*Student s Guide to Congress* CQ Press, 2008-09-18 Who is running America Congress or the President The way Congress works How does an idea become a law Imagine how questions like these in Student s Guide to Congress will stimulate discussion among your students The book covers topics such as Origins of Congress Powers of Congress Congressional Procedures Congressional Leadership Elections and Constituents Student s Guide to Congress is the second title in the brand new Student s Guide to the U S Government Series which presents essential information about the U S government in a manner accessible to high school students In a unique three part format these titles place at the reader s fingertips everything they need to know about the evolution of

elections Congress the presidency and the Supreme Court from the struggles to create the U S government in the late eighteenth century through the on going issues of the early twenty first century Each Guide is divided into three sections Part One Three essays each addressing a provocative question about the book s topic Part Two A Z entries covering key concepts and terms Part Three Primary Source Library of legislation Supreme Court cases and other historical documents The user friendly design includes Pro Con debates Maps Timeline Charts Photos Political cartoons Profiles of decision makers And much more The Student s Guide to the U S Government Series from CQ Press is written so that students need no prior knowledge to understand the fundamental concepts presented By placing at hand in thought provoking essays easy to understand encyclopedic entries and pivotal primary source documents the essential information needed by student researchers and educators the Student s Guide to the U S Government Series offers valuable resources for government politics and history classes

**American Government** Cal Jillson, 2019-01-17 How politics in America works today how it got that way and how it s likely to change through reform these are the themes that pervade every chapter of Cal Jillson s highly lauded American Government Political Development and Institutional Change Even in the midst of current challenges America s past is present in all aspects of the contemporary political system Jillson uses political development and the dynamics of change as a thematic tool to help students understand how politics works now and how institutions participation and policies have evolved over time to produce the contemporary political environment In addition Jillson helps students think critically about how American democracy might evolve further focusing in every chapter on reform and further change New to the 10th Edition Assesses the characteristics and early results of the Trump administration Covers the 2018 midterm elections and looks ahead to the 2020 presidential race Explores the political and judicial fights over ballot integrity and gerrymandering Examines challenges to civil liberties in the wake of Charlottesville the Muslim ban and NSA warrantless surveillance Discusses the MeToo movement in the context of civil rights Includes important Supreme Court events and decisions including the confirmation of Justice Gorsuch Presents new material on race ethnicity gender and political participation especially in the context of social media Details Republican tax cuts and their likely impact on deficits and debt Discusses the Trump administration s climate change strategy and the December 2017 National Security Strategy of the United States looking ahead to security challenges in Korea and the Middle East Updates all data in tables and figures through the 2018 midterms Features In a streamlined presentation Jillson delivers a concise and engaging narrative to help students understand the complexities and importance of American politics Along the way several pedagogical features foster critical thinking and analysis Key learning objectives at the beginning of every chapter focus students on the central learning objectives The Constitution Today chapter opening vignettes illustrate the importance of conflicting views on constitutional principles Key terms are defined in the margins on the page where they appear help students study important concepts Colorful figures and charts help students visualize important information Let s Compare boxes analyze how functions of

government and political participation work in other countries now framed by new critical thinking questions Reformatted Pro new discussion questions in each box prompt students to weigh the different arguments and weigh in End of chapter summaries suggested readings and web resources help students master the material and guide them to further critical investigation of important concepts and topics

**Student's Guide to the Presidency** Bruce J. Schulman, 2009-03-01 An indispensable reference for young researchers specifically designed for the classroom Specifically written to engage high school students Student's Guide to the Presidency presents a comprehensive overview of the history and ongoing evolution of the American executive branch This single volume resource does not require any prior knowledge of the presidency and covers topics that meet national high school curriculum standards The third installment of the Student's Guide to the U S Government series is also appropriate for introductory American government college classes Teachers and students alike will want to use this resource in preparation for exams and research papers The text features three main sections that present a uniquely integrated approach to studying the U S presidency Part One consists of three informative essays addressing compelling topics on the presidency The Executive Branch Behind the Scenes Since 1789 Power Trip How Presidents Have Increased the Power of the Office Is the U S President the Most Powerful Leader in the World Part Two is an alphabetical section of key words and concepts spanning Adams John to Wilson Woodrow The definitions are supplemented by sidebars with biographies of decision makers spotlights on momentous events and key issues legal milestones and scandals regarding the presidency and point counterpoint coverage of controversial issues Recent entries include the 2008 election of Barack Obama Part Three complements the first two sections with a generous selection of influential primary source material including inaugural addresses constitutional amendments involving the election of the president and presidential succession and political cartoons A crisp layout unites the text with illuminating photos maps charts tables timelines and humorous political cartoons to provide a clear picture of the presidency
