Donnie McIlhone, 2023-03-21 Following the tragic death of her beloved in an automobile crash in Paris in which she also nearly died an unnamed member of the British royalty referred to only as Mum gives birth to a beautiful baby girl To keep mother and daughter safe and out of the public eye her wealthy in laws take her to Switzerland and then to Egypt their homeland to convalesce Upon their arrival in Alexandria however the little girl her grandmother and their chauffeur are kidnapped by a group that calls themselves the Papa Rats Rather than a ransom they demand the opportunity to take photos with mother and daughter which they plan to sell for a fortune As it turns out however not only have the Papa Rats underestimated their victims they have also overestimated their own abilities as kidnappers Their plot quickly unravels in ways that neither they nor the target family expect leading to an often humorous comedy of errors that spans much of North Africa the Middle East and Canada s Maritimes region *Corporate Blue* Daniel Myers, 2007-08-06 Tom Hardy thought he would be able to take life a little easier in his new job in New Zealand as an air traffic controller at Milton Gorge Airport but that was before he met his loony work colleagues before the airport company became embroiled in a seedy and highly unethical takeover by a greedy American corporate and before the sudden and suspicious death of his boss *Corporate Blue* is a black farce that exposes the underbelly of corruption a hilarious drama of what one man will do to find love in the face of absurd odds **Kaufman's Hill** John C. Hampsey, 2015-01-07 Kaufman s Hill opens with a prosaic neighborhood scene The author and some other young boys are playing by the creek one of their usual stomping grounds But it soon becomes clear that much more is going on the boy narrator is struggling to find his way in a

middle class Catholic neighborhood dominated by the Creely bullies who often terrify him It s the Pittsburgh of the early and mid 1960s a threshold time just before the full counter culture arrives and a time when suburban society begins to encroach on Kaufman s Hill the boy s sanctuary and the setting of many of his adventures As the hill and the 1950s vanish into the twilight so does the world of the narrator s boyhood My pappy says if you re going to be afraid of everything you may as well live in the sewer are the words that first open the narrator s eyes And once he befriends the enigmatic erratic but charismatic Taddy Keegan he becomes bolder and no longer lives in abject fear of the Creelys The narrator s relationship with Taddy proves to be unconventional though Taddy caught in his own imaginary universe is often unaware of companions around him and lives life as if he is a performer The narrator s world is a mix of exhilarating freedom because of absent parents teachers and priests and imminent dangers This is what an American childhood used to be like one reviewer claims before it was organized out of existence an anarchic voyage into the unknown realms of human possibility At home the narrator s life is problematic He observes his taciturn father as he copes with manic behaviors and cyclically repeating problems while his mother struggles to better the life not just of her young son but that of her African American cleaning woman in a time of racial animosity and racially related urban violence As the narrator matures his self concept shifts within a widening world that includes disconcerting sexual experiences with public school girls and his struggle to frame himself within the realm of the Catholic Church He finds flaws with all but one religious figure an aunt who is a sublime and mystical presence in his life When he begins high school the narrator at a dramatic moment leaves boyhood behind which might include leaving Taddy Keegan behind as well

Ratcatcher Annette Kuhn,2020-05-14 Lynne Ramsay s bleak yet beautifully photographed debut unflinchingly portrays life on a Glasgow housing estate during the 1973 refuse collectors strike as seen through the eyes of 12 year old James Gillespie William Eadie After James s friend falls into a canal and drowns James becomes increasingly withdrawn As bags of

rubbish pile up and rats move in James finds solace in his friendships with Kenny an odd boy who loves animals and Margaret Anne a teenage misfit Annette Kuhn's study of the film the first to offer an overarching account of Ramsay's work considers the director's background and *Ratcatcher* alongside her earlier films Kuhn traces the film's production history in the context of Scottish media and literary cultures and its cinematic influences while acknowledging the distinctiveness of Ramsay's poetic visionary style Kuhn draws on interviews with Ramsay and others involved in the film's production and combines this with a close reading of selected passages to provide an in depth and illuminating analysis of the film's poetic style and its aesthetics including an examination of its construction of a child's world through a highly distinctive organisation of cinematic space

