**Daniel M. Herskowitz, Elad
Lapidot, Christian Wiese**

Kentucky Judaic Studies Series:

Kentucky Israel Jacob Schwartz, 1990 Written originally in Yiddish in America and about America this book is authentic American ethnic literature different from Jewish American literature created by Americans who happen to be Jewish It presents a rich picture of a particular immigrant experience as recounted by an observer *Hans Jonas* Daniel M. Herskowitz, Elad Lapidot, Christian Wiese, 2024-11-28 This book offers new perspectives on the early and formative years of the German Jewish philosopher Hans Jonas through innovative studies of his German and Hebrew work in pre war Germany and Palestine Covering all facets of Jonas s early work the book brings together leading scholars to explore key conceptual historical genealogical and biographical contexts Some of the main topics examined include his deep intellectual history of Western thought and its origins in late antiquity through the category of Gnosis the intellectual influence of Heidegger Bultmann Husserl and Spengler his relation to Christian theology and his interest in Judaism and Zionism Existing research on his early work is not only limited in size but also often methodologically deficient for it is common to interpret the early in light of the late and as teleologically leading to it By introducing new materials and addressing new questions this book offers innovative perspectives on Jonas s intellectual project as a whole and provides a historical and conceptual foundation for further scholarly explorations of his oeuvre Providing fresh insights into the work of one of the twentieth century s most influential philosophers the book will appeal to students and researchers working in intellectual history Jewish studies and religion Nietzsche and Jewish Political Theology David Ohana, 2018-10-04 Nietzsche and Jewish Political Theology is the first book to explore the impact of Friedrich Nietzsche s work on the formation of Jewish political theology during the first half of the twentieth century It maps the many ways in which early Jewish thinkers grappled with Nietzsche s powerful ideas about politics morality and religion in the process of forging a new and modern Jewish culture The book explores the stories of some of the most important Jewish thinkers who utilized Nietzsche s writings in crafting the intellectual foundations of Jewish modern political theology These figures political convictions ranged from orthodox conservatism to pacifist anarchism and their attitude towards Nietzsche s ideas varied from enthusiastic embrace to ambivalence and outright rejection By bringing these diverse figures together the book makes a convincing argument about Nietzsche s importance for key figures of early Zionism and modern Jewish political thought The present study offers a new interpretation of a particular theological position which is called heretical religiosity Only with modernity and paradoxically with rapid secularization did one find heretical religiosity at full strength Nietzsche enabled intellectual Jews to transform the foundation of their political existence It provides a new perspective on the adaptation of Nietzsche s philosophy in the age of Jewish national politics and at the same time is a case study in the intellectual history of the modern Jewry This new reading on Nietzsche s work is a valuable resource for students and researchers interested in philosophy Jewish history and political theology The Hebrew Bible, Nationalism and the Origins of Anti-Judaism David Aberbach, 2022-10-31 In the attempts to unify divided peoples on the basis

of a shared past both historical and mythical this book illumines aspects of cultural nationalism common since the Middle Ages As an edited work the Bible includes texts mostly depicting long gone historical eras extending over several centuries Following on from Aberbach s previous work National Poetry Empires and War this book argues that works of this nature notably the Mujo Halil songs in Albania the Irish stories of Cuchulain the songs of the Nibelungen in Germany or the Finnish legends collected in The Kalevala have an ancient precedent in the Hebrew Bible to which national literatures often allude and refer a subject largely neglected in biblical studies The self critical element in the Hebrew Bible common in later national literature is examined as the basis of later anti Semitism as the Bible was not confined to Jews but was adopted in translation by many other national groups With several dozen original translations from the Hebrew this book highlights how the Bible influenced and was distorted by later national cultures Written without jargon this book is intended for the general reader but is also an important contribution to the study of the Bible nationalism and Jewish history *The Making of Modern*

