Ke Aupuni Moi:

Laws Passed by the Nobles and Representatives Hawaii, 1852 Hawai'i and Liberia Robert Stauffer, D. Elwood Dunn, 2008-09-25 No detailed description available for Hawai i and Liberia **Statute Laws of His Majesty Kamehameha III, King of the Hawaiian Islands, Passed by the Houses of Nobles and Representatives ... A.D. [1845-1847], to which are Appended the Acts of Public Recognition and the Treaties with Other Nations** Hawaii, 1846 **The Mana of Translation** Bryan Kamaoli Kuwada, 2024-12-31 In *The Mana of Translation* Translational Flow in Hawaiian History from the Baibala to the Mauna Bryan Kamaoli Kuwada makes visible the often unseen workings of translation in Hawai i from the advent of Hawaiian alphabetic literacy to contemporary struggles over language and land Translation has had a massive impact on Hawaiian history both as it unfolded and how it came to be understood yet it remains understudied in Hawaiian and Indigenous scholarship In an engaging and wide ranging analysis Kuwada examines illuminative instances of translation across the last two centuries through the analytic of mana unuhi the mana power authority branch version attained or given through translation Translation has long been seen as a tool of colonialism but examining history through mana unuhi demonstrates how Hawaiians used translation as a powerful tool to assert their own literary cultural and political sovereignty something Hawaiians think of in terms of ea life breath sovereignty rising Translation also gave mana to particular stories about Hawaiians some empowering others harmful creating a clash of narratives that continue to this day Drawing on sources in Hawaiian and English that span newspapers letters and journals religious and legal documents missionary records court transcripts traditional stories and more this book makes legible the utility and importance of paying attention to mana unuhi in Hawai i and beyond Through chapters on translating the Hawaiian Bible the role of translation in the Hawaiian Kingdom s bilingual legal system Hawaiians powerful deployment of translation in nineteenth century n pepa newspapers the early twentieth century era of extractive scholarly translation and the possibilities that come from refusing translation as demonstrated in legal proceedings related to the protection of Maunakea Kuwada questions narratives about the inevitability of colonial victory and the idea that things can only be lost in translation Writing in an accessible yet rigorous style Kuwada follows the flows of translation and its material practices to bring forth the power dynamics of languages and how these differential forces play out on ideological and political battlefields Specifically rooted in Hawai i yet broadly applicable to other colonial situations *The Mana of Translation* provides us with a transformative new way of looking at Hawaiian history

The Power of the Steel-tipped Pen Noenoe K. Silva, 2017-05-12 Noenoe K Silva creates a model indigenous intellectual history of a culture where using Western standards none is presumed to exist by examining the work of two lesser known Hawaiian language writers from the nineteenth century whose prolific output across many genres created a record of Native Hawaiian cultural history and thought **Reclaiming Kalākaua** Tiffany Lani Ing, 2019-10-31 *Reclaiming Kal kaua* Nineteenth Century Perspectives on a Hawaiian Sovereign examines the American international and Hawaiian

representations of David La'amea Kamananakapu Mahinulani Nalaiaehuokalani Lumialani Kalikau in English and Hawaiian language newspapers books travelogues and other materials published during his reign as Hawaiian monarch from 1874 to 1891 Beginning with an overview of Kalikau's literary genealogy of misrepresentation Tiffany Lani Ing surveys the negative even slanderous portraits of him that have been inherited from his enemies who first sought to curtail his authority as monarch through such acts as the 1887 Bayonet Constitution and who later tried to justify their parts in overthrowing the Hawaiian kingdom in 1893 and annexing it to the United States in 1898 A close study of contemporary international and American newspaper accounts and other narratives about Kalikau many highly favorable results in a more nuanced and wide ranging characterization of the monarch as a public figure Most importantly virtually none of the existing nineteenth twentieth and twenty first century texts about Kalikau consults contemporary Kanaka Maoli Native Hawaiian sentiment for him Offering examples drawn from hundreds of nineteenth century Hawaiian language newspaper articles mele songs and mo'olelo histories stories about the monarch Reclaiming Kalikau restores balance to our understanding of how he was viewed at the time by his own people and the world This important work shows that for those who did not have reasons for injuring or trivializing Kalikau's reputation as monarch he often appeared to be the antithesis of our inherited understanding The monarch struck many and above all his own people as an intelligent eloquent compassionate and effective Hawaiian leader

Na kanawai o ka mo'i Kalakaua, Ke alii o ko Hawaii Pae Aina Hawaii, 1874 Native Hawaiian Study Commission Report United States. Congress. House. Committee on Interior and Insular Affairs, 1985 *Native Hawaiians Study Commission* United States. Congress. Senate. Committee on Energy and Natural Resources, 1985 **A Power in the World** Lorenz Gonschor, 2019-06-30 Few people today know that in the nineteenth century Hawaii was not only an internationally recognized independent nation but played a crucial role in the entire Pacific region and left an important legacy throughout Oceania As the first non Western state to gain full recognition as a coequal of the Western powers yet at the same time grounded in indigenous tradition and identity the Hawaiian Kingdom occupied a unique position in the late nineteenth century world order From this position Hawaiian leaders were able to promote the building of independent states based on their country's model throughout the Pacific envisioning the region to become politically unified Such a pan Oceanian polity would be able to withstand foreign colonialism and become in the words of one of the idea's pioneers a Power in the World After being developed over three decades among both native and non native intellectuals close to the Hawaiian court King Kalikau's government started implementing this vision in 1887 by concluding a treaty of confederation with Samoa a first step toward a larger Hawaiian led pan Oceanian federation Political unrest and Western imperialist interference in both Hawaii and Samoa prevented the project from advancing further at the time and a long interlude of colonialism and occupation has obscured its legacy for over a century Nonetheless it remains an inspiring historical precedent for movements toward greater political and economic integration in the Pacific Islands region today Lorenz Gonschor examines two

