Hahner,2004 For more than a century Kennywood has been the Pittsburgh area s playground Founded in 1898 at the terminus of the Monongahela Street Railway trolley line the park quickly grew into a favorite summertime destination Kennywood is unique in that it is one of the country s few successful trolley parks In 1987 Kennywood was designated a National Historic Landmark and is known today as America s Finest Traditional Amusement Park Many unique rides and attractions have distinguished Kennywood over the years Some old favorites such as the Rockets Laff in the Dark Ghost Ship and Skooters are long gone Others such as the Old Mill Noah s Ark Auto Race Turtle Whip and Grand Carousel still entertain guests today Kennywood is perhaps best known for its impressive collection of roller coasters from earlier coasters such as the Figure Eight Speed O Plane and Pippin to the Racer Jack Rabbit Thunderbolt and Phantom s Revenge coasters that still thrill riders today      *Roller Coasters* Todd H. Throgmorton,Samantha K. Throgmorton,2016-04-30 In its fourth edition this exhaustive guide to roller coasters in the United States and Canada also provides a history of coaster evolution from the 16th century and a look into the future of coaster technology and design The book lists by state or province more than 700 coasters at more than 160 amusement and theme parks Each entry includes contact information along with summaries of each coaster s origins features and history There are six appendices famous coaster designers the longest wood and steel coasters in North America a coaster census by state or province a chronology of wooden roller coasters still in operation interesting amusement park and coaster facts and a guide to the alpine coasters at winter resorts in the U S and Canada      **The American Amusement Park** Dale Samuelson,Wendy Yegoiants,2001 A photographic retrospective covers more than 100 years of images from the history of the American amusement park      Recreation in the United States James H. Charleton,1986      *The Fourteen Lives of Matt Perry* Matthew Perry,2009-01-05 Who can say how words in this book will be received Will readers respond to a message about immigration and resilience I know my own reaction I came to the conclusion that nobody would buy in That was a switch because I had believed people would eat up my every word As I wrote a change came over me I began to believe that my words would also change others Even Warren Buffett the modern King Midas I began to see that my book was not just about emigration and resilience but also about repentance and redemption I accepted the notion that this was my Pactolus the river which had lifted the burden of greed and threat from Midas whose food and drink and daughter turned into gold at his touch Suddenly Midas was free to live like a person who could touch his food drink and family members without bad results He was freed from his addiction to wealth My 77 year span unfolded before my eyes I recorded all traumas in detail a million words hundreds of pages Slowly I began to understand that I was having a conversion experience I went from admiration and love of pennies nickels dimes riches wealth an addicted state of mind to the realization that I had a condition which I call Buffett mania As Buffett s biographer Schroeder wrote this year Buffett did not control money Rather money

controlled Warren Buffett In Omaha Buffett stole his sister s bicycle because he wanted a trade in as he bought a bicycle for himself He shop lifted golf balls at Sears in Washington so he could sell balls himself During my careers as chemical engineer and stock market analyst I observed Buffett mania in my engineering and business associates but overlooked my addiction I still have traces of this mental illness Now I have decided to be a man to confront Warren Buffett with my book Buffett s biographer describes his mania in a new biography The Snowball American preoccupation with economics played a part in Warren Buffett s so called success and so called wealth There is an antidote to the poison of addiction to greed and that is this book My Fourteen Lives My resilience which saved my life 13 times is nothing less than a gift from God who will also save Warren Buffett from his greed It s not just about my life and that of Warren Buffett because 500 000 other lives hang in the balance Addiction to greed has targeted many victims for a hellish life and death Time for repentance and redemption Time to give away your money Mr Buffett In your own lifetime Do it yourself As Carnegie did As Rockefeller did As Morgan did Time for everybody on Wall Street to refuse the end of year bonus Buy books instead Buy The Snowball Warren Buffett and the business of life 35 for 960 pages Buy My Fourteen Lives the many lives of Matthew Valentin Perry Give them as presents Read them yourself You never know

**Crucible of Freedom** Eric Leif Davin, 2012-07-10 This book explores the relation between democracy and industrialization in United States history Over the course of the 1930s the political center almost disappeared as the Democratic New Deal became the litmus test of class with blue collar workers providing its bedrock of support while white collar workers and those in the upper income levels opposed it By 1948 the class cleavage in American politics was as pronounced as in many of the Western European countries such as France Italy Germany or Britain with which we usually associate class politics Working people created a new America in the 1930s and 1940s which was a fundamental departure from the feudalistic and hierarchical America that existed before They won the political rights of American citizenship which had been previously denied them They democratized labor capital relations and gained more economic security than they had ever known They obtained more economic opportunity for them and their children than they had ever known and they created a respect for ethnic workers which had not previously existed In the process class politics re defined the political agenda of America as for the first time in American history the political universe polarized along class lines Eric Leif Davin explores the meaning of the New Deal political mobilization by ordinary people by examining the changes it brought to the local county and state levels in Pittsburgh Allegheny County and Pennsylvania as a whole