Jewish Identity Motti Inbari,2019-05-30 This volume explores the processes that led several modern Jewish leaders rabbis politicians and intellectuals to make radical changes to their ideology regarding Zionism Socialism and Orthodoxy Comparing their ideological change to acts of conversion the study examines the philosophical sociological and psychological path of the leaders transformation The individuals examined are novelist Arthur Koestler who transformed from a devout Communist to an anti Communist crusader following the atrocities of the Stalin regime Norman Podhoretz editor of Commentary magazine who moved from the New Left to neoconservative disillusioned by US liberal politics Yissachar Shlomo Teichtel who transformed from an ultra Orthodox anti Zionist Hungarian rabbi to messianic Religious Zionist due to the events of the Holocaust Ruth Ben David who converted to Judaism after the Second World War in France because of her sympathy with Zionism eventually becoming a radical anti Israeli advocate Haim Herman Cohn Israeli Supreme Court justice who grew up as a non Zionist Orthodox Jew in Germany later renouncing his belief in God due to the events of the Holocaust and Avraham Avrum Burg prominent centrist Israeli politician who served as the Speaker of the Knesset and head of the Jewish Agency who later became a post Zionist Comparing aspects of modern politics to religion the book will be of interest to researchers in a broad range of areas including modern Jewish studies sociology of religion and political science Jews of Turkey Süleyman Şanlı,2018-11-20 Jews of Turkey Migration Culture and Memory explores the culture of Jews who immigrated from East Turkey to Israel The study reveals the cultural values of their communities way of life beliefs and traditions in the multicultural and multi religious environment that was the East of Turkey The book presents their immigration processes social relationships and memories of their past from a cultural perspective Consequently this study reconstructs the life of Eastern Jews of Turkey before their immigration to Israel The anthropological fieldwork for this research was carried out over a year in Israel The author visited eleven cities where he found Jewish communities from the Ottoman Empire The book examines their history and origins personal stories of their immigration and different social aspects such as their

relationships with Muslims other Jewish neighbourhoods the family childhood status of women marriages clothing cuisine religious life education economic conditions Shabbat and holidays This is the first book that discusses multiple Jewish communities living in Israel who moved from East Turkey The book will be a valuable resource for researchers and students who are interested in Jewish and Israeli studies Turkish minorities and anthropology S leyman anl is the chair of the anthropology department at Mardin Artuklu University Turkey He was a visiting scholar at the Moshe Dayan Center at Tel Aviv University where he conducted the anthropological fieldwork on Jews who migrated to Israel from Turkey His research interests are Ottoman Jews Jews of Turkey Jewish cultural studies and social and cultural anthropology

Jewish Women
Katharina Galor, 2023-12-15 Jewish Women Between Conformity and Agency examines the concepts of gender and sexuality through the primary lens of visual and material culture from antiquity through to the present day The backbone of this transhistorical and transcontextual study is the question of Jewish women s agency in four different geographical chronological and methodological contexts beginning with women s dress codes in Roman Byzantine Syro Palestine continuing with rituals of purity in medieval Ashkenaz worship in papal Avignon and the Comtat Venaissin and ending with marriage and divorce in Israeli film Each of these explorations is interested in creating a dialogue between the patriarchal legacy of the traditional texts and the chronologically corresponding visual and material culture The author challenges traditional approaches to the study of Jewish culture by employing tools from art history archaeology and film and media studies In each of these different contexts there is ample evidence that women despite persistent overall structural discrimination have found ways to challenge male constructs of gender norms Ultimately these examples from past and present times highlight women s eminence in shaping Jewish history and culture Bringing a new interdisciplinary lens to the study of the history of gender and sexuality the book will be of interest to students and researchers of Jewish history and culture art history archaeology and film studies

Bialik, the Hebrew Bible and the Literature of Nationalism David Aberbach, 2023-05-25 This book explores the life and poetry of Chaim Nachman Bialik 1873 1934 in the context of European national literature between the French Revolution and World War I showing how he helped create a modern Hebrew national culture spurring the revival of Hebrew as a spoken language The author begins with Bialik s background in the Tsarist Empire contextualizing Jewish powerlessness in Eastern Europe in the late nineteenth century As European anti-Semitism grew Bialik emerged at the vanguard of a modern Hebrew national movement building on ancient biblical and rabbinic tradition and speaking to Jewish concerns in neo prophetic poems love poems poems for children and folk poems This book makes accessible a broad but representative selection of Bialik s poetry in translation Alongside this a variety of national poets are considered from across Europe including Solomos in Greece Mickiewicz in Poland Shevchenko in Ukraine Njego in Serbia Pet fi in Hungary and Yeats in Ireland Aberbach argues that Bialik as Jewish national poet cannot be understood except in the dual context of ancient Jewish nationalism and modern European nationalism both political and cultural Written

