Bioethics Howard B. Radest, 2009-05-16 Fire flood earthquake famine pestilence and warfare are no strangers to our experience Once we sought to placate the gods who brought these evils upon us Today clinicians engineers and politicians replace priests prophets seers and shamans and we Americans in particular think to impose our will upon the world In times of catastrophe issues of good and evil surrender to rapid nearly automatic operational response Yet the

catastrophic event poses unavoidable moral choices ones that are more politically and emotionally complex since 9 11 and our War on Terrorism This book benefits from the emergence of bioethics as it has evolved from its clinical roots to address policy politics and social practice far removed from that origin At the same time the clinical focus on narratives and cases provides a tangible center for ethical reflection It reminds us that ethics is about persons and their choices a perspective often lost to abstraction when ethics is left to the ministrations of academe By treating the catastrophic event as both a category and a genre Bioethics connects to aesthetics and so enables us to enrich ethical inquiry by ranging from pandemic hurricane and flood to terrorist attack

Drawing Down the Mist Sheri Lewis Wohl,2019-02-12 Maria Romanova watched as her family was slaughtered while she was spared sort of Today she is Sasha Rudin and very few know her true identity She has one mission to find and put an end to the alliance of monsters that turned her into a vampire A chance encounter with Dee Arkin a far too curious novelist leads to complications Sasha could never have imagined Danger peril and most surprising of all love Together they fight the forces of darkness that want to rule the world and pray they succeed before those very forces destroy their chances of a future together

Beyond the Nightmare George Oliver,2022-07-28 For three years the world suffered from a pandemic Millions died and countries were destroyed The United States was not spared and divided into east and west In the east the government was controlled by the military In a desperate attempt to fund a bankrupt budget it turned to drug and human trafficking The western states set up a provisional government and supported an underground movement in the east Five years after the last pandemic an underground unit in the east was ordered to disband and its members were to escape As Frank Edwards began his escape he wanted to escape not only from the nightmare that he had been fighting in the east but from his own personal nightmares His escape would require the help of the Ojibwa and Lakota tribes from whom he would learn of the nightmares that Native people have lived through Just as his escape started he came across a human trafficking operation In the group of prisoners were Alissa Montgomery and her daughter she had worked for Frank before the pandemics came Should he try a suicidal rescue attempt and save them from their nightmare or continue on without them and add to his nightmares Beyond the Nightmare is not only about getting beyond the nightmares of life but about a journey of recovery healing restoration and rejoicing in the day the nightmare ends

Pack Light Kim Shaw,2004-10-01 Sparks fly when high powered attorney Maya Wilkins meets Victor the mailroom supervisor who is both a student and a songwriter and despite the disapproval of her co workers falls in love with Victor while trying to expose a corporate thief Original

An Unsuitable Duchess Laurie Benson,2016-06-01 Poignant romance delightfully vivid descriptions of high society life and plenty of dramatic secrets and red hot sensuality a fabulous debut Bookish Jottings For American Katrina Vandenberg the rules of London society are stifling So when a rare moment of solitude at a particularly tedious ball is interrupted she s disappointed until she lays eyes on a very handsome stranger Julian Carlisle Duke of Lyonsdale is destined for a dull marriage of convenience and Katrina couldn t be further from the docile blue

blooded bride he needs An affair would be scandalous but could there be a way for this highly unsuitable woman to become Julian's perfect duchess after all

Speaking the Truth Samuel Wells, 2018-09-28 Truth is a difficult subject in a pluralistic culture and the truth is even more challenging Yet the preacher's call is to be a speaker of truth the truth of God in Jesus Christ What does it take to speak the truth faithfully as a preacher of the gospel for that truth to be heard and for words and ideas to generate actions and build relationships Samuel Wells has learned that speaking the truth means telling the Christian story alongside the contemporary secular story It means helping your hearers perceive both the harmonies and the dissonance between the two It means inviting them with both conviction and humility to decide how their own story is going to be shaped by this truth In this volume he reflects on the practice of speaking about God faith the Bible discipleship resurrection salvation politics and truth and on preaching that resonates in particular contexts It is a book to encourage and give confidence to all preachers and preachers in training

Lump Nathan Whitlock, 2023-07-18 A dark satiric novel about a woman whose attempt to escape crises in her health and marriage ends up causing more chaos Cat's career has stalled her marriage has gone flat and being a stay at home mom for two young kids has become a grind When she finds out all within a few days that she is pregnant that a lump in her breast is the worst thing it could be and that her husband has done something unforgivably repulsive she responds by running away from her marriage and her life a life that on the outside looks like middle class success Her actions send waves of chaos through the lives of multiple characters including a struggling house cleaner a rich and charismatic yoga guru and even an ailing dog What follows is a dark comedy about marriage motherhood privilege and power

A RARE MACHINES BOOK *The Epworth Herald*, 1904

Video

Ethnography David Redmon, 2019-05-02 Video Ethnography provides a thought provoking guided framework to ethnographic filmmaking It examines how this kind of filmmaking can be a means of approximating mediating and evoking lived experience Functioning as a kind of sensory extension of the videographer video ethnography arises directly out of lived experience as a process of dynamic encounters mobile situations and embodied approaches that include senses and choices of the videographer and the participants of the ethnography The book will help describe and develop students' sensibility and awareness of this crucial aspect of video ethnography so they can craft their own video ethnographies with a fully conscious awareness of how certain skilled and attuned approaches to audiovisual techniques can help facilitate the fullest and most dynamic encounters possible This book is suitable for classes in ethnographic filmmaking video ethnography and visual anthropology sociology
