Katharine Luther, Liberated Nun Alice E. Walter, 1981      *Caribbean Lutherans* José David Rodríguez, 2024-02-27

Caribbean Lutherans tells the story of the Lutheran church in Puerto Rico from a Caribbean perspective Rodríguez intersperses archival research with cogent commentary and personal accounts highlighting the power and agency of Puerto Rican and West Indian Lutherans amid the multifaceted legacy of Euro American missionary efforts on the island Readers may not be surprised to learn that the first Lutheran missionary in Puerto Rico was a Swedish American Lutheran they may not be aware however that his welcome and success on the island were dependent on the hospitality of an Afro Caribbean tailor from Jamaica A winding journey of interactions among American Lutheran synods and a growing Puerto Rican church generated partnerships tensions and possibilities that continue to the present Puerto Rico and neighboring islands joined the United Lutheran Church in America as the Caribbean Synod in 1952 Today they remain part of the current Evangelical Lutheran Church in America while many other Protestant denominations on the island have formed Puerto Rican national churches Rodríguez explores the continuing tensions inherent in this legacy bringing both academic expertise and personal experience to this first comprehensive account of the Lutheran church in Puerto Rico      **Katharine Von Bora, Dr. Martin**

Wiseman, 1995 What a pastor's wife really wants her husband to know The History of Woman, and Her Connexion with Religion, Civilization, & Domestic Manners, from the Earliest Period Stephen Watson Fullom, 1855 *The history of woman* Stephen Watson Fullom, 1855 **Katharine Drexel and the Sisters Who Shared Her Vision** McGuinness, Margaret M., Although Katharine Drexel has been the subject of several biographies they have tended to treat her as a perfect human being whom the Church later transformed into a saint Katherine and the Sisters Who Shared Her Vision moves beyond the story of the heiress's individual life devoted to God and shines a light on the work she did assisted by the Sisters of the Blessed Sacrament Drexel could have lived comfortably wealthy and privileged as a Philadelphia philanthropist but chose to found a religious congregation of women dedicated to working within Black and Indigenous communities without receiving the bulk of the money left by Drexel's father The author's careful examination of the work Drexel and her Sisters accomplished in Philadelphia and elsewhere shows impacts on the Church while also revealing racial issues at work in the story This brings a critical perspective to Drexel's ministry to further our understanding of the Black Catholic community and renew our commitment to the difficult ongoing conversation about race in America Paperbound Books in Print, 1984 **History of the Great Reformation in Europe in the Times of Luther and Calvin** Jean Henri Merle d'Aubigné, 1871 *The Apocalypse Is Everywhere* Anne Rehill, 2009-11-12 This wide ranging exploration of the apocalypse in Western culture seeks to understand how we have come to be so preoccupied with spectacular visions of our own annihilation offering abundant examples of the changing nature of our imagined destruction and predisposing readers to discover many more all around them *The Apocalypse Is Everywhere* A Popular History of America's Favorite Nightmare explores why apocalyptic thinking exists how it has been manifested in Western culture through the ages and how it has woven itself so thoroughly into our popular culture today Beginning with contemporary apocalyptic expressions the book demonstrates how surprisingly widespread they are It then discusses how we inherited them and where they arose Author Annie Rehill surveys the ancient belief systems from which Christianity evolved including ancient Judaism and other faiths She explores the vision outlined in the Book of Revelation and traces the apocalyptic thread through the Middle Ages across the Reformation and Enlightenment and to the Americas Finally to prove that the Apocalypse is indeed everywhere Rehill returns to the present to consider the idea of apocalypse as it occurs in movies books comics and graphic novels games music and art as well as in televangelism and even presidential speeches Her fascinating scholarship will surely have readers looking about them with new eyes The Living Age, 1883 **Liberating**

**Tradition (RenewedMinds)** Kristina LaCelle-Peterson, 2008-04-01 Kristina LaCelle Peterson seeks both to affirm the central place of Scripture in the Christian life and to highlight the liberating nature of the gospel for both men and women To do this the author considers the biblical ideal for human beings and then proceeds to offer a biblical foundation for each of the topics under discussion identity body image personal relationships marriage church life and language for God Along the way she examines the cultural nature of gender roles and the ways in which they have become entangled with ecclesial expectations This book will help women better appreciate themselves as women gain a better understanding of their value in God s eyes and recognize their potential for meaningful engagement in a variety of relationships and vocational callings Wisconsin Lutheran Quarterly ,1999 **Littell's Living Age** ,1883