in clear and accessible prose this book will interest those studying modern European nationalism Hebrew literature Jewish history and anti-Semitism *Jewish Women's Torah Study* Ilan Fuchs, 2013-11-20 One of the cornerstones of the religious Jewish experience in all its variations is Torah study and this learning is considered a central criterion for leadership Jewish Women's Torah Study addresses the question of women's integration in the halachic religious system at this pivotal intersection The contemporary debate regarding women's Torah study first emerged in the second half of the 19th century As women's status in general society changed offering increased legal rights and opportunities for education a debate on the need to change women's participation in Torah study emerged Orthodoxy was faced with the question which parts if any of modernity should be integrated into Halacha Exemplifying the entire array of Orthodox responses to modernity this book is a valuable addition to the scholarship of Judaism in the modern era and will be of interest to students and scholars of Religion Gender Studies and Jewish Studies **Samuel Joseph Agnon, Psychoanalysis and Jewish History** David Aberbach, 2025-09-12 Samuel Joseph Agnon Psychoanalysis and Jewish History A Comparative Study compares the writings of Samuel Joseph Agnon 1887-1970 with other writers including Gustav Flaubert Franz Kafka D H Lawrence and Carl Gustav Jung as well as his great Hebrew predecessors Mendele Mocher Sefraim and Chaim Nachman Bialik who drew on the ancient Jewish biblical and rabbinic tradition in creating a modern secular literature Through close readings of Agnon's fiction in comparison with some of his great contemporaries the reader comes to a new appreciation of the richness and psychological depth of modern Hebrew literary art and its roots in ancient Jewish history and literature of Agnon as a major figure bridging the traditional culture of the pre-1939 East European Jews with the modern world of Hebrew fiction amid tumultuous historical change as its centre shifted in the early 20th century from Eastern Europe to Tel Aviv and of the centrality of Hebrew literature in the rise of modern Jewish nationalism as anti-Semitism grew This book is of particular value to students of Hebrew and Comparative Literature and of psychoanalysis and the sociology of literature but it is written clearly and without jargon and has much interest to the general reader *The Holocaust in Thessaloniki* Leon Saltiel, 2020-03-31 The book narrates the last days of the once prominent Jewish community of Thessaloniki the overwhelming majority of which was transported to the Nazi death camp of Auschwitz in 1943 Focusing on the Holocaust of the Jews of Thessaloniki this book maps the reactions of the authorities the Church and the civil society as events unfolded In so doing it seeks to answer the questions did the Christian society of their hometown stand up to their defense and did they try to undermine or object to the Nazi orders Utilizing new sources and interpretation schemes this book will be a great contribution to the local efforts underway seeking to reconcile Thessaloniki with its Jewish past and honour the victims of the Holocaust The first study to examine why 95 percent of the Jews of Thessaloniki perished one of the highest percentages in Europe this book will appeal to students and scholars of the Holocaust European History and Jewish Studies Recipient of the 2021 Vashem Yad International Book Prize for Holocaust Research In view of the important contribution that this study makes to the

understanding of the Holocaust in Thessaloniki in particular and more broadly in Greece the International Committee for the Yad Vashem Book Prize decided to award the 2021 prize to Dr Leon Saltiel

Abū'l-Barakāt al-Baghdādī's Metaphysical Philosophy Moshe M Pavlov, 2017-04-21

Ab l Barak t is a renowned philosopher of the Arabic Jewish milieu who composed in his magnum opus the Kit b al Mu tabar a comprehensive metaphysics which challenged the accepted notions of the traditional metaphysical philosophy

Ab l Barak t al Baghd d s *Metaphysical Philosophy* examines the novel philosophical conceptions of the first book of the *Metaphysics* of the Kit b al Mu tabar

The aim is to present a developed conception of Ab l Barak t s systematic metaphysics

This is accomplished by following the order of topics discussed while translating the relevant passages

These different topics comprise stages of cognition that move from an analysis of time creation and causality to the conception of a higher spiritual realm of mental entities and a conception of God as the First Knower and Teacher

The epistemological and ontological conceptions are analyzed at each culminating stage

Ab l Barak t al Baghd d s *Metaphysical Philosophy* analyzes vast portions of the metaphysical study for the first time

The book will thus be a valuable resource for all those seeking an original and broad metaphysics and for students and scholars of Jewish and Islamic Philosophy

Furthermore it is of importance for those seeking a metaphysics related to scientific theories and those interested in the history of science and metaphysics

Israeli Theatre Naphtaly Shem-Tov, 2021-05-26

This book conceptualizes Mizrahi Middle Eastern Jewish theatre unfolding its performances in the field of Israeli theatre with a critical gaze

It covers the conceptualization and typology not along a chronological axis but rather through seven theatrical forms

The author suggests a defi nition of Mizrahi theatre that has fl uid boundaries and it can encompass various possibilities for self representation onstage

Although Mizrahi theatre began to develop in the 1970s the years since the turn of the millennium have seen an intense flowering of theatrical works by second and third generation artists dealing with issues of identity and narrative in a diverse array of forms

Mizrahi theatre is a cultural locus of self representation generally created by Mizrahi artists who deal with content social experiences cultural religious and traditional foundations and artistic languages derived from the history and social reality of Mizrahi Jews in both Israel and their Middle Eastern countries of origin

Critically surveying Mizrahi theatre in Israel the book is a key resource for students and academics interested in theatre and performance studies and Jewish and Israeli studies

The Role of Contradictions in Spinoza's Philosophy Yuval Jobani, 2016-01-29

Spinoza is commonly perceived as the great metaphysician of coherence

The Euclidean manner in which he presented his philosophy in the *Ethics* has led readers to assume they are facing a strict and consistent philosophical system that necessarily follows from itself