intertwined historical processes The development of a Hawai i based pan Oceanian policy and underlying ideology which in turn provided the rationale for the second process the spread of the Hawaiian Kingdom s constitutional model to other Pacific archipelagos He argues that the legacy of this visionary policy is today re emerging in the form of two interconnected movements namely a growing movement in Hawai i to reclaim its legacy as Oceania s historically leading nation state on one hand and an increasingly assertive Oceanian regionalism emanating mainly from Fiji and other postcolonial states in the Southwestern Pacific on the other As a historical reference for both nineteenth century Hawaiian policy serves as an inspiration and guideline for envisioning de colonial futures for the Pacific region *Aloha Betrayed* Noenoe K. Silva,2004-09-07 An historical account of native Hawaiian encounters with and resistance to American colonialism based on little read Hawaiian language sources *Native Hawaiians Study Commission: Appendix* United States. Congress. Senate. Committee on Energy and Natural Resources,1985 *Documents relating to the Restoration of the Sandwich Islands Flag. Hawaiian & Eng* ,1844 **Princess Victoria Ka'iulani** Ralph Thomas Kam,Marilyn Stassen-McLaughlin,2024-10-02 This new biography of Princess Victoria Ka iulani goes far beyond most accounts of her life which tend to dwell on nostalgic recollections of what could have been rather than the reality of her life Many of the most cherished depictions of Ka iulani originate from other people s reflections rather than the actions and words of the princess herself By using historical documents including archival manuscripts Hawaiian and English language newspapers government records firsthand testimonies poetry and mele a factual and thoroughly supported narrative of Ka iulani s life during tumultuous times emerges surpassing fairy tale like portrayals *Hawaiian Surfing* John R. K. Clark,2011-05-31 Hawaiian Surfing is a history of the traditional sport narrated primarily by native Hawaiians who wrote for the Hawaiian language newspapers of the 1800s An introductory section covers traditional surfing including descriptions of the six Hawaiian surf riding sports surfing bodysurfing canoe surfing body boarding skinning and river surfing This is followed by an exhaustive Hawaiian English dictionary of surfing terms and references from Hawaiian language publications and a special section of Waikiki place names related to traditional surfing The information in each of these sections is supported by passages in Hawaiian followed by English translations The work concludes with a glossary of English Hawaiian surfing terms and an index of proper names place names and surf spots **The Progressive News** ,1914 Ni'ihau Place Names John R. K. Clark,2023-10-31 The story of Ni ihau has been told many times by many people but Ni ihau Place Names adds new information to the island s history from a unique source Hawaiian language newspapers From 1834 to 1948 approximately 125 000 pages of Native Hawaiian expression were printed in more than 100 different newspapers John R K Clark has gathered and edited a large collection of invaluable articles that recorded daily life on Ni ihau events and topics of interest and the island s place names Additionally Keao NeSmith a Native Hawaiian of Kaua i and an applied linguist translator and researcher fluent in lelo Hawai i translated each passage into English Most of these excerpts have not appeared in any other publication Ni ihau is unique in

the state of Hawai i because it is the only island that is entirely privately owned In 1864 Kamehameha V the monarch of the Kingdom of Hawai i sold the island to the Sinclairs a wealthy immigrant family looking to establish a ranching business Descendants of the Sinclairs still own the island today Diverse opinions about the sale of Ni ihau were published in newspapers across the Hawaiian Islands and this book traces the development and aftershocks of that historic event Ni ihau Place Names contains over thirty kanikau dirges poetic chants written and published from 1845 to 1931 to honor deceased Ni ihau residents These compositions of deep emotion are treasuries of language history genealogy cultural knowledge and especially place names Another important contribution in this volume is the identification of lelo no eau proverbs and poetical sayings with demonstrations of their use in everyday conversation The book is divided into two main sections Ni ihau Place Names is an alphabetical list of prominent place names on the island accompanied by relevant passages in Hawaiian and their English translations The list also includes Lehua the small island near the northwest tip of Ni ihau Ni ihau History is an additional collection of articles that includes many lesser known place names and elucidates other topics deemed worthy by reporters and contributors of the time Following the main text readers will find helpful indexes of general terms place names and personal names

Laws of the Provisional Government of the Hawaiian Islands, Passed by the Executive and Advisory Councils Hawaii,1893 **Hawaiian Genealogies** Edith Kawelohea McKinzie,1983-01-01 **Selections from Fornander's Hawaiian Antiquities and Folk-Lore** Samuel H. Elbert,1959-01-01 A valuable library addition for either a folklorist a linguist or an ethnologist Western Folklore The stories in this book are reprinted from Volumes IV and V of The Fornander Collection of Hawaiian Antiquities and Folk lore published by the Bernice P Bishop Museum in 1917 1918 and 1919 They include some of the best loved of Hawaiian stories and the collection is probably the most important work on a traditional subject ever published in the Hawaiian language In the 1860s and 1870s Abraham Fornander circuit judge of Maui employed several Hawaiians to seek out learned Hawaiians and write down their stories The collectors included S N Kamakau S Haleole and Kepelino Keauokalani each of whom has made important contributions to our knowledge of the old culture from the Introduction