Cupid Stunts: The Life & Radio Times Of Kenny Everett David Stafford, Caroline Stafford, 2013-05-29 On paper Kenny Everett's qualifications did not look promising with little in the way of education physique or social skills What he had was a gift for funny voices an oblique imagination and a way with a tape recorder Yet the British radio revolution in the 60s and 70s needed these exact qualities Ever a corporate player Kenny was frequently fired but still went on to reinvent television Meanwhile outside the studios the challenge to get a life brought moments of ecstasy frequent bother and at least one suicide attempt And at the exact moment when tabloid frenzy about the AIDS epidemic reached its peak he came out This new biography based on intricate documentary research as well as interviews with colleagues friends and enemies including Alexei Sayle Barry Cryer David Mallet and Whispering Bob Harris not only gets under the skin of the man but also gives a taste of the times *Cupid Stunts* covers the novelty and excitement of hearing all pop radio for the first time the terror and bluster of the high ups the brilliant blossoming of gay culture throughout the 70s and 80s and the tragedy and vile hypocrisy that surrounded the AIDS epidemic

Kenny Hall's Music Book: Old Time Music - Fiddle & Mandolin Kenny Hall, Vykki Mende Gray, 2011-03-04 Since the 1960s there has been an extraordinary revival of old time string band music in California and indeed throughout the American West Despite being born blind Kenny Hall has been a mainstay of many fiddle festivals and of the Western fiddle and string band revival in

general Kenny's musical style is passionate and energetic. This book is a helpful guide to his vast repertoire learned through years of careful listening. It is also a wonderful addition to the fiddler's bookshelf and a fitting tribute to a man who for many an aspiring fiddler has been a friend, guide, exemplar, and patron. Many of the tunes include nonsense lyrics that Kenny used to help him remember the melody, and each tune is accompanied by Kenny's comments. The book is divided into five chapters: fiddle-based tunes, Fiddle Faddle, mandolin-based tunes, Rags, Tags, and Wags, Waltzes, tunes from an origin other than the United States or the British Isles, Kenny's Rambles, and vocal-based pieces including lyrics, Songs, Ballads, Ditties. Some of the transcriptions are written primarily for fiddle or mandolin, but most tunes can be performed on either instrument. This deluxe guide to Kenny Hall's vast repertoire offers fans of old-time music a great way to get to know Kenny and his music. **Kenny**
 Leona Dalrymple, 1917 *Ailana* Brandon Lars Erikson, 2012-01-17 A planet on the verge of destruction, Ailanian CIA Director Moke Kalapana is a man at a desperate crossroads. His home planet is a colony of Earth which has become a prison for the poor and a paradise for the rich, and Moke has seen first-hand how the natives are becoming restless for change. After his Agents stumble onto a local terrorist organization, Moke learns how his greatest enemy, James Van Dien, the enigmatic leader of a galactic secret society with the power to bring about any planet's armageddon, is enacting a top-secret plan which has the potential to lay waste to his home world. However, Moke has even bigger issues at stake. The very government he answers to, maybe cooperating with this enemy who he has vowed to defeat, and has ordered him to eradicate Ailana's narcotics cartels at the expense of his personal beliefs. Knowing full well that doing his government's actions might only aid Van Dien in his quest, Moke's dangerous situation then escalates after he finds out he is being forced to share his command with a former friend from Earth, the infamous Captain Ronald James Harris, a mysterious man with which he shares a dark secret. After being backed into his final corner, Moke finds himself forced to fight those who he was supposed to follow by turning his back on those who care for him most, and placing his trust in a gang of renegade cyborgs and unscrupulous people who the law considers terrorists and villains, so he might finally protect the innocent people of Ailana from the greatest evil they have ever encountered. Whistle Stop Maritta Wolff, 2008-12-09 The Veech family are trouble-prone. A large and poverty-stricken tribe, they live in a small Michigan town on the outskirts of the city. With six children and three adults crowded into an old and ill-kept house, they bicker and brawl within walls that are quite literally sagging. Big, handsome, graceless, a drunkard, and a wastrel who has never worked, Kenny Veech nevertheless possesses some kind of arrogant charm that makes him irresistible to women. After fawning on him, yearning for him, and paying for his drinks, woman after woman is cast out with a cold brutality. For no woman will ever take the place in his heart occupied by his cool, poised, and beautiful sister, Mary. Although living quite openly with a wealthy semi-gangster who helps support the Veech family, Mary reciprocates Kenny's unnatural affection for her. Their twisted, thwarted love provides titillating morsels of scandal for the neighbourhood through the course of a hot and breathless summer. Things reach a head after Mary and her gangster boyfriend get married.