As opposed to the prevailing understanding of Spinoza and his work *The Role of Contradictions in Spinoza s Philosophy* explores an array of profound and pervasive contradictions in Spinoza s system and argues they are deliberate and constitutive of his philosophical thinking and the notion of God at its heart

Relying on a meticulous and careful reading of the *Theological Political Treatise* and the *Ethics* this book reconstructs Spinoza s

philosophy of contradictions as a key to the ascending three degrees of knowledge leading to the Amor intellectualis Dei Offering an exciting and clearly argued interpretation of Spinoza's philosophy this book will interest students and scholars of modern philosophy and philosophy of religion as well as Jewish studies Yuval Jobani is Assistant Professor at the Department of Hebrew Culture Studies and the School of Education at Tel Aviv University **The Jews of Ethiopia** Tudor

Parfitt, Emanuela Trevisan Semi, 2013-04-15 With a special focus on Europe and the role of German English and Italian Jewish communities in creating a new Jewish Ethiopian identity the book investigates the formation of a new Ethiopian Jewish elite

Antisemitism and Modernity Hyam Maccoby, 2006 The subject of anti-Semitism not long ago thought to be a dead issue has been revised due to the conflict between Israel and the Palestinians Maccoby traces the now topical discussion of the origins of Anti-Semitism and especially its development in the modern world The key questions that are addressed include How is it that this medieval prejudice proved so lasting and potent Are the roots of anti-Semitism religious If so how do these roots differ in Christianity and Islam By what means did it bridge the gap between medievalism and Enlightenment How was it that many of the most respected Enlightenment figures such as Voltaire dedicated as they were to tolerance and pluralism retained a virulent anti-Semitism These questions and many more are dealt with as Maccoby explores the roots of the anti-Semitism tracing it from its origins and shows how it has changed in accordance with the shifting ideas of the modern world but without changing in its essence Antisemitism and Modernity is essential reading for those with interests in the development of anti-Semitism its manifestation in the current world and its future *The Jews as a Chosen People* S.

Leyla Gurkan, 2008-12-05 The concept of the Jews as a chosen people is a key element of the Jewish faith and identity This book explores the idea of chosenness from the ancient world through modernity and into the Post Holocaust era Analysing a vast corpus of biblical ancient rabbinic and modern Jewish literature the author seeks to give a better understanding of this central doctrine of the Jewish religion She shows that although the idea of chosenness has been central to Judaism and Jewish self definition it has not been carried to the present day in the same form Instead it has gone through constant change depending on who is employing it against what sort of background and for what purpose Surveying the different and sometimes conflicting interpretations of the doctrine of chosenness that appear in Ancient Modern and Post Holocaust periods the dominant themes of Holiness Mission and Survival are identified in each respective period The theological philosophical and sociological dimensions of the question of Jewish chosenness are thus examined in their historical context as responses to the challenges of Christianity Modernity and the Holocaust in particular This book will be of interest to scholars and students of Jewish Studies the Holocaust religion and theology *Maimonides' Guide for the Perplexed* Donald McCallum, 2007-04-11 Providing an excellent overview of the latest thinking in Maimonides studies this book uses a novel philosophical approach to examine whether Maimonides' Guide for the Perplexed contains a naturalistic doctrine of salvation after death The author examines the apparent tensions and contradictions in the Guide and explains them in terms of a

modern philosophical interpretation rather than as evidence of some esoteric meaning hidden in the text **Jesus among the Jews** Neta Stahl,2012-02-23 For almost two thousand years various images of Jesus accompanied Jewish thought and imagination a flesh and blood Jew a demon a spoiled student an idol a brother a failed Messiah a nationalist rebel a Greek god in Jewish garb and more This volume charts for the first time the different ways that Jesus has been represented and understood in Jewish culture and thought Chapters from many of the leading scholars in the field cover the topic from a variety of disciplinary perspectives Talmud Midrash Rabbinics Kabbalah Jewish Magic Messianism Hagiography Modern Jewish Literature Thought Philosophy and Art to address the ways in which representations of Jesus contribute to and change Jewish self understanding throughout the last two millennia Beginning with the question of how we know that Jesus was a Jew the book then moves through meticulous analyses of Jewish and Christian scripture and literature to provide a rounded and comprehensive analysis of Jesus in Jewish Culture This multidisciplinary study will be of great interest not only to students of Jewish history and philosophy but also to scholars of religious studies Christianity intellectual history literature and cultural studies **Jewishness** Simon J. Bronner,2008-04-24 The idea of Jewishness is examined in this volume with provocative interpretations of Jewish experience and fresh approaches to the understanding of Jewish cultural expressions
